POSTAL SERVICE

Privacy Act of 1974; System of Records

AGENCY: Postal Service®.

ACTION: Notice of modified system of records.

SUMMARY: The United States Postal Service® (USPS) is proposing to revise a Customer Privacy Act System of Records (SOR). The proposed modifications will provide additional transparency into the collection and use of records for the USPS to administer and comply with Bank Secrecy Act (BSA), Anti-Money Laundering (AML) and Office of Foreign Assets Control (OFAC) requirements.

The Postal Service is focused on continuous improvement efforts that increase effectiveness and efficiency, such as enhancements to functionality and processing capabilities that support ongoing administrative and compliance activities.

DATES: These revisions will become effective without further notice on February 3, 2023, unless responses to comments received on or before that date result in a contrary determination.

ADDRESSES: Comments may be submitted via email to the Privacy and Records Management Office, United States Postal Service Headquarters (uspsprivacyfedregnotice@usps.gov). To facilitate public inspection, arrangements to view copies of any written comments received will be made upon request.

FOR FURTHER INFORMATION CONTACT: Janine Castorina, Chief Privacy and Records Management Officer, Privacy and Records Management Office, at 202–268–3069 or uspsprivacyfedregnotice@usps.gov.

SUPPLEMENTARY INFORMATION: This notice is in accordance with the Privacy Act requirement that agencies publish their systems of records in the **Federal Register** when there is a revision, change, or addition, or when the agency establishes a new system of records. The Postal Service has determined that Customer Privacy Act System of Records, USPS SOR 860.000, Financial Transactions, should be revised to promote transparency and support ongoing administrative and compliance

activities to meet BSA, AML and OFAC requirements.

I. Background

The Postal Service is defined as a money services business (MSB) under the BSA¹ as it is a provider of money orders, gift cards, international wire transfer services and limited check cashing services to customers throughout the United States. Moreover, the Postal Service is the only entity specifically mentioned in the BSA as being covered by the BSA and therefore has a legal mandate to detect and deter suspicious activities; train those who sell postal financial instruments or services and those who supervise them; and meet federal recordkeeping and reporting requirements.

The Postal Service must also ensure that it is complying with the OFAC requirements and must perform screening for Specially Designated Nationals and Blocked Persons List (SDNs), as defined and mandated by the OFAC. Through strategic monitoring and reporting of financial transactions, the USPS Bank Secrecy Act and Anti-Money Laundering Compliance Program helps the federal government detect and prevent money laundering, terrorist financing, and other illegal activities.

II. Rationale for Changes to USPS Privacy Act Systems of Records

The Postal Service continuously seeks to improve processes to support BSA, AML and OFAC compliance. In the spirit of continuous improvement, planned enhancements to functionality and processing capabilities will be made to support data entry, analysis, queries, and reporting of data, related to potential violations of the BSA, OFAC and AML statutes, regulations, and requirements.

III. Description of the Modified System of Records

The Postal Service is proposing modifications to USPS SOR 860.000, Financial Transactions, in the summary of changes listed below:

- Updated SYSTEM LOCATION to include the BSA and AML Compliance group
- Updated PURPOSE #3 to include the BSA, AML and OFAC requirements
- Updated CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM #3, #4, and #5 with the broader “financial instruments” term
- Updated CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM #6 to include Specially Designated Nationals and Blocked

Persons List (SDNs) as defined and mandated by the OFAC

- Added two new CATEGORIES OF RECORDS IN THE SYSTEM as #8 and #9 to include information collected on the Funds Transaction Report (FTR), Postal Service (PS) Form 8105–A, and Suspicious Transaction Report (STR), PS Form 8105–B
- Updated Special Routine Use a. to include BSA and OFAC requirements
- Added Specially Designated Nationals and Blocked Persons List (SDNs) as defined and mandated by the OFAC to POLICIES AND PRACTICES FOR RETRIEVAL OF RECORD
- Revised #4 and #5 to POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS for new 5-year and one-month retention period
- Updated administrative information in NOTIFICATION PROCEDURES

Pursuant to 5 U.S.C. 552a(e)(11), interested persons are invited to submit written data, views, or arguments on this proposal. A report of the proposed revisions has been sent to Congress and to the Office of Management and Budget (OMB) for their evaluations. The Postal Service does not expect this amended system of records to have any adverse effect on individual privacy rights. USPS SOR 860.000, Financial Transactions is provided below in its entirety:
