Unified Agenda of Federal Regulatory  
and Deregulatory Actions****AGENCY:** Department of Defense (DoD).**ACTION:** Semiannual Regulatory Agenda.

**SUMMARY:** This agenda announces the regulatory actions the Department of Defense (DoD) plans to take in the next 12 months and those regulatory actions completed since the publication of the spring 2022 Unified Agenda. It was developed under the guidelines of Executive Order 12866, "Regulatory Planning and Review," and Executive Order 13563, "Improving Regulation and Regulatory Review." This agenda includes regulatory actions that support the Administration's regulatory priorities, the Secretary of Defense's top priorities to defend the Nation, take care of our people, and succeed through teamwork, as well as those priorities of the National Defense Strategy. These actions include efforts to promote the country's economic resilience, including addressing COVID-related and other healthcare issues; support underserved communities and improve small business opportunities; promote competition in the American economy; promote diversity, equity, inclusion, and accessibility in the Federal workforce; support national security efforts, especially safeguarding Federal Government information and information technology systems; support the climate change emergency; and address military family matters. Members of the public may submit comments on individual proposed and interim final rulemakings at [www.regulations.gov](http://www.regulations.gov) during the comment period that follows publication in the **Federal Register**.

This agenda updates the report published on August 8, 2022, and includes regulations expected to be issued and under review over the next 12 months. The next agenda will publish in the spring of 2023.

The complete Unified Agenda will be available online at [www.reginfo.gov](http://www.reginfo.gov).

In accordance with the Regulatory Flexibility Act (5 U.S.C. 602), which requires agencies to publish its regulatory flexibility agendas in the **Federal Register**, the Department of

Defense's printed agenda entries in the **Federal Register** include only:

(1) Rules that are in the Agency's regulatory flexibility agenda, in accordance with the Regulatory Flexibility Act, because they are likely to have a significant economic impact on a substantial number of small entities; and

(2) Any rules that the Agency has identified for periodic review under section 610 of the Regulatory Flexibility Act.

Although printing of these entries is limited to fields that contain information required by the Regulatory Flexibility Act's agenda requirements, additional information on these entries is in the Unified Agenda available online.

**SUPPLEMENTARY INFORMATION:** This edition of the Unified Agenda of Federal Regulatory and Deregulatory Actions reports on actions planned by the Office of the Secretary of Defense, the Military Departments, the Office of the Under Secretary of Defense for Acquisition and Sustainment for procurement-related actions, and the U.S. Army Corps of Engineers.

This agenda also identifies rules impacted by the:

- a. Regulatory Flexibility Act.
- b. Paperwork Reduction Act of 1995.
- c. Unfunded Mandates Reform Act of 1995.

Generally, rules discussed in this agenda will contain five sections: (1) pre-rule stage; (2) proposed rule stage; (3) final rule stage; (4) completed actions; and (5) long-term actions. Where certain regulatory actions indicate that small entities are affected, the effect on these entities may not necessarily have significant economic impact on a substantial number of these entities as defined in the Regulatory Flexibility Act (5 U.S.C. 601(6)).

The publishing of this agenda does not waive the applicability of the military affairs exemption in section 553 of title 5 U.S.C. and section 3 of Executive Order 12866.
