A. Program Description

1. Purpose of the Program. The purpose of the 313A Program is to guarantee loans to selected applicants (each referred to as the “Guaranteed Lender” in this NOFO). The proceeds of the guaranteed loans are to be used (a) to make utility infrastructure loans or (b) to refinance bonds or notes issued for such purposes to a borrower that has at any time received, or is eligible to receive, a loan under the Rural Electrification Act of 1936, as amended (RE Act). Each applicant must provide a statement on how it proposes to use the proceeds of the guaranteed bonds, and the financial benefit it anticipates deriving from participating in the program pursuant to 7 CFR 1720.6(a)(3), or its equivalent in any subsequent regulation. Objectives may include, but are not limited to the annual savings to be realized by the ultimate borrower(s) as a result of the applicant’s use of lower cost loan funds provided by the Federal Financing Bank (FFB) and guaranteed by RUS.

The Agriculture Improvement Act of 2018 (2018 Farm Bill) modified the 313A Program by amending the RE Act to allow proceeds of guaranteed bonds awarded under this NOFO to be used to make broadband loans, or to refinance broadband loans made to a borrower that has received, or is eligible to receive, a broadband loan under title VI of the RE Act.

The 2018 Farm Bill has also modified the 313A Program to allow the proceeds of guaranteed loans made under this NOFO to be used by the Guaranteed Lender to fund projects for the generation of electricity.

2. Statutory and Regulatory Authority. The 313A Program is authorized by section 313A of the Rural Electrification Act of 1936, as amended (7 U.S.C. 940c–1), and is implemented by regulations located at 7 CFR part 1720. The Administrator of RUS (the Administrator) has been delegated responsibility for administering the 313A Program.

3. Definitions. The definitions applicable to this NOFO are currently published at 7 CFR 1720.3.

4. Application of Awards. RUS will review and evaluate applications received in response to this NOFO based on the regulations at 7 CFR 1720.7, and as provided in this NOFO.

B. Federal Award Information

Available Funds: $900,000,000. Should additional funding become available this fiscal year, RUS reserves the right to increase the total funds available under this notice.

Award Amounts: RUS anticipates making multiple guarantees under this NOFO. The number, amount, and terms of awards under this NOFO will depend in part on the number of eligible applications and the amount of funds requested. In determining whether to make an award, RUS will take overall program policy objectives into account.

Anticipated Award Date: Awards will be made on or before September 29, 2023, but no earlier than May 1, 2023.

Performance Period: The RE Act provides that loans guaranteed under this program cannot exceed 30 years in length.

Type of Assistance Instrument: The type of assistance is in the form of an RUS FFB Guaranteed Loan and is supported by a perfected lien on collateral sufficient to provide for full loan security.

6. Other Submission Requirements.

Such other application documents and submissions deemed necessary by the Secretary for evaluation of applications.

E. Application Review Information

1. Criteria.

Each application will be reviewed by the Secretary to determine whether it is eligible under 7 CFR 1720.5, the information required under 7 CFR 1720.6 is complete, and the proposed guaranteed bond complies with applicable statutes and regulations. The Secretary can at any time reject an application that fails to meet these requirements.

2. Review and Selection Process.

Applications will be subject to a substantive review, on a competitive basis, by the Administrator based upon the evaluation factors listed in 7 CFR 1720.7(b). The Administrator may limit the number of guarantees made to a maximum of five per year, to ensure a sufficient examination is conducted of applicant requests. RUS will notify the applicant in writing of the Administrator’s approval or denial of an application. Approvals for guarantees will be conditioned upon compliance with 7 CFR 1720.4 and 7 CFR 1720.6. The Administrator reserves the discretion to approve an application for an amount that was less than requested.

Before a guarantee decision is made by the Administrator, the Administrator shall request that FFB review the rating agency determination required by 7 CFR 1720.5(b)(2) as to whether the bond or note to be issued would receive an investment grade rating without regard to the guarantee.

F. Federal Award Administration Information

1. Federal Award Notices

RUS will send a commitment letter to an applicant once the guaranteed loan has been approved. Applicants must accept and commit to all terms and conditions of the guaranteed loan which are requested by RUS and FFB before the loan guarantee award can be obligated.

The requirements under 7 CFR 1720.8 must be met by the applicant prior to the endorsement of a guarantee by the Administrator. Each Guaranteed Lender will be required to enter into a Guarantee Agreement with RUS that contains the provisions described in 7 CFR 1720.8 (Issuance of the Guarantee), 7 CFR 1720.9 (Guarantee Agreement), and 7 CFR 1720.12 (Reporting Requirements). The Guarantee Agreement will also obligate the Guaranteed Lender to pay, on an annual basis, a guarantee fee equal to 30 basis points (0.30 percent) of the outstanding principal amount of the guaranteed loan (See 7 CFR 1720.10).

2. Administrative and National Policy Requirements

Applicants must accept and commit to all terms and conditions of the guaranteed loan which are requested by RUS and FFB as follows:

a. Compliance conditions.

In addition to the standard conditions placed on the 313A Program or conditions requested by RUS to ensure loan security and statutory compliance, applicants must comply with the following conditions:

(1) Each Guaranteed Lender selected under the 313A Program will be required to post collateral for the benefit of RUS in an amount at least equal to the aggregate amount of loan advances made to the Guaranteed Lender under the 313A Program.

(2) The pledged collateral (the Pledged Collateral) shall consist of outstanding notes or bonds payable to the Guaranteed Lender (the Eligible Instruments) and shall be placed on deposit with a collateral agent for the benefit of RUS. To be deemed Eligible Instruments that can be pledged as collateral, the notes or bonds to be pledged (i) cannot be classified as non-performing, impaired, or restructured under generally accepted accounting principles; special mention loans as defined by the Office of the Comptroller of the Currency; or any other elevated risk categories used by the Guaranteed Lender, (ii) must be free and clear of all liens other than the lien created for the benefit of RUS, (iii) cannot be comprised of more than 30 percent of bonds or notes from generation and transmission borrowers, (iv) cannot have more than 5 percent of bonds and notes be from any one particular borrower and (v) cannot be unsecured notes.

(3) The Guaranteed Lender will be required to place a lien on the Pledged Collateral in favor of RUS (as secured party) at the time that the Pledged Collateral is deposited with the collateral agent. RUS will have the right, in its sole discretion, within 14 business days of the Guaranteed Lender’s written request to pledge Pledged Collateral, to reject any of the Pledged Instruments and require the Guaranteed Lender to substitute other Pledged Instruments as collateral with the collateral agent. Prior to receiving any advances under the 313A Program, the Guaranteed Lender
will be required to enter into a pledge agreement, satisfactory to RUS, with a banking institution serving as collateral agent.

(4) The Guaranteed Lender will be required to agree not to take any action that would have the effect of reducing the value of the pledged collateral below the level described above.

(5) Applicants must certify to the RUS, the portion of their loan portfolio that is:
   i. Refinanced RUS debt;
   ii. Debt of borrowers for whom both RUS and the applicants have outstanding loans; and
   iii. Debt of borrowers for whom both RUS and the applicant have outstanding concurrent loans pursuant to Section 307 of the RE Act, and the amount of Eligible Loans.

b. Schedule of Loan Repayment: The amortization method for the repayment of the guaranteed loan shall be repaid by the Guaranteed Lender: (i) in periodic installments of principal and interest, (ii) in periodic installments of interest only, and, at the end of the term of the bond or note, as applicable, by the repayment of the outstanding principal, or (iii) through a combination of the methods described in (i) and (ii) above. The amortization method will be agreed to by RUS and the Guaranteed Lender.

Applicants must comply with all applicable Federal laws and regulations.

a. This loan guarantee will be subject to the provisions contained in the appropriations act for FY 2023, once enacted by Congress. Prior appropriations acts have included prohibitions against RUS making awards to applicants having corporate felony convictions within the past 24 months or to applicants having corporate federal tax delinquencies. It is possible that such provisions will be included in the appropriations act for FY 2023.

b. An authorized official within your organization must execute, date, and return the loan commitment letter to RUS within no later than 14 calendar days from the date of the letter, otherwise the commitment will be voided.

4. Reporting.
Guaranteed Lenders are required to comply with the financial reporting requirements and Pledged Collateral review and certification requirements set forth in 7 CFR 1720.12.
