In accordance with the Federal Advisory Committee Act (Pub. L. 92-463, as amended), the National Science Foundation (NSF) announces its intent to hold proposal review meetings throughout the year. ## PENSION BENEFIT GUARANTY CORPORATION

### Proposed Submission of Information Collection for OMB Review; Comment Request; Annual Financial and Actuarial Information Reporting

**AGENCY:** Pension Benefit Guaranty Corporation.

**ACTION:** Notice of intent to request extension of OMB approval of information collection.

**SUMMARY:** The Pension Benefit Guaranty Corporation (PBGC) intends to request that the Office of Management and Budget (OMB) extend approval, without modifications, under the Paperwork Reduction Act, of a collection of information contained in its regulation on Annual Financial and Actuarial Information Reporting. This notice informs the public of PBGC's intent and solicits public comment on the collection of information.

**DATES:** Comments must be submitted on or before January 6, 2023.

**ADDRESSES:** Comments may be submitted by any of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the online instructions for submitting comments.

- *Email:* [paperwork.comments@pbgc.gov](mailto:paperwork.comments@pbgc.gov). Refer to OMB control number 1212-0049 in the subject line.

- *Mail or Hand Delivery:* Regulatory Affairs Division, Office of the General Counsel, Pension Benefit Guaranty Corporation, 445 12th Street SW, Washington, DC 20024-2101.

Commenters are strongly encouraged to submit public comments electronically. PBGC expects to have limited personnel available to process public comments that are submitted on paper through mail. Until further notice, any comments submitted on paper will be considered to the extent practicable.

All submissions received must include the agency's name (Pension Benefit Guaranty Corporation, or PBGC) and refer to OMB control number 1212-0049. All comments received will be posted without change to PBGC's website, <http://www.pbgc.gov>, including

any personal information provided. Do not submit comments that include any personally identifiable information or confidential business information.

Copies of the collection of information may be obtained by writing to Disclosure Division, Office of the General Counsel, Pension Benefit Guaranty Corporation, 445 12th Street SW, Washington, DC 20024-2101, or calling 202-229-4040 during normal business hours. (If you are deaf or hard of hearing, or have a speech disability, please dial 7-1-1 to access telecommunications relay services.)

**SUPPLEMENTARY INFORMATION:** Section 4010 of the Employee Retirement Income Security Act of 1974 (ERISA) and PBGC's regulation on Annual Financial and Actuarial Information Reporting (29 CFR part 4010) require each member of a controlled group to submit financial and actuarial information to PBGC under certain circumstances. Section 4010 specifies that each controlled group member must provide PBGC with certain financial information, including audited (if available) or (if not) unaudited financial statements. Section 4010 also specifies that the controlled group must provide PBGC with certain actuarial information necessary to determine the liabilities and assets for all PBGC-covered plans.

PBGC's 4010 regulation specifies the items of identifying, financial, and actuarial information that filers must submit under section 4010, through PBGC's e-filing portal. Computer-assisted analysis of this information helps PBGC to anticipate possible major demands on the pension insurance system and to focus PBGC resources on situations that pose the greatest risks to that system. Because other sources of information are usually not as current as the section 4010 information and do not reflect a plan's termination liability, the section 4010 filing plays a major role in PBGC's ability to protect participant and premium-payer interests.

PBGC estimates that 400 controlled groups will submit filings under part 4010 each year. The total estimated annual hourly and cost burdens of the information collection are 800 hours and \$11,080,000.

The collection of information has been approved under OMB control number 1212-0049 (expires March 31, 2023). PBGC intends to request that OMB extend its approval, without modifications, for another 3 years. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

PBGC is soliciting public comments to—

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodologies and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submission of responses.
