SUPPLEMENTARY INFORMATION: The U.S. Small Business Administration's (SBA) statutory mission is to “aid, counsel, assist and protect, insofar as is possible, the interests of small business concerns.” The Agency's Office of Entrepreneurial Development (OED) helps to carry out this mission by providing training and counseling programs and initiatives, such as the Regional Innovation Clusters (RIC) initiative, to existing and prospective small businesses.

Through the RIC initiative, the SBA is investing in regional clusters—geographic concentrations of interconnected companies, specialized suppliers, academic institutions, service providers, and associated organizations with a specific industry focus—throughout the United States that span a variety of industries, ranging from energy and manufacturing to advanced defense technologies.

The RIC Initiative capitalizes on the theory of regional cluster development
