SUPPLEMENTARY INFORMATION:

I. Abstract

The Patent Law Treaties Implementation Act of 2012 (PLTIA) implements the provisions of the Patent Law Treaty (PLT) in title II. PLT Article 13 provides for the restoration of the right of priority where there is a failure to timely claim priority to the prior application, and also where there is a failure to file the subsequent application within 12 months of the filing date of the priority application.

The United States Patent and Trademark Office (USPTO) rules of practice are consistent with the PLT and title II of the PLTIA. Section 201(c) of the PLTIA amended 35 U.S.C. 119 to provide that the 12 month periods set forth in 35 U.S.C. 119(a) and (e) may be

extended by an additional 2 months if the delay in filing an application claiming priority to a foreign application or the benefit of a provisional application within that 12-month period was unintentional.

The information in this information collection is necessary so that patent applicants and/or patentees may seek restoration of the right of priority to a prior-filed foreign application or of the right to the benefit of a prior-filed provisional application. The USPTO will use the petition to restore the right of priority to a prior filed foreign application or the right to the benefit of a prior-filed provisional application to determine whether the applicant has satisfied the conditions of the applicable statute (35 U.S.C. 119) and regulation (37 CFR 1.55(c) or 1.78(b)).

SUPPLEMENTARY INFORMATION: Under the PRA, 44 U.S.C. 3501 *et seq.*, Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. "Collection of Information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3 and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA, 44 U.S.C. 3506(c)(2)(A), requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the Commission is publishing notice of the proposed extension of the collection listed below. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.¹

Title: Requirements for Derivatives Clearing Organizations (OMB Control No. 3038-0076). This is a request for extension of a currently approved information collection.

Abstract: Commission Regulations 39.10, 39.11, 39.12, 39.13, 39.14, 39.15,

39.16, 39.18, 39.19, 39.21, 39.24 and 39.27 establish reporting requirements for registered derivatives clearing organizations ("DCOs"). Subpart C of part 39 includes additional requirements for systemically important DCOs and DCOs that elect to be subject to Subpart C. The rules establish reporting and recordkeeping requirements that implement Section 5b of the Commodity Exchange Act (CEA), and are necessary for the Commission to assess compliance of DCOs and DCO applicants with requirements prescribed in the CEA and Commission regulations.

With respect to the collection of information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;

- The accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and

- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology; *e.g.*, permitting electronic submission of responses.

All comments must be submitted in English, or if not, accompanied by an English translation. Comments will be posted as received to <https://www.cftc.gov>. You should submit only information that you wish to make available publicly.
