Request for Comments

CBRA requires consultation with the appropriate Federal, State, and local officials on the proposed CBRS boundary modifications to reflect changes that have occurred in the size or location of any unit as a result of natural forces (16 U.S.C. 3503(c)). We therefore invite interested Federal, State, and local officials to review and comment on the draft revised boundaries for Michigan, Minnesota, Mississippi, North Carolina, Ohio, South Carolina, Texas, and Wisconsin. The Service is specifically notifying the following stakeholders concerning the availability of the draft revised boundaries: (1) the Chair and Ranking Member of the House of Representatives Committee on Natural Resources; the Chair and Ranking Member of the Senate Committee on Environment and Public Works; and the members of the Senate and House of Representatives for the affected areas; (2) the governors of the affected areas; (3) State and local officials with floodplain management and/or land use responsibilities; and (4) Federal officials with knowledge of the coastal geomorphology within the project area.

Federal, State, and local officials may submit written comments and accompanying data as described in **ADDRESSES**, above. Comments regarding specific CBRS unit(s) should reference the appropriate unit number(s) and unit name(s). Please note that boundary modifications through the 5-year review process can only be made to reflect changes that have occurred in the size or location of any CBRS unit as a result of natural forces. Other requests for changes to the CBRS outside of the Service's administrative authorities (e.g., the removal of structures from a unit) will not be considered at this time. We must receive comments on or before the date listed above in **DATES**.

Following the close of the comment period, the Service will review all comments received on the draft revised boundaries; adjust the boundaries, as appropriate; prepare final revised maps; and publish a notice in the **Federal Register** to announce the availability of the final revised maps. The revised maps will take effect upon the date of publication of that notice in the **Federal Register**.

Availability of Draft Revised Coastal Barrier Resources System Boundaries and Related Information

The draft revised boundaries may be viewed in a web mapping application accessed from the Service's website at <https://www.fws.gov/project/cbrs-5-year-review>. A shapefile of the draft revised CBRS boundaries, which can be used with GIS software, is also available for download. The shapefile is best viewed using the base imagery to which the boundaries were drawn; the base imagery sources and dates are included in the metadata for the shapefile. The Service is not responsible for any misuse or misinterpretation of the shapefile.

Interested parties who are unable to access the draft revised boundaries or other information online may contact the individual identified in **FOR FURTHER INFORMATION CONTACT**, above, and reasonable accommodations will be made.

ACTION: Notice of official filing.

SUMMARY: The plats of survey of the following described lands are scheduled to be officially filed in the Bureau of Land Management (BLM), Colorado State Office, Lakewood, Colorado, 30 calendar days from the date of this publication. The surveys, which were executed at the request of the U.S. Forest Service and the BLM, are necessary for the management of these lands.

DATES: Unless there are protests of this action, the plats described in this notice will be filed on December 22, 2022.

ADDRESSES: You may submit written protests to the BLM Colorado State Office, Cadastral Survey, 2850 Youngfield Street, Lakewood, CO 80215-7210.

FOR FURTHER INFORMATION CONTACT: David W. Ginther, Acting Chief Cadastral Surveyor for Colorado, telephone: (970) 826-5064; email:

dginther@blm.gov. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: The plat and field notes of the dependent resurvey and subdivision of sections in Township 27 South, Range 70 West, Sixth Principal Meridian, Colorado, were accepted on September 27, 2022.

The plat and field notes of the dependent resurvey and survey in Township 10 South, Range 103 West, Sixth Principal Meridian, Colorado, were accepted on October 14, 2022.

The supplemental plat of section 31 in Township 13 South, Range 86 West, Sixth Principal Meridian, Colorado, was accepted on November 4, 2022.

The supplemental plat of section 6 in Township 14 South, Range 86 West, Sixth Principal Meridian, Colorado, was accepted on November 4, 2022.

A person or party who wishes to protest any of the above surveys must file a written notice of protest within 30 calendar days from the date of this publication at the address listed in the **ADDRESSES** section of this notice. A statement of reasons for the protest may be filed with the notice of protest and must be filed within 30 calendar days after the protest is filed. If a protest against the survey is received prior to the date of official filing, the filing will be stayed pending consideration of the protest. A plat will not be officially filed until the day after all protests have been dismissed or otherwise resolved. Before including your address, phone number, email address, or other personal identifying information in your protest, please be aware that your entire protest, including your personal identifying information, may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
