The purpose of the WIAC is to provide recommendations to the Secretary of Labor (Secretary), working jointly through the Assistant Secretary for Employment and Training and the Commissioner of Labor Statistics, to address: (1) the evaluation and improvement of the nationwide workforce and labor market information (WLMI) system and statewide systems that comprise the nationwide system; and (2) how the Department and the States will cooperate in the management of those systems. Additional information is available at www.dol.gov/agencies/eta/wioa/wiac/meetings.

Notice To Ensure State Workforce Agencies Are Aware of the Revised Schedule of Remuneration for the Unemployment Compensation for Ex-Servicemembers (UCX) Program That Reflects the Military Pay Increase Effective January 1, 2023

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

Each year, the Department of Defense issues a Schedule of Remuneration used by states for UCX purposes. States must use the schedule to determine Federal military wages for UCX “first claims” only when the Federal Claims Control Center (FCCC) responds to a request for information indicating that there is no Copy 5 of the Certificate of Release or Discharge from Active Duty (DD Form 214) for an individual under the social security number provided. A response

from the FCCC that indicates “no DD214 on file” will prompt the state to start the affidavit process and to use the attached schedule to calculate the Federal military wages for an unemployment insurance or UCX monetary determination.

The schedule applies to UCX “first claims” filed beginning with the first day of the first week that begins on or after January 1, 2023, pursuant to the UCX program regulations (see 20 CFR

614.12(c)). States must continue to use the 2022 schedule (or other appropriate schedule) for UCX “first claims” filed before the effective date of the revised schedule.

Brent Parton,

Acting Assistant Secretary for Employment and Training, Labor.
