SUPPLEMENTARY INFORMATION:

Background: The Secretary of Commerce established the REEEAC pursuant to discretionary authority and in accordance with the Federal Advisory Committee Act, as amended (5 U.S.C. App.), on July 14, 2010. The REEEAC was re-chartered most recently on May 27, 2022. The REEEAC provides the Secretary of Commerce with advice from the private sector on the development and administration of programs and policies to expand the export competitiveness of U.S. renewable energy and energy efficiency products and services. More information about the REEEAC, including the list of appointed members for this charter, is published online at <http://trade.gov/reeeac>.

On December 7, 2022, the REEEAC will hold the first meeting of its current charter term. The Committee, with officials from the Department of Commerce and other agencies, will discuss major issues affecting the competitiveness of the U.S. renewable energy and energy efficiency industries, determine sub-committee structure, and provide consultation on REEEAC leadership. An agenda will be made available by December 2, 2022 upon request to Cora Dickson.

The meeting will be open to the public and will be accessible to people with disabilities. All guests are required to register in advance by the deadline identified under the **DATE** caption. Requests for auxiliary aids must be submitted by the registration deadline. Last minute requests will be accepted but may not be possible to fill.

A limited amount of time before the close of the meeting will be available for oral comments from members of the public attending the meeting. To accommodate as many speakers as possible, the time for public comments will be limited to two to five minutes per person (depending on number of public participants). Individuals wishing to reserve speaking time during the meeting must contact Cora Dickson using the contact information above and submit a brief statement of the general nature of the comments, as well as the name and address of the proposed participant, by 5:00 p.m. EDT on Friday, December 2, 2022. If the number of registrants requesting to make statements is greater than can be reasonably accommodated during the meeting, the International Trade Administration may conduct a lottery to determine the speakers. Speakers are requested to submit a copy of their oral comments by email to Cora Dickson for distribution to the participants in advance of the meeting.

Any member of the public may submit written comments concerning the REEEAC's affairs at any time before or after the meeting. Comments may be submitted via email to the Renewable Energy and Energy Efficiency Advisory Committee, c/o: Cora Dickson, Designated Federal Officer, Office of Energy and Environmental Industries, U.S. Department of Commerce; Cora.Dickson@trade.gov. To be considered during the meeting, public comments must be transmitted to the REEEAC prior to the meeting. As such, written comments must be received no later than 5:00 p.m. EDT on Friday, December 2, 2022. Comments received after that date will be distributed to the members but may not be considered at the meeting.

Copies of REEEAC meeting minutes will be available within 30 days following the meeting.

Man K. Cho,

Deputy Director, Office of Energy and Environmental Industries.

Certain Cased Pencils From the People's Republic of China: Final Results of the Expedited Fifth Sunset Review of the Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of this sunset review, the U.S. Department of Commerce (Commerce) finds that revocation of the antidumping duty (AD) order on certain cased pencils (pencils) from the People's Republic of China (China) would be likely to lead to the continuation or recurrence of dumping at the level indicated in the "Final Results of Review" section of this notice.

DATES: Applicable November 23, 2022.

FOR FURTHER INFORMATION CONTACT: Katherine Johnson, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4929.

SUPPLEMENTARY INFORMATION:

Background

On August 1, 2022, Commerce published the notice of initiation of the fifth sunset review of the *Order*¹ on pencils from China pursuant to section 751(c)(2) of the Tariff Act of 1930, as amended (the Act).² On August 8, 15, and 16, 2022, respectively, Commerce received notices of intent to participate from the Dixon Ticonderoga Company (Dixon), Musgrave Pencil Company (Musgrave), and LaRose Industries LLC dba Cra-Z-Art (LaRose) (collectively, the domestic interested parties) within the deadline specified in 19 CFR 351.218(d)(1)(i).³ These companies claimed interested party status under section 771(9)(C) of the Act as domestic producers of pencils in the United States.

Commerce received complete substantive responses from Dixon and Musgrave/LaRose on August 26 and 31, 2022, respectively, within the 30-day

¹ See *Antidumping Duty Order: Certain Cased Pencils from the People's Republic of China*, 59 FR 66909 (December 28, 1994) (*Order*).

² See *Initiation of Five-Year (Sunset) Reviews*, 87 FR 46943 (August 1, 2022).

³ See Dixon's Letter, "Dixon Notice of Intent to Participate (Fifth Review)," dated August 8, 2022; Musgrave's Letter, "Notice of Intent to Participate," dated August 15, 2022; and LaRose's Letter, "Notice of Intent to Participate," dated August 16, 2022.

deadline specified in 19 CFR 351.218(d)(3)(i).⁴ No respondent interested party submitted a substantive response within the 50-day deadline. On September 20, 2022, Commerce notified the U.S. International Trade Commission that it did not receive an adequate substantive response from respondent interested parties in this sunset review.⁵ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce is conducting an expedited (120-day) sunset review of the *Order*.

Scope of the Order

The merchandise covered by the *Order* is certain cased pencils of any shape or dimension which are writing and/or drawing instruments that feature cores of graphite or other materials, encased in wood and/or man-made materials, whether or not decorated and whether or not tipped (e.g., with erasers, *etc.*) in any fashion, and either sharpened or unsharpened.

The subject merchandise is currently provided for in item 9609.10.10 of the Harmonized Tariff Schedule of the United States (HTSUS). While the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of this order is dispositive.⁶

Analysis of Comments Received

All issues raised in this sunset review are addressed in the accompanying Issues and Decision Memorandum.⁷ A list of topics discussed in the Issues and Decision Memorandum is included as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. A complete version of the Issues and Decision Memorandum can be accessed directly at [https://](https://access.trade.gov/public/FRNotices/ListLayout.aspx)

access.trade.gov/public/FRNotices/ListLayout.aspx.

Final Results of Review

Pursuant to sections 751(c)(1) and 752(c)(1) and (3) of the Act, Commerce determines that revocation of the *Order* would be likely to lead to the continuation or recurrence of dumping, and that the magnitude of the margin likely to prevail is up to 53.65 percent.

Administrative Protective Order

This notice also serves as the only reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

We are issuing and publishing these final results and notice in accordance with sections 751(c), 752(c), and 777(i)(1) of the Act, and 19 CFR 351.218(e)(1)(ii)(C)(2) and 19 CFR 351.221(c)(5)(ii).

Dated: November 17, 2022.

Lisa W. Wang,

Assistant Secretary for Enforcement and Compliance.

National Oceanic and Atmospheric Administration

Public Meeting of the Ocean Exploration Advisory Board

AGENCY: Office of Oceanic and Atmospheric Research (OAR), National

Oceanic and Atmospheric Administration (NOAA), Department of Commerce (DOC).

ACTION: Notice of public meeting.

SUMMARY: This notice sets forth the schedule and proposed agenda for a meeting of the Ocean Exploration Advisory Board (OEAB). OEAB members will discuss and provide advice on the Federal ocean exploration program, with a particular emphasis on the topics identified in the section on Matters to Be Considered.

DATES: The announced meeting is scheduled for Tuesday, November 29, 2022 from 12 p.m.–3 p.m. (EST).

ADDRESSES: This will be a virtual meeting. Information about how to participate will be posted to the OEAB website at <https://oeab.noaa.gov/>.

FOR FURTHER INFORMATION CONTACT: Mr. David Turner, Designated Federal Officer, Ocean Exploration Advisory Board, National Oceanic and Atmospheric Administration, david.turner@noaa.gov or (859) 327–9661.

SUPPLEMENTARY INFORMATION: NOAA established the OEAB under the Federal Advisory Committee Act (FACA) and legislation that gives the agency statutory authority to operate an ocean exploration program and to coordinate a national program of ocean exploration. The OEAB advises NOAA leadership on strategic planning, exploration priorities, competitive ocean exploration grant programs, and other matters as the NOAA Administrator requests.

OEAB members represent government agencies, the private sector, academic institutions, and not-for-profit institutions involved in all facets of ocean exploration—from advanced technology to citizen exploration.

In addition to advising NOAA leadership, NOAA expects the OEAB to help to define and develop a national program of ocean exploration—a network of stakeholders and partnerships advancing national priorities for ocean exploration.

Matters To Be Considered: The OEAB will receive an overview of Ocean Exploration operations and information about NOAA's Ocean Exploration Cooperative Institute; receive an update on the status of a dedicated ocean exploration vessel; and learn about collateral duties. The board will discuss and deliberate on the topics. The agenda and other meeting materials will be made available on the OEAB website at <https://oeab.noaa.gov/>.

Status: The meeting will be open to the public via remote access. Please
