Title: National Transit Asset Management (TAM) System.

OMB Number: 2132–0579.

Background: Transit Asset Management (TAM) is a business model that prioritizes funding based on the condition of transit assets to achieve and maintain a state of good repair for the nation's public transportation assets. The TAM program enables transit agencies to implement strategic approaches to monitoring, maintaining, and replacing transit assets. Federal requirements for transit asset management applies to all recipients and sub-recipients of Chapter 53 funds that own, operate, or manage public transportation capital assets. It is a framework for transit agencies to monitor and manage public transportation assets, improve safety, increase reliability and performance, and establish performance measures in order to help agencies keep their systems operating smoothly and efficiently. FTA's TAM rule requires transit agencies to develop a compliant TAM plan, set performance targets for capital assets, create data and narrative reports on performance measures, and coordinate with their planning partners. Transit agencies are required to submit their performance measures and targets to the National Transit Database.

Respondents: All recipients and sub-recipients of Chapter 53 funds that own, operate, or manage public transportation capital assets.

Estimated Annual Number of Respondents: 2,915.

Estimated Annual Number of Responses: 932.

Estimated Total Annual Burden: 378,004.

Frequency: Annual.

Title: 49 U.S.C. 5339 Bus and Bus Facilities Program.

OMB Number: 2132–0576.

Background: The Buses and Bus Facilities Program (49 U.S.C. 5339) makes federal resources available to states, designated recipients, and local governmental entities that operate fixed route bus service to replace, rehabilitate, and purchase buses and related equipment and to construct bus-related facilities including technological changes or innovations to modify low- or no-emission vehicles or facilities. Funding is provided through formula allocations and competitive grants. Two sub-programs provide competitive grants for buses and bus facility projects, including one that supports low and zero-emission vehicles. Under this renewal FTA will seek to update the name of this information collection to Buses and Bus Facilities Formula, Competitive and Low or No Emissions Program to coincide with eligible funding activities.

Respondents: State or local governmental entities; and federally

recognized Indian tribes that operate fixed route bus service that are eligible to receive direct grants under 5307 and 5311.

Estimated Annual Number of Respondents: 1,035 respondents.

Estimated Annual Number of Responses: 1,035 responses.

Estimated Total Annual Burden: 57,830 hours.

Frequency: Annually.

Title: 49 U.S.C. Section 5337 State of Good Repair Program.

OMB Number: 2132-0577.

Background: 49 U.S.C. Section 5337, the State of Good Repair Grants Program authorizes the Secretary of Transportation to make grants to designated recipients to maintain, replace, and rehabilitate high intensity fixed guideway systems and high intensity motorbus systems in a state of good repair. Projects that are eligible for the State of Good Repair Program funds must be in a recipient's Transit Asset Management plan. Eligible recipients

include state and local governmental authorities in urbanized areas with high intensity fixed guideway systems and/or high intensity motorbus systems operating for at least seven years. Projects are funded at 80 percent federal with a 20 percent local match requirement by statute. FTA will apportion funds to designated recipients. The designated recipients will then allocate funds as appropriate to recipients that are public entities in the urbanized areas. FTA can make grants to direct recipients after sub-allocation of funds. Recipients apply for grants electronically, and FTA collects milestone and financial status reports from designated recipients on a quarterly basis. The Competitive Rail Vehicle Replacement Grant (Rail Program) is a discretionary grant program to assist in funding the replacement of rail rolling stock. The Rail Program (49 U.S.C. 5337(f)) a set-aside of the State of Good Repair Formula Grants Program (49 U.S.C. 5337).

The information submitted ensures FTA's compliance with applicable federal laws.

Respondents: States and local governmental authorities.

Estimated Annual Number of Responses: 1,044.

Estimated Total Respondents: 68.

Estimated Total Annual Burden: 13,217 hours.

Frequency: Annual.
