SUPPLEMENTARY INFORMATION:

I. Background

The RHS offers a variety of programs to build or improve housing and essential community facilities in rural areas. RHS offers loans, grants, and loan guarantees for single- and multifamily housing, childcare centers, fire and police stations, hospitals, libraries, nursing homes, schools, first responder vehicles and equipment, housing for farm laborers. RHS also provides technical assistance loans and grants in partnership with non-profit organizations, Indian tribes, state and federal government agencies, and local communities.

RHS administers the Section 538 Guaranteed Rural Rental Housing Program (GRRHP) under the authority of the Housing Act of 1949, as amended (42 U.S.C. 1490p-2). Under the GRRHP, RHS guarantees loans for the development of housing and related facilities in rural areas.

As mandated by Title V of the Housing Act of 1949, the Agency must give priority to rural areas in which borrowers can best use and need guaranteed loans. 42 U.S.C. 1490p-2(l)(2). 7 CFR 3565.5(b) currently defines "priority projects" as those: in smaller rural communities, in the neediest communities having the highest percentage of leveraging, having the lowest interest rate, having the highest ratio of 3-to-5-bedroom units to total units, or on tribal lands. Some of these specific priorities are no longer relevant.

II. Discussion of the Proposed Rule

RHS is issuing a proposed rule to amend the MFH GRRHP regulation, 7 CFR 3565.5(b) to align the current criteria of priority projects with 42 U.S.C. 1490p-2(l)(2).

Amendments proposed in this rule are designed to increase the supply of affordable rural rental housing by using loan guarantees to encourage partnerships between the RHS, private

lenders, and public agencies. 7 CFR part 3565 sets forth the regulation requirements for the GRRHP which prescribes the policies, authorizations, and procedures for the guarantee of multifamily loans authorized by Section 538, Title V, of the Housing Act of 1949. The GRRHP uses priority points to rank and score applications that are based on criteria that frequently evolve and change depending on the housing market demands, as well as current and future Administrations' priorities. Currently, 7 CFR 3565.5(b) does not afford the flexibility the Agency requires in its decision making to fully address these evolving priorities without a regulatory change to the priority-points scoring criteria.

This proposed rule is intended to improve the customer experience with more timely and proactive responses to housing market demands without frequent regulatory changes. This is expected to be accomplished by providing the much-needed flexibility required in the Agency's decision making to fully address evolving priorities in the housing market demands, as needed, as well as current and future Administrations' priorities. The Agency would also be in a stronger position to meet the current and future demands of the housing market, which ultimately would allow the Agency to be more responsive to the needs of the program's rural stakeholders.

III. Summary of Changes

The proposed changes would amend 7 CFR 3565.5(b) to offer flexibility by aligning the current criteria of priority projects with 42 U.S.C. 1490p–2(l)(2) to be more timely and responsive to developing demands in the rural housing market, as well as evolving priorities with current and future Administrations, while improving its customers' experience with the program. The Agency would also be in a stronger position to meet the current and future demands of the housing market, which ultimately would allow the Agency to be more responsive to the needs of the program's rural stakeholders.

IV. Regulatory Information

Statutory Authority

The RHS administers the 538 Guaranteed Rural Rental Housing Program (GRRHP) loans under the authority of the Housing Act of 1949, as amended (42 U.S.C. 1490p–2(l)(2)) and operates under 7 CFR part 3565.

Executive Order 12372, Intergovernmental Review of Federal Programs

These loans are subject to the provisions of Executive Order 12372, which require intergovernmental consultation with State and local officials. RHS conducts intergovernmental consultations for each loan in accordance with 2 CFR part 415, subpart C.

Executive Order 12988, Civil Justice Reform

This proposed rule has been reviewed under Executive Order 12988. In accordance with this rule: (1) Unless otherwise specifically provided, all State and local laws that conflict with this rule will be preempted; (2) no retroactive effect will be given to this rule except as specifically prescribed in the rule; and (3) administrative proceedings of the National Appeals Division of the Department of Agriculture (7 CFR part 11) must be exhausted before suing in court that challenges action taken under this proposed rule.

Executive Order 13132, Federalism

The policies contained in this proposed rule do not have any substantial direct effect on States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of Government. This proposed rule does not impose substantial direct compliance costs on State and local Governments; therefore, consultation with States is not required.

Executive Order 13175, Consultation and Coordination With Indian Tribal Governments

The undersigned has determined and certified by signature on this document that this rule will not have a significant economic impact on a substantial number of small entities since this rulemaking action does not involve a new or expanded program nor does it require any more action on the part of a small business than required of a large entity.

Unfunded Mandate Reform Act (UMRA)

Title II of the UMRA, Public Law 104–4, establishes requirements for Federal Agencies to assess the effects of their regulatory actions on State, local, and tribal Governments and on the private sector. Under section 202 of the UMRA, Federal Agencies generally must prepare a written statement, including cost-benefit analysis, for proposed and Final Rules with "Federal mandates" that may result in expenditures to State, local, or tribal Governments, in the aggregate, or to the private sector, of \$100 million or more in any one year. When such a statement is needed for a rule, section 205 of the UMRA generally requires a Federal Agency to identify and consider a reasonable number of regulatory alternatives and adopt the least costly, more cost-effective, or least burdensome alternative that achieves the objectives of the rule.

This proposed rule contains no Federal mandates (under the regulatory provisions of title II of the UMRA) for State, local, and tribal Governments or for the private sector. Therefore, this rulemaking is not subject to the requirements of sections 202 and 205 of the UMRA.

Paperwork Reduction Act

The information collection requirements contained in this

regulation have been approved by OMB and have been assigned OMB control number 0575–0189. This proposed rule contains no new reporting and recordkeeping requirements that would require approval under the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35).

E-Government Act Compliance

RHS is committed to complying with the E-Government Act by promoting the use of the internet and other information technologies to provide increased opportunities for citizen access to Government information, services, and other purposes.

Rural Development has reviewed this rulemaking in accordance with USDA Regulation 4300–4, Civil Rights Impact Analysis,” to identify any major civil rights impacts the rule might have on program participants on the basis of age, race, color, national origin, sex, disability, sex, gender identity (including gender expression), genetic information, political beliefs, sexual orientation, marital status, familial status, parental status, veteran status, religion, reprisal and/or resulting from all or a part of an individual’s income being derived from any public assistance program. After review and analysis of the rule and available data, it has been determined that implementation of the rule is not likely to adversely, or disproportionately, impact very low, low- and moderate-income populations, minority populations, women, Indian tribes, or persons with disability by virtue of their race, color, national origin, sex, age, disability, or marital or familiar status. No major civil rights impact is likely to result from this proposed rule.
