**SUPPLEMENTARY INFORMATION:** NSF may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to the points of contact in the **FOR FURTHER INFORMATION CONTACT** section.

*Title of Collection:* Antarctic Conservation Act Application Permit Form.

*OMB Number:* 3145-0034.

*Type of Request:* Intent to seek approval to renew an information collection.

*Overview of this Information*

*Collection:* The current Antarctic Conservation Act Application Permit Form (NSF 1078) has been in use for several years. The form requests general information, such as name, affiliation,

location, etc., and more specific information as to the type of object to be taken (plant, native mammal, or native bird).

*Use of the Information:* The purpose of the regulations (45 CFR 670) is to conserve and protect the native mammals, birds, plants, and invertebrates of Antarctica and the ecosystem upon which they depend and to implement the Antarctic Conservation Act of 1978, Public Law 95-541, as amended by the Antarctic Science, Tourism, and Conservation Act of 1996, Public Law 104-227.

*Burden on the Public:* The Foundation estimates about 25 responses annually at 45 minutes per response; this computes to approximately 19 hours annually.

Dated: January 3, 2023.

#### B. Submitting Comments

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to <https://www.reginfo.gov/public/do/PRAMain>. Find this particular information collection by

selecting “Currently under Review—Open for Public Comments” or by using the search function.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

## II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, “NRC Form 314 Certificate of Disposition of Materials.” The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a **Federal Register** notice with a 60-day comment period on this information collection on August 15, 2022, 87 FR 50128.

1. *The title of the information collection:* “NRC Form 314 Certificate of Disposition of Materials.”

2. *OMB approval number:* 3150–0028.

3. *Type of submission:* Extension.

4. *The form number, if applicable:* Form 314.

5. *How often the collection is required or requested:* Form is required when NRC licensees wish to terminate their license.

6. *Who will be required or asked to respond:* Respondents are firms, institutions, and individuals holding NRC license to possess and use radioactive materials who do not wish to renew those licenses.

7. *The estimated number of annual responses:* 110.

8. *The estimated number of annual respondents:* 110.

9. *The estimated number of hours needed annually to comply with the*

*information collection requirement or request:* 55 hours (110 × 0.5 hour).

10. *Abstract:* NRC Form 314 is submitted by a materials licensee who wishes to terminate its license. The form provides information needed by NRC to determine whether the licensee has radioactive materials on hand which must be transferred or otherwise disposed of prior to expiration or termination of the license.

Dated: January 3, 2023.

For the Nuclear Regulatory Commission.
