I. Background: OFCCP administers and enforces the three equal employment opportunity authorities listed below.

- Executive Order 11246, as amended (E.O. 11246)
- Section 503 of the Rehabilitation Act of 1973, as amended (Section 503)
- Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended (VEVRAA)

These authorities prohibit employment discrimination by covered federal contractors and subcontractors and require that they take affirmative action to provide equal employment opportunity regardless of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or status as a protected veteran. Additionally, federal contractors and subcontractors are prohibited from discriminating against applicants and employees for inquiring about, discussing, or disclosing information about their pay or, in certain circumstances, the pay of their co-workers.

E.O. 11246 applies to federal contractors and subcontractors and to federally assisted construction contractors holding a government contract in excess of \$10,000, or government contracts that have, or can reasonably be expected to have, an aggregate total value exceeding \$10,000 in a 12-month period. E.O. 11246 also applies to government bills of lading, depositories of federal funds in any amount, and financial institutions that are issuing and paying agents for U.S. savings bonds.

Section 503 prohibits employment discrimination against applicants and employees because of physical or mental disability and requires contractors and subcontractors to take affirmative action to employ and advance in employment qualified individuals with disabilities. Section 503 applies to federal contractors and subcontractors with contracts in excess of \$15,000.¹ VEVRAA requires contractors to take affirmative action to employ, and advance in employment, qualified protected veterans. VEVRAA applies to federal contractors and subcontractors with contracts of \$150,000 or more.²
