SUMMARY: The Office of Personnel Management (OPM) offers the general public and other federal agencies the opportunity to comment on an existing information collection request (ICR) 3206–0272, Federal Employees Dental and Vision Insurance Program (FEDVIP) Enrollment System. SUPPLEMENTARY INFORMATION: The information collection was previously published in the **Federal Register** on October 21, 2021 in a Notice of Proposed Rulemaking (NPRM) to amend title 5 of the Code of Federal Regulations (CFR) part 894. The proposed rule had a 60-day comment period during which OPM received 7 comments, and 2 comments were unresponsive. No comments were received for the information collection. The purpose of this notice is to allow an additional 30 days for public comments. The Office of Management and Budget is particularly interested in comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of functions of the agency, including whether the information will have practical utility;

2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

3. Enhance the quality, utility, and clarity of the information to be collected; and

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

The Federal Employees Dental and Vision Insurance Program Enrollment System uses BENEFEDS, which is the secure enrollment website sponsored by OPM that allows eligible individuals to enroll or change enrollment in a FEDVIP plan. Eligible individuals use the system to enroll or change enrollment during the annual Open Season or when experiencing a qualifying life event under 5 CFR 894.101. FEDVIP is available to eligible Federal civilian and U.S. Postal Service (USPS) employees, retirees (annuitants), survivor annuitants, compensationers, and their eligible family members (dependents); and certain TRICARE-eligible individuals (TEIs) who are authorized under section 715 of Public Law 114-

328, on an enrollee-pay-all basis; there is no government contribution toward premiums.

The proposed rule, 89 FR 57764, published on October 21, 2021 proposes to modify eligibility for coverage under the FEDVIP to certain Federal employees on temporary appointments and certain employees on seasonal and intermittent schedules who became eligible for Federal Employees Health Benefits (FEHB) in 2015, and the rule also includes Postal employees on temporary appointments and seasonal and intermittent schedules. It also proposes to expand access to FEDVIP benefits to certain firefighters on temporary appointments and intermittent emergency response personnel who became eligible for FEHB coverage in 2012. This rule also updates the provisions on enrollment for active duty service members who become eligible for FEDVIP as uniformed service retirees pursuant to FY17 NDAA. In addition, this rule adds QLEs for enrollees who may become eligible for and enroll in dental and/or vision services from the VA. Lastly, the rule also has technical corrections and clarifications to the part.

OPM uses this enrollment system to carry out its responsibility to administer the FEDVIP in accordance with 5 U.S.C. chapters 89A and 89B and implementing regulations (5 CFR part 894).

As required by the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. chapter 35) OPM is soliciting comments for this collection (OMB No. 3206-0272).
