

appropriate entries without regard to antidumping duties.⁶

Consistent with Commerce's clarification of its assessment practice, for entries of subject merchandise during the POR produced by any of the above-referenced respondents for which they did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate in the original less-than-fair-value (LTFV) investigation of 7.08 percent *ad valorem*⁷ if there is no rate for the intermediate company(ies) involved in the transaction.⁸

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the companies listed above will be equal to the weighted-average dumping margin established in these final results; (2) for previously investigated or reviewed companies not subject to this review, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation, but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of the proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers and exporters will continue to be 7.08 percent *ad valorem*, the all-others rate established in the LTFV investigation.⁹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing

duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5).

Dated: November 9, 2022.

⁶ Commerce previously determined that the following companies should be treated as a single entity: Alcha International; Jiangsu Alcha Aluminum Co., Ltd.; and Baotou Alcha Aluminum Co., Ltd. (Baotou Alcha). Additionally, Commerce previously determined that Jiangsu Alcha Aluminum Group Co., Ltd. (Jiangsu Alcha) is the successor-in-interest to Jiangsu Alcha Aluminum Co., Ltd. Accordingly, we are treating the single entity of Alcha International, Jiangsu Alcha, and Baotou Alcha (collectively, Alcha) as the companies under review in this proceeding.

⁸ See the Domestic Industry's Letter, "3rd Administrative Review of the Antidumping Duty Order on Common Alloy Aluminum Sheet from the People's Republic of China—Domestic Industry's Partial Withdrawal of Review Request," dated April 25, 2022 (Domestic Industry's Partial Withdrawal of Review).

International submitted a letter stating that neither company was entitled to a separate rate, due to changes in the companies' government control status.⁹

On October 26, 2022, we extended the deadline for these preliminary results of review, until November 8, 2022.¹⁰ The period of review (POR) is February 1, 2021, through January 31, 2022.

For details regarding the events that occurred subsequent to the initiation of the review, see the Preliminary Decision Memorandum.¹¹ A list of topics discussed in the Preliminary Decision Memorandum is included as the appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The merchandise covered by the *Order* is common alloy aluminum sheet from China. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.213.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if all parties that requested a review withdraw their requests within 90 days of the publication date of the notice of initiation of the requested review. The domestic industry withdrew its request for administrative review of Yinbang Clad within 90 days

⁹ See Jiangsu Alcha and Alcha International's Letter, "Common Alloy Aluminum Sheet from the People's Republic of China: Notice Regarding Alcha," dated May 12, 2022 (Alcha International's May 12th Submission).

of the date of the publication of the *Initiation Notice*,¹² and no other interested parties requested a review of Yinbang Clad. Accordingly, Commerce is rescinding this review with respect to Yinbang Clad, in accordance with 19 CFR 351.213(d)(1).

Separate Rates

None of the companies within the Alcha entity submitted a separate rate application or certification. Further, Jiangsu Alcha and Alcha International submitted a letter stating they are not entitled to submit a separate rate application in this administrative review due to a change in their government control status.¹³ Accordingly, we preliminarily find that Alcha has not established its eligibility for a separate rate.¹⁴ For additional information, see the Preliminary Decision Memorandum.

China-Wide Entity

In accordance with Commerce's policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the China-wide entity.¹⁵ Because no party requested a review of the China-wide entity, the China-wide entity is not under review and the weighted-average dumping margin for the China-wide entity is not subject to change (*i.e.*, 59.72 percent).¹⁶ Because Alcha did not demonstrate its eligibility for a separate rate, we preliminarily consider Alcha¹⁷ to be part of the China-wide entity.

Disclosure and Public Comment

Normally, Commerce discloses the calculations used in its analysis to parties in a review within five days of the date of publication of the notice of preliminary results, in accordance with 19 CFR 351.224(b). However, in this case, there are no calculations on the record to disclose.

Interested parties may submit case briefs no later than 30 days after the date of publication of these preliminary

Oral arguments at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined.²² Parties should confirm by telephone the date and time of the hearing two days before the scheduled date of the hearing.

All submissions must be filed electronically using ACCESS.²³ An electronically filed document must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time (ET) on the due date.²⁴ Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information until further notice.²⁵

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in any briefs, within 120 days of publication of these preliminary results of review in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Assessment Rates

Upon issuance of the final results, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review, in accordance with 19 CFR 351.212(b)(1). If the preliminary results are unchanged for the final results, we will instruct CBP to apply an *ad valorem* assessment rate of 59.72 percent to all entries of subject merchandise during the POR which were exported by Alcha.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

Commerce will instruct CBP to require a cash deposit for antidumping duties equal to the weighted-average amount by which the normal value exceeds U.S. price. The following cash deposit requirements will be effective for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register**, as provided by section 751(a)(2)(C) of the Act: (1) for previously investigated or reviewed Chinese and non-Chinese exporters that have separate rates, the cash deposit rate will continue to be the exporter-specific rate established in the most recently completed segment of this proceeding; (2) for all Chinese exporters of subject merchandise which have not been found to be entitled to a separate rate, including Alcha, the cash deposit rate will be the rate for the China-wide entity (*i.e.*, 59.72 percent)²⁶ and (3) for all non-Chinese exporters of subject merchandise that have not received their own rate, the cash deposit rate will be the rate applicable to the China exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate

regarding the reimbursement of antidumping duties and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties and/or countervailing duties has occurred, and the subsequent assessment of double antidumping duties and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 351.221(b)(4).
