

determined.²² Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 351.221(b)(4).

Dated: October 28, 2022.

SUPPLEMENTARY INFORMATION:

Background

On November 29, 2021, Commerce published a notice of initiation of an administrative review of the countervailing duty (CVD) order on hot-rolled steel from Korea.¹ On December 13, 2021, Commerce selected Hyundai Steel Company (Hyundai Steel) and POSCO as mandatory respondents in this administrative review.² On June 24, 2022, Commerce extended the deadline for the preliminary results of this review to no later than October 28, 2022.³

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁴ A list of topics discussed in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

a timely-filed withdrawal request from the petitioners.⁵ Because the withdrawal request was timely filed, and no other party requested a review of these companies, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review with respect to the following companies: DCE Inc.; Dong Chuel America Inc.; Dong Chuel Industrial Co., Ltd.; Dongbu Incheon Steel Co., Ltd.; Dongbu Steel Co., Ltd.; Dongkuk Industries Co., Ltd.; Dongkuk Steel Mill Co., Ltd.; Hyewon Sni Corporation (H.S.I.); JFE Shoji Trade Korea Ltd.; POSCO Coated & Color Steel Co., Ltd.; POSCO Daewoo Corporation; Soon Hong Trading Co., Ltd.; and Sung-A Steel Co., Ltd.⁶

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution from an authority that gives rise to a benefit to the recipient, and that the subsidy is specific.⁷ For a full description of the methodology underlying our conclusions, *see* the accompanying Preliminary Decision Memorandum.

Preliminary Results of Review

As a result of this review, we preliminarily determine the net countervailable subsidy rates to be:

Producer/exporter	Subsidy rate (percent <i>ad valorem</i>)
Hyundai Steel Company ⁸ .	0.32 (<i>de minimis</i>).
POSCO ⁹	0.33 (<i>de minimis</i>).

Verification

Commerce received a timely request from Nucor to verify the information

⁷ *See* sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

⁸ Hyundai Steel Company is also known as "Hyundai Steel Co., Ltd." As discussed in the Preliminary Decision Memorandum, Commerce has found the following company to be cross-owned with Hyundai Steel: Hyundai Green Power Co. Ltd.

⁹ As discussed in the Preliminary Decision Memorandum, Commerce has found the following companies to be cross-owned with POSCO: Pohang Scrap Recycling Distribution Center Co. Ltd.; POSCO Chemical; POSCO M-Tech; POSCO Nippon Steel RHF Joint Venture Co., Ltd.; POSCO Steel

submitted in this administrative review.¹⁰ As provided in section 782(i)(3) of the Act, Commerce intends to verify the information submitted by Hyundai Steel in advance of the final results of this review.

Disclosure and Public Comment

We intend to disclose to interested parties the calculations performed for these preliminary results within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

A timeline for the submission of case and rebuttal briefs will be provided to interested parties at a later date.¹¹ Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹² Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this review are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities. All briefs must be filed electronically using Enforcement and Compliance's ACCESS system.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should

Processing and Service; and POSCO Terminal. The POSCO subsidy rate applies to all cross-owned companies. We note that POSCO has an affiliated trading company through which it exported certain subject merchandise, *i.e.*, POSCO International Corporation (POSCO International). POSCO International was not selected as a mandatory respondent, but was examined in the context of POSCO. Therefore, there is not an individually-established rate for POSCO International; POSCO International's subsidies are accounted for in terms of POSCO's total subsidy rate. Entries of subject merchandise exported by POSCO International will receive the rate of the producer listed on the entry form with U.S. Customs and Border Protection (CBP). Thus, the subsidy rate applied to POSCO (and POSCO's cross-owned affiliates) is also applied to POSCO International for entries of subject merchandise produced by POSCO.

confirm the date and time of the hearing two days before the scheduled date.

Unless the deadline is extended, we intend to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Assessment Rate

Pursuant to section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries of subject merchandise in accordance with the final results of this review. If the assessment rate calculated in the final results is zero or *de minimis*, we will instruct CBP to liquidate all appropriate entries without regard to countervailing duties.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for each of the companies listed above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, except, where the rate calculated in the final results is zero or *de minimis*, no cash deposit will be required. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most recent company-specific or all-others rate applicable to the company. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

These preliminary results are issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 19 CFR 351.221(b)(4).

Dated: October 28, 2022.

Assistant Secretary for Enforcement and Compliance.

SUPPLEMENTARY INFORMATION:

Background

On February 3, 2021, Commerce published the countervailing duty order on PC strand from Turkey.¹ On April 12, 2022, Commerce published the notice of

initiation of this administrative review.² For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.³ A list of topics included in the Preliminary Decision Memorandum is provided as the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The product covered by the Order is PC strand from Turkey. For a complete description of the scope of the Order, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). In reaching these preliminary results, Commerce relied on facts otherwise available, with the application of adverse inferences.⁴ For further information, see "Use of Facts Otherwise Available and Application of Adverse Inferences" in the accompanying Preliminary Decision Memorandum. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Preliminary Results of Review

Commerce preliminarily determines the following net countervailable subsidy rates for the POR:

² See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 87 FR 21619 (April 12, 2022).

³ See Memorandum, "Decision Memorandum for the Preliminary Results of the 2020–2021 Countervailing Duty Administrative Review of Prestressed Concrete Steel Wire Strand from the Republic of Turkey," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

⁴ See section 776 of the Act.

⁵ As discussed in the Preliminary Decision Memorandum from the Investigation, Commerce has found the following companies to be cross-owned with Celik Halat: Dogan Sirketler Grubu Holding A.S. and Adilbey Holding A.S.

Company	Subsidy rate (percent <i>ad valorem</i>)
Celik Halat ve Tel Sanayi A.S. ⁵	96.33

Commerce has not calculated an estimated weighted-average subsidy rate for all other non-selected producer(s)/ exporter(s) because Celik Halat was the only company subject to this administrative review.
