DEPARTMENT OF COMMERCE

International Trade Administration

Amended Trade Mission Date and Application Deadline to the Clinical Waste Management Mission to Indonesia and Malaysia

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Notice.

Background

Clinical Waste Management Mission

The International Trade Administration has determined that to allow for optimal execution of recruitment and event scheduling for the mission, the dates of the mission are postponed from March 6–10, 2023 to September 11–15, 2023. As a result of the shift of the event dates the application deadline is also revised to June 30, 2023. Applications may be accepted after that date if space remains and scheduling constraints permit.

Proposed Timetable

Note: The final schedule and potential site visits will depend on the availability of host government and business officials, specific goals of mission participants, and ground transportation.
