Abstract: The USGS manages nine Regional CASCs. Each CASC is established through a cooperative agreement with a host institution. The host institution agreements are periodically re-competed, requiring collection of information from potential host institutions. In addition, this information collection addresses quarterly and annual reporting required of host institutions.

Title of Collection: Department of the Interior Regional Climate Adaptation Science Centers.

OMB Control Number: 1028–0096.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Public: Institutions that may propose to serve as CASC host or partner institutions include state, local government, and tribal entities, including academic institutions. Existing host institutions are state academic institutions.

Total Estimated Number of Annual Respondents: The USGS expects to request proposals for a maximum of three CASCs in any year and to receive an average of five proposals per CASC request, for a total of fifteen proposals in any single year. The USGS expects to enter into hosting agreements with a minimum of nine CASC host institutions.

Total Estimated Number of Annual Responses: 63 Responses.

Estimated Completion Time per Response: Each proposal for CASC hosting is expected to take 200 hours to complete. The time required to complete quarterly and annual reports for any specific host cooperative agreement or research project agreement is expected to total 2.5 hours per report.

Total Estimated Number of Annual Burden Hours: 3,120 Hours.

Respondent's Obligation: Required to Obtain or Retain a Benefit.

Frequency of Collection: Information will be collected one time every five years (approximately) for each CASC to enable re-competition of CASC hosting agreements. In addition, host institutions are required to fill four quarterly financial statements and one annual progress report.

Total Estimated Annual Nonhour Burden Cost: There are no “non-hour cost” burdens associated with this collection of information.

An agency may not conduct or sponsor, nor is a person required to respond to, a collection of information unless it displays a currently valid OMB control number.

Submitters of written documents (other than oral hearing statements) are encouraged to include a short summary of their position or interest at the beginning of the document, and a table of contents when the document addresses multiple issues.

Confidential business information: Any submissions that contain confidential business information must also conform to the requirements of section 201.6 of the Commission's Rules of Practice and Procedure (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "non-confidential" version, and that the confidential business information is clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available for inspection by interested parties.

All information, including confidential business information, submitted in this investigation may be disclosed to and used: (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel for cybersecurity purposes.

The Commission will not otherwise disclose any confidential business information in a way that would reveal the operations of the firm supplying the information.

Summaries of written submissions:

Persons wishing to have a summary of their position included in the report should include a summary with their written submission on or before March 28, 2023 and should mark the summary as having been provided for that purpose.
