### Bureau of Ocean Energy Management

[Docket No. BOEM-2023-0007]

### Gulf of Mexico OCS Oil and Gas Lease Sales 259 and 261: Final Supplemental Environmental Impact Statement

**AGENCY:** Bureau of Ocean Energy Management (BOEM), Interior.

**ACTION:** Notice of availability of a final environmental impact statement.

**SUMMARY:** BOEM announces the availability of a final supplemental environmental impact statement, *Gulf of Mexico OCS Oil and Gas Lease Sales 259 and 261: Final Supplemental Environmental Impact Statement* (GOM Lease Sales 259 and 261 SEIS). The GOM Lease Sales 259 and 261 SEIS provides an analysis of potential environmental impacts of the proposed action and four alternatives and identifies BOEM's preferred alternative.

**DATES:** BOEM will issue a final record of decision no sooner than February 13, 2023.

**ADDRESSES:** The GOM Lease Sales 259 and 261 SEIS with appendices is available for review on BOEM's website at <https://www.boem.gov/GoM-Sales-259-and-261-SEIS>.

**FOR FURTHER INFORMATION CONTACT:**

Helen Rucker, Chief, Environmental Assessment Section, Office of Environment, 1201 Elmwood Park Blvd. (MS GM 623E), New Orleans, LA 70123-2394, or by telephone at 504-736-2421.

**SUPPLEMENTARY INFORMATION:** The GOM Lease Sales 259 and 261 SEIS will inform both lease sales, which the Inflation Reduction Act of 2022 (IRA) (Pub. L. 117-169, enacted August 16, 2022) directs BOEM to hold by the end of March 2023 and September 2023, respectively. While section 50264(a)(3)-(4) of the IRA requires BOEM to hold these lease sales, the IRA does not impact the bulk of BOEM's normal leasing process, including the resolution of particular questions going to the scope of the sales and the terms of the resulting leases. BOEM has prepared the GOM Lease Sales 259 and 261 SEIS to inform its leasing decisions.

On October 7, 2022, the notice of availability for the draft SEIS was published in the **Federal Register** (87 FR 61014), beginning a 45-day public comment period that ended November 21, 2022. During that time, BOEM also held two public hearings. BOEM received a total of 75,918 public comments through the Federal e-Rulemaking Portal (<http://www.regulations.gov>, Docket No. BOEM–2022–0144) and 14 comments during the public hearings. Following the close of the public comment period, BOEM considered all comments received in preparing the Lease Sales 259 and 261 SEIS as appropriate. Detailed responses to the comments are provided in appendix C of the GOM Lease Sales 259 and 261 SEIS. The GOM Lease Sales 259 and 261 SEIS analyzes the potential environmental impacts that could result from an individual Gulf of Mexico oil and gas lease sale. Additionally, it identifies BOEM's preferred alternative as Alternative D combined with Alternative A. Alternative D combined with Alternative A would offer for lease available unleased blocks within all three of BOEM's Gulf of Mexico (GOM) planning areas in the lease sale area that are not under Presidential withdrawal, not adjacent to or beyond the United States Exclusive Economic Zone in the area known as the northern portion of the Eastern Gap, and not within the boundary of the Flower Garden Banks National Marine Sanctuary as of the July 2008 "Memorandum on Modification of the Withdrawal of Areas of the United States Outer Continental Shelf From Leasing Disposition." BOEM may also exclude from leasing any available unleased whole or partial blocks subject to one or more of the following stipulations: (1) Topographic Features Stipulation; (2) Live Bottom Stipulation; and (3) Blocks South of Baldwin County, Alabama, Stipulation. BOEM will announce more information concerning GOM Lease Sales 259 and 261 in its final notice of sale and record of decision for each sale.

**Authority:** The National Environmental Policy Act of 1969, as amended (42 U.S.C. 4321 *et seq.*) and 43 CFR 46.415.

**Amanda Lefton,**

Director, Bureau of Ocean Energy Management.

## INTERNATIONAL TRADE COMMISSION

[Investigation No. 731–TA–669 (Fifth Review)]

### Cased Pencils From China; Scheduling of an Expedited Five-Year Review

**AGENCY:** United States International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** The Commission hereby gives notice of the scheduling of an expedited review pursuant to the Tariff Act of 1930 ("the Act") to determine whether revocation of the antidumping duty order on cased pencils from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

**DATES:** November 4, 2022.

**FOR FURTHER INFORMATION CONTACT:**

Alejandro Orozco (202–205–3177), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for this review may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

**SUPPLEMENTARY INFORMATION:**

**Background.**—On November 4, 2022, the Commission determined that the domestic interested party group response to its notice of institution (87 FR 46998, August 1, 2022) of the subject five-year review was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting a full review.<sup>1</sup> Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of this review and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B

(19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

**Staff report.**—A staff report containing information concerning the subject matter of the review has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for this review on January 31, 2023. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission's rules.

**Written submissions.**—As provided in § 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,<sup>2</sup> and any party other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before February 8, 2023 and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the review by February 8, 2023. However, should the Department of Commerce ("Commerce") extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at [https://www.usitc.gov/documents/handbook\\_on\\_filing\\_procedures.pdf](https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf), elaborates upon the Commission's procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

**Determination.**—The Commission has determined this review is

<sup>1</sup> A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's website.

<sup>2</sup> The Commission has found the responses submitted on behalf of Dixon Ticonderoga Company, Musgrave Pencil Company, Inc., and LaRose Industries LLC dba Cra-Z-Art, domestic producers of cased pencils, to be individually adequate. Comments from other interested parties will not be accepted (*see* 19 CFR 207.62(d)(2)).
