General Description of Collection: The Peace Corps experienced unprecedented challenges during the COVID-19 pandemic, including recalling its entire Volunteer workforce in March 2020. The Peace Corps will launch a new national awareness and recruitment campaign as it returns to full service to promote the organization, its mission, goals, and values, and to attract and recruit qualified and diverse Volunteer applicants. The Peace Corps' Office of Communications will use the information collected by the Peace Corps Awareness and Affinity: National Survey of U.S. Adults to help assess the effectiveness of the new campaign. The survey will also collect information to help broaden the pool of potential Volunteers and engage more diverse audiences. This information collection will also be used to gather information and insights to identify key audience segments and help ensure the efficiency and success of future marketing efforts by:

- Identifying levels of awareness, knowledge, attitudes and opinions about the Peace Corps among the general U.S. public and targeted audience segments;
- Collecting insights to inform communications, education, and outreach strategies by understanding which themes resonate most with different audience segments; and,
- Determining the best channels for communication.

The Office of Communications will conduct this survey twice: once to serve as a baseline prior to the launch of its national awareness and recruitment campaign, and once after the campaign has launched to assess campaign impact.

Request for Comment: Peace Corps invites comments on whether the proposed collections of information are necessary for proper performance of the functions of the Peace Corps, including whether the information will have practical use; the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the information to be collected; and, ways to minimize the burden of the collection of information on those who are to respond, including through the use of automated collection techniques, when appropriate, and other forms of information technology.

This notice is issued in Washington, DC, on December 13, 2022.

Brianna Johnson,
Acting FOIA/Privacy Act Officer,

SUPPLEMENTARY INFORMATION:

The Pension Benefit Guaranty Corporation (PBGC or the Corporation) administers the pension plan termination insurance program under Title IV of the Employee Retirement Income Security Act of 1974 (ERISA). Section 4002(h) of ERISA provides for the establishment of an Advisory Committee to the Corporation. The Advisory Committee consists of seven members appointed by the President from among individuals recommended by the PBGC Board of Directors, which consists of the Secretaries of Labor, Treasury, and Commerce. The Advisory Committee members are as follows: Two representatives of employee organizations; two representatives of employers who maintain pension plans; and three representatives of the general public.

No more than four members of the Committee shall be members of the same political party. Anyone currently subject to federal registration requirements as a lobbyist is not eligible for appointment.

defined benefit pension plans, the administration or advising of pension plans, or in related fields. Appointments are for 3-year terms. Reappointments are possible but are subject to the appointment process.

The Advisory Committee's prescribed duties include advising the Corporation as to its policies and procedures relating to investment of moneys, and other issues as the Corporation may request or as the Advisory Committee determines appropriate. The Advisory Committee meets at least six times each year. At least one meeting is a joint meeting with the PBGC Board of Directors.

By February 19, 2023, the terms of three of the Advisory Committee members, one representing the general public and two representing employee organizations, will have expired. Therefore, PBGC is seeking nominations for three seats.

PBGC is committed to equal opportunity in the workplace and seeks a broad-based and diverse Advisory Committee.

PBGC will contact nominees for information on their political affiliation and their status as registered lobbyists. Nominees should be aware of the time commitment for attending meetings and actively participating in the work of the Advisory Committee. Historically, this has meant a commitment of at least 15

days per year. PBGC has a process for vetting nominees under consideration for appointment.
