

including diluents, condensates, petroleum, or natural gas products.

Note 1 to paragraph (a)(4). Except as authorized pursuant to the Iranian Transactions Sanctions Regulations, 31 CFR part 560, or otherwise exempt, U.S. persons, wherever located, remain prohibited from engaging in any transaction or dealing in or related to goods or services of Iranian origin, including the purchase or import of Iranian-origin diluents, condensates, petroleum, or natural gas.

(b) This general license does not authorize:

(1) The payment of any taxes or royalties to the Government of Venezuela;

(2) The payment of any dividends, including a dividend in kind, to PdVSA, or any entity in which PdVSA owns, directly or indirectly, a 50 percent or greater interest;

(3) The sale of petroleum or petroleum products produced by or through the Chevron JVs for the exportation to any jurisdiction other than the United States;

(4) Any transaction involving an entity located in Venezuela that is owned or controlled by an entity located in the Russian Federation;

(5) Any expansion of the Chevron JVs into new fields in Venezuela beyond what was in place on January 28, 2019; or

(6) Any transactions otherwise prohibited by the VSR, including transactions involving any person blocked pursuant to the VSR other than the blocked persons described in paragraph (a) of this general license, unless separately authorized.

(c) This authorization automatically renews on the first day of each month and is valid for a period of six months from the effective date of General License No. 41 or the date of any subsequent renewal of General License No. 41, whichever is later.

Note 2 to General License No. 41. Nothing in this general license relieves any person from compliance with the requirements of other Federal agencies, including the Department of Commerce's Bureau of Industry and Security.

Civil Monetary Penalty Inflation Adjustment

AGENCY: Office of the Under Secretary of Defense (Comptroller), Department of Defense (DoD).

ACTION: Final rule.

SUMMARY: The DoD is issuing this final rule to adjust each of its statutory civil monetary penalties (CMP) to account for inflation. The Federal Civil Penalties Inflation Adjustment Act of 1990, as amended by the Debt Collection Improvement Act of 1996 and the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (the 2015 Act), requires the head of each agency to adjust for inflation its CMP levels in effect as of November 2, 2015, under a revised methodology that was effective for 2016 and for each year thereafter.

DATES: This rule is effective January 13, 2023.

FOR FURTHER INFORMATION CONTACT: Dzenana Dzanic, 703-508-9277.

SUPPLEMENTARY INFORMATION:

Background Information

The Federal Civil Penalties Inflation Adjustment Act of 1990, Public Law 101-410, codified at 28 U.S.C. 2461, note, as amended, requires agencies to annually adjust the level of CMPs for inflation to improve their effectiveness and maintain their deterrent effect. Section 2461 requires that not later than July 1, 2016, and not later than January 15 of every year thereafter, the head of each agency must adjust each CMP within its jurisdiction by the inflation adjustment set forth therein. The inflation adjustment is determined by increasing the maximum CMP or the range of minimum and maximum CMPs, as applicable, for each CMP by the cost-of-living adjustment, rounded to the nearest multiple of \$1. The cost-of-living adjustment is the percentage (if any) for each CMP by which the Consumer Price Index (CPI) for the month of October preceding the date of the adjustment exceeds the CPI for the month of October in the previous calendar year.

The initial catch up adjustments for inflation to the DoD's CMPs were published as an interim final rule in the **Federal Register** on May 26, 2016 (81

FR 33389-33391) and became effective on that date. The interim final rule was published as a final rule without change on September 12, 2016 (81 FR 62629-62631), effective that date. The revised methodology for agencies for 2017 and each year thereafter provides for the improvement of the effectiveness of CMPs to maintain their deterrent effect. The DoD is adjusting the level of all civil monetary penalties under its jurisdiction by the Office of Management and Budget (OMB) directed cost-of-living adjustment multiplier for 2023 of 1.07745 prescribed in OMB Memorandum M-23-05, "Implementation of Penalty Inflation Adjustments for 2023, Pursuant to the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015." The DoD's 2023 adjustments for inflation to CMPs apply only to those CMPs, including those whose associated violation predated such adjustment, which are assessed by the DoD after the effective date of the new CMP level.

Statement of Authority and Costs and Benefits

Pursuant to 5 U.S.C. 553(b)B, there is good cause to issue this rule without prior public notice or opportunity for public comment because it would be impracticable and unnecessary. The Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (Section 2461) requires agencies, effective 2017, to make annual adjustments for inflation to CMPs notwithstanding 5 U.S.C. 553. Additionally, the methodology used, effective 2017, for adjusting CMPs for inflation is established in statute, with no discretion provided to agencies regarding the substance of the adjustments for inflation to CMPs. The DoD is charged only with performing ministerial computations to determine the dollar amount of adjustments for inflation to CMPs. Accordingly, prior public notice and an opportunity to comment are not required for this rule. For the same reasons, there is good cause under 5 U.S.C. 553(d)(3) to waive the 30-day delay in effective date.

Further, there are no significant costs associated with the regulatory revisions that would impose any mandates on the DoD, Federal, State or local governments, or the private sector. Accordingly, prior public notice and an opportunity for public comment are not required for this rule. The benefit of this rule is the DoD anticipates that civil monetary penalty collections may increase in the future due to new penalty authorities and other changes in this rule. However, it is difficult to

accurately predict the extent of any increase, if any, due to a variety of factors, such as budget and staff resources, the number and quality of civil penalty referrals or leads, and the length of time needed to investigate and resolve a case.

Regulatory Procedures

Executive Order 12866, “Regulatory Planning and Review” and Executive Order 13563, “Improving Regulation and Regulatory Review”

These Executive Orders direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distribute impacts, and equity). These Executive Orders also emphasize the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has been designated “not significant”, under section 3(f) of Executive Order 12866. Accordingly, this rule has not been reviewed by the OMB under these Executive Orders.

Congressional Review Act, 5 U.S.C. 804(2)

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, generally provides that before a rule may take effect, the agency promulgating the rule must submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. A major rule may take effect no earlier than 60 calendar days after Congress receives the rule report or the rule is published in the **Federal Register**, whichever is later.

This rule is not a major rule, as defined by 5 U.S.C. 804(2).

Unfunded Mandates Reform Act (2 U.S.C. Chapter 25)

Section 202 of the Unfunded Mandates Reform Act of 1995 (UMRA) (2 U.S.C. 1532) requires agencies to assess anticipated costs and benefits before issuing any rule the mandates of which require spending in any year of \$100 million in 1995 dollars, updated annually for inflation. This rule will not mandate any requirements for State, local, or tribal governments, nor will it affect private sector costs.

Public Law 96–354, “Regulatory Flexibility Act” (5 U.S.C. Chapter 6)

The Under Secretary of Defense (Comptroller) certified that this rule is not subject to the Regulatory Flexibility Act (5 U.S.C. 601) because it would not, if promulgated, have a significant economic impact on a substantial number of small entities. Therefore, the Regulatory Flexibility Act, as amended, does not require DoD to prepare a regulatory flexibility analysis.

Public Law 96–511, “Paperwork Reduction Act” (44 U.S.C. Chapter 35)

The Paperwork Reduction Act was enacted to minimize the paperwork burden for individuals; small businesses; educational and nonprofit institutions; Federal contractors; State, local and tribal governments; and other persons resulting from the collection of information by or for the Federal government. The Act requires agencies obtain approval from the OMB before using identical questions to collect information from ten or more persons. This rule does not impose reporting or recordkeeping requirements on the public.

Executive Order 13132, “Federalism”

Executive Order 13132 establishes certain requirements that an agency must meet when it promulgates a rule that imposes substantial direct requirement costs on State and local governments, preempts State law, or otherwise has Federalism implications. This final rule will not have a substantial effect on State and local governments.

Executive Order 13175, “Consultation and Coordination With Indian Tribal Governments”

It has been determined that this rule will not have a substantial effect on Indian tribal governments. This rule does not impose substantial direct compliance costs on one or more Indian tribes, preempt tribal law, or effect the distribution of power and responsibilities between the Federal government and Indian tribes.

Coast Guard

33 CFR Part 165

[Docket Number USCG–2023–0037]

RIN 1625–AA00

Safety Zone; Corpus Christi Shipping Channel, Corpus Christi, TX

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for all navigable waters of the Corpus Christi Shipping Channel in a zone defined by the following coordinates; 27°50’31.28” N, 97°04’17.23” W; 27°50’31.73” N, 97°04’15.44” W; 27°50’29.06” N, 97°04’16.61” W; 27°50’29.32” N, 97°04’14.82” W. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by pipelines that will be removed from the floor of the Corpus Christi Shipping Channel. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port

Sector Corpus Christi or a designated representative.

DATES: This rule is effective without actual notice from January 13, 2023 through 4 a.m. on January 15, 2023. For the purposes of enforcement, actual notice will be used from 8 p.m. on January 9, 2023 until January 13, 2023.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Lieutenant Commander Anthony Garofalo, Sector Corpus Christi Waterways Management Division, U.S. Coast Guard; telephone 361–939–5130, email *CCWaterways@uscg.mil*.

I. Table of Abbreviations

CFR Code of Federal Regulations
 DHS Department of Homeland Security
 FR Federal Register
 NPRM Notice of proposed rulemaking
 § Section
 U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM)

with respect to this rule because it is impracticable. We must establish this safety zone immediately to protect personnel, vessels, and the marine environment from potential hazards created by pipeline removal operations and lack sufficient time to provide a reasonable comment period and then to consider those comments before issuing the rule.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because immediate action is needed to respond to the potential safety hazards associated with pipeline removal operations in the Corpus Christi Shipping Channel.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Sector Corpus Christi (COTP) has determined that potential hazards associated with pipeline removal operations occurring from 8 p.m. on January 9, 2023 through 4 a.m. on January 15, 2023 will be a safety concern for anyone within the Corpus Christi Shipping Channel in a zone defined by the following coordinates; 27°50’31.28” N, 97°04’17.23” W; 27°50’31.73” N, 97°04’15.44” W; 27°50’29.06” N, 97°04’16.61” W; 27°50’29.32” N, 97°04’14.82” W. The purpose of this rule is to ensure safety of vessels and persons on these navigable waters in the safety zone while pipelines are removed
