programs required by the Act. The
CAAAC will provide advice and

the public, the regulated community,
State and local governments, and other

by the Act in order to help effectively

requirements of the Act.

The programs falling under the
purview of the committee include, but
are not limited to, those for meeting
National Ambient Air Quality
Standards, reducing emissions from

of reappointment to additional term(s).
The CAAAC usually meets
approximately 2 times annually and the

EPA values and welcomes diversity. In an effort to obtain nominations of diverse candidates, EPA encourages nominations of women and men of all racial and ethnic groups.
