OFFICE OF THE DIRECTOR OF NATIONAL INTELLIGENCE

Privacy Act of 1974; System of Records

AGENCY: Office of the Director of National Intelligence (ODNI).

ACTION: Notice of a proposed new system of records.

SUMMARY: ODNI provides notice of a proposed new Privacy Act system of records at the National Intelligence University (NIU). ODNI recommends to add a proposed new system of records to its records inventory subject to the Privacy Act of 1974, as amended. This action is necessary to meet the requirements of the Privacy Act to publish in the **Federal Register**, the existence and character of records maintained by NIU. This proposed new system of records is titled, “National Intelligence University (NIU) Program Records,” ODNI/NIU–01.

DATES: This proposed new System of Records will go into effect on November 7, 2022, unless comments are received that result in a contrary determination.

ADDRESSES: Comments may be submitted by any of the following methods:

Federal eRulemaking Portal: <http://www.regulations.gov>.

Email: transparency@dni.gov.

Mail: Director, Information Management Office, Chief Operating Officer, ODNI, Washington, DC 20511.

SUPPLEMENTARY INFORMATION: The NIU is the Intelligence Community's (IC) sole

accredited, federal degree-granting institution. Cleared government students, representing a mixture from federal agencies and all branches of the United States Armed Services, come to NIU to gain knowledge, drive debate, participate in collaborative learning and information sharing, and engage in research concerning intelligence and national security topics in a classified setting. Previously, NIU was part of the Defense Intelligence Agency (DIA). However, Congress subsequently mandated that the Director of National Intelligence (DNI) and the Secretary of Defense work together to transition the NIU from the DIA and into the ODNI. See Section 5324(b) (l) of the National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2020 (Pub. L. 116–92) (hereafter *FY 2020 NDAA*).

Specifically, in 2017, a Congressional panel offered alternative governance models to enhance NIU, to include a more prominent role for ODNI. See *The Joint Explanatory Statement accompanying the Intelligence Authorization Act for Fiscal Year 2017*. The Secretary of Defense and the House Permanent Select Committee on Intelligence (HPSCI) also concluded that DIA would benefit from moving NIU elsewhere in the IC with HPSCI supporting NIU's transfer to ODNI. Additional Congressional direction (see *FY 2020 NDAA*) required that the Department of Defense (DoD) remain involved in NIU's governance, that DoD personnel serve as faculty at the ODNI-led university, that DoD embrace NIU being moved to ODNI and that DoD not attempt to create a new intelligence college to replace NIU. Both the House Committee on Oversight and Government Reform and the Senate Committee on Homeland Security and Governmental Affairs did not have any objections to the DNI and Under Secretary of Defense for Intelligence and Security letters that certified that they met congressional requirements that informed the transfer of NIU to ODNI. ODNI certified before the inauguration and DIA certified a few months later. On December 2019, Congress directed the Secretary of Defense and the DNI to effect an organizational transition of NIU from DIA to ODNI. On 20 June 2021, NIU transitioned from the DIA to the ODNI. In this new capacity, NIU will continue to serve the intelligence and national security professionals from the IC components and the U.S. Government.

This notice informs the public of a proposed new system of records to administer the NIU program at ODNI. ODNI administration of the NIU program includes review of proposed

new applicant submissions for attendance eligibility, coursework, evaluation of student progress, and academic activities and achievements; identifying and coordinating with prospective and invited guest speakers; and managing the school, including faculty, staff, instructors, administrative support personnel, and the Board of Visitors.

The NIU is the sole accredited, federal degree-granting institution within the IC and grants undergraduate and graduate degrees in intelligence related disciplines to IC, DoD, and other U.S. Government personnel.

In December 2019, Congress directed the Secretary of Defense and the DNI to effect an organizational transition of NIU from DIA to ODNI. In March 2020, DIA and ODNI began this transition with DIA continuing to host NIU-related Privacy Act records under DIA's Privacy Act System of Records Notice (SORN) until such time when ODNI established a new SORN for those records. The relevant DIA SORN for NIU-related records is LDIA 0011 "Student Information Files," 78 FR 47308 (05 August 2013). Once the new ODNI Privacy Act System of Records Notice goes into effect, DIA will rescind LDIA 0011.
