39 CFR Part 111

New Mailing Standards for Domestic Mailing Services Products

AGENCY: Postal Service

ACTION: Final rule.

SUMMARY: On October 7, 2022, the Postal Service (USPS®) filed a notice of mailing services price adjustments with the Postal Regulatory Commission (PRC), effective January 22, 2023. This final rule contains the revisions to Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®) to implement the changes coincident with the price adjustments and other DMM changes.

DATES: Effective Date: January 22, 2023.

FOR FURTHER INFORMATION CONTACT: Doriane Harley at (202) 268–2537 or Dale Kennedy at (202) 268–6592.

SUPPLEMENTARY INFORMATION: On November 28, 2022, the PRC favorably reviewed the price adjustments proposed by the Postal Service. The price adjustments and DMM revisions are scheduled to become effective on January 22, 2023. Final prices are available under Docket No. R2023–1 (Order No. 6341) on the Postal Regulatory Commission’s website at www.prc.gov.

Discount for Marketing Mail Flats on SCF pallets

Currently, the Postal Service offers discounts for Carrier Route, High Density, High Density Plus, and Saturation Flats on 5-Digit or 5-Digit scheme (direct) containers. Similar discounts would now be offered to flat-shaped Marketing Mail pieces on SCF pallets. This proposed discount will be applicable to Automation and Nonautomation (3-Digit and 5-Digit Presort) Flats, Carrier Route Flats, High Density Flats, High Density Plus Flats and Saturation Flats on SCF pallets regardless of the entry (None, DNDC, and DSCF). This preparation assures that no bundle sorting is required prior to the final processing plant.

Eliminate Zip Coding of Mailing Lists and Correction of Mailing Lists as AMS Products

The Postal Service offers mailing list services for manual correction of name and address on occupant lists and manual sorting of mailing lists on cards by 5-digit ZIP code. The Postal Service is proposing to discontinue these two services due to low volume usage and the availability of other Address Management products that allows more efficient access to the same information in an electronic format.

Elimination of Legacy Extra Service Labels

In an attempt to reduce duplicate labels, the Postal Service is eliminating the following legacy labels: PS 153 Signature Confirmation, PS 3800 Certified Mail, PS 3813 Insured Mail $500 and under, and PS 3813–P Insured Mail over $500. These labels will be replaced with IMpb compliant versions. Mailers that continue to use the eliminated labels will be subject to the IMpb Noncompliance Fee.

2023 Mailing Promotions

The Postal Service has been incentivizing mailers to integrate mobile technology and use innovative print techniques in commercial mail since 2012. These promotions have become an integral way for industry to try new things and innovate their mail campaigns. A 2023 Promotions Calendar is planned with opportunities for mailers to receive a postage discount by applying treatments or integrating technology in their mail campaigns.

8.1.3 Address Changes to Election Boards and Voter Registration Commissions

For the designated fee, the USPS provides address changes to election boards and voter registration commissions.

8.2 Election Boards and Voter Registration Commissions

8.2.1 General

Election boards or voter registration commissions may use the “Return Service Requested” endorsement and/or the National Change of Address Linkage System (NCOALink) to maintain current address lists.

8.2.2 Fee Assessment

The fee for address changes provided to election boards and voter registration commissions is assessed for each Form 3575 submitted. The fee is collected on a per card basis regardless of the number of changes made on the card and whether the change concerns a person on the board’s or commission’s list of registrants. Instead of the actual forms, the USPS may supply facsimiles of the forms or copies of the information they contain at no additional fee.

8.2.3 Procedure

Election boards or voter registration commissions using permanent registration may obtain residential change-of-address information from Forms 3575:

a. An authorized official of the board or commission must sign and submit to the manager, address management systems (district), a written request that lists the Post Offices for which change-of-address information is desired.

b. If the request is approved, an agreement must be obtained from and signed by an authorized official of the board or commission detailing the terms under which the change-of-address information is to be released.

c. The board or commission receives the requested information from the postmasters of the listed Post Offices and pays those postmasters the applicable fees.
