II. Background

This cancellation order follows a notice that published in the **Federal Register** of August 12, 2022 (87 FR 49822 (FRL-9988-01-OCSPP)) that announced the receipt of requests from the registrants listed in Table 2 of Unit III. to voluntarily cancel these product registrations. In that notice, EPA indicated that it would issue an order implementing the cancellations, unless the Agency received substantive comments within the 30-day comment period that would merit its further review of these requests, or unless the registrants withdrew their requests. The Agency did not receive any comments by the end of the comment period (September 12, 2022). Accordingly, EPA hereby issues in this notice a cancellation order granting the requested cancellations. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

FIFRA section 4(i)(5) (7 U.S.C. 136a-1(i)(5)) requires that all pesticide registrants pay an annual registration maintenance fee, due by January 15 of each year, to keep their registrations in effect. This requirement applies to all registrations granted under FIFRA section 3 (7 U.S.C. 136a) as well as those granted under FIFRA section 24(c) (7 U.S.C. 136v(c)) to meet special local needs. Registrations for which the fee is not paid are subject to cancellation by order and without a hearing.

Under FIFRA, the EPA Administrator may reduce or waive maintenance fees for minor agricultural use pesticides when it is determined that the fee would be likely to cause significant impact on the availability of the pesticide for the use.

In fiscal year 2022, maintenance fees were collected in one billing cycle. On December 10, 2021, all holders of either FIFRA section 3 registrations or FIFRA section 24(c) registrations were sent lists of their active registrations, along with forms and instructions for responding. They were asked to identify which of their registrations they wished to maintain in effect, and to calculate and remit the appropriate maintenance fees. Most responses were received by the statutory deadline of January 18, 2022. A notice of intent to cancel was sent in May of 2022 to companies who did not respond and to companies who responded but paid for less than all their registrations.

In fiscal year 2022, the Agency has waived the fees for 307 minor agricultural use registrations at the
