**SUPPLEMENTARY INFORMATION:** Section 4262 of the Employee Retirement Income Security Act of 1974 (ERISA) requires PBGC to provide special financial assistance (SFA) to certain financially troubled multiemployer plans upon application for assistance. Part 4262 of PBGC's regulations, "Special Financial Assistance by PBGC," provides guidance to multiemployer pension plan sponsors on eligibility, determining the amount of SFA, content of an application for SFA, the process of applying, PBGC's review of applications, restrictions and conditions, and reporting and notice requirements.

To apply for SFA, a plan sponsor must file an application with PBGC and include information about the plan, plan documentation, and actuarial information, as specified in sections 4262.6 through 4262.9. Also, if the plan is changing certain assumptions for purposes of demonstrating its eligibility for SFA or its requested amount of SFA, then the plan sponsor may use PBGC's SFA assumptions guidance. PBGC needs the application information to review a plan's eligibility for SFA and amount of requested SFA. PBGC estimates that over the next 3 years an annual average of 59 plan sponsors will file applications for SFA with an average annual hour burden of 590 hours and an average annual cost burden of \$1,770,000.

Under section 4262.10(g), a plan sponsor may, but is not required to, file a lock-in application as a plan's initial application. The lock-in application contains basic information about the plan and a statement of intent to lock-

in base data. PBGC needs the information in the lock-in application to ensure that a plan sponsor intends to lock-in the plan's data. PBGC estimates that over the next 3 years an annual average of 23 plan sponsors will file lock-in applications for SFA with an average annual hour burden of 23 hours and an average annual cost burden of \$18,400.

Under section 4262.16(i), a plan sponsor of a plan that has received SFA must file an Annual Statement of Compliance with the restrictions and conditions under section 4262 of ERISA and part 4262 once every year through 2051. PBGC needs the information in the Annual Statement of Compliance to ensure that a plan is compliant with the imposed restrictions and conditions. PBGC estimates that over the next 3 years an annual average of 120 plan sponsors will file Annual Statements of Compliance with an average annual hour burden of 240 hours and an average annual cost burden of \$288,000.

Under section 4262.15(c), a plan sponsor of a plan with benefits that were suspended under sections 305(e)(9) or 4245(a) of ERISA must issue notices of reinstatement to participants and beneficiaries whose benefits were suspended and are being reinstated. Participants and beneficiaries need the notice of reinstatement to better understand the calculation and timing of their reinstated benefits and, if applicable, make-up payments. PBGC estimates that over the next 3 years an average of 5 plans per year will be required to send notices to participants with suspended benefits. PBGC estimates that these notices will impose an average annual hour burden of 10 hours and average annual cost burden of \$10,000.

Finally, under section 4262.16(d), (f), (g), and (h), a plan sponsor must file a request for a determination from PBGC for approval for an exception under certain circumstances for SFA conditions under section 4262.16 relating to reductions in contributions, transfers or mergers, and withdrawal liability. PBGC needs the information required for a request for determination to determine whether to approve an exception from the specified condition of receiving SFA. PBGC estimates that over the next 3 years, PBGC will receive an average of 3.2 requests per year for determinations. PBGC estimates an average annual hour burden of 15.6 hours and average annual cost burden of \$44,000.

The estimated aggregate average annual hour burden for the next 3 years for the information collection in part 4262 is 878.6 hours for employer and

fund office administrative, clerical, and supervisory time. The estimated aggregate average annual cost burden for the next 3 years for the information collection request in part 4262 is \$2,130,400, for approximately 5,326 contract hours assuming an average hourly rate of \$400 for work done by outside actuaries and attorneys. The actual hour burden and cost burden per plan will vary depending on plan size and other factors.

The collection of information under the regulation has been approved by OMB under control number 1212-0074 (expires July 31, 2023). PBGC intends to request that OMB extend its approval for 3 years. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

PBGC is soliciting public comments to—

Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodologies and assumptions used;

Enhance the quality, utility, and clarity of the information to be collected; and

Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Issued in Washington, DC.

### Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Extending the Expiration Date of the Temporary Amendments to Rules 10.9261 and 10.9830

February 9, 2023.

Pursuant to Section 19(b)(1) <sup>1</sup> of the Securities Exchange Act of 1934 (“Act”) <sup>2</sup> and Rule 19b-4 thereunder,<sup>3</sup> notice is hereby given that, on January 30, 2023, NYSE Arca, Inc. (“NYSE Arca” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes extending the expiration date of the temporary amendments to Rules 10.9261 and 10.9830 as set forth in SR-NYSEArca-2020-85 from January 31, 2023 to April 30, 2023, in conformity with recent changes by the Financial Industry Regulatory Authority, Inc. (“FINRA”). The proposed rule change would not make any changes to the text of NYSE Arca Rules 10.9261 and 10.9830. ##### Background

In 2019, NYSE Arca adopted disciplinary rules based on the text of the Rule 8000 and Rule 9000 Series of its affiliate NYSE American LLC (“NYSE American”), with certain changes. In adopting disciplinary rules modeled on FINRA's rules, NYSE Arca adopted the hearing and evidentiary processes set forth in Rule 10.9261 and in Rule 10.9830 for hearings in matters involving temporary and permanent cease and desist orders under the Rule 10.9800 Series. As adopted, the text of Rule 10.9261 and Rule 10.9830 are substantially the same as the FINRA rules with certain modifications.<sup>8</sup>

<sup>5</sup> The Exchange may submit a separate rule filing to extend the expiration date of the proposed extension beyond April 30, 2023 if the Exchange requires additional temporary relief from the rule requirements identified in SR-NYSEArca-2020-85. The amended NYSE Arca rules will revert back to their original state at the conclusion of the temporary relief period and any extension thereof.
