

audit privilege and immunity laws that would impact Nevada's ability to implement or enforce the Nevada laws and regulations pertaining to the program revision. Therefore, EPA approves this revision of Nevada's approved State primacy program. The Technical Support Document, which provides EPA's analysis of Nevada's program revision request, is available by submitting a request to the following email address: R9dw-program@epa.gov. Please note "Technical Support Document" in the subject line of the email.

Public Process. Any interested person may request a public hearing on this determination. A request for a public hearing must be received or postmarked before April 3, 2023 and addressed to the Regional Administrator of EPA Region 9, via the following email address: R9dw-program@epa.gov, or by contacting the EPA Region 9 contact person listed above in this notice by telephone if you do not have access to email. Please note "State Program Revision Determination" in the subject line of the email. The Regional Administrator may deny frivolous or insubstantial requests for a hearing. If a timely request for a public hearing is made, then EPA Region 9 may hold a public hearing. Any request for a public hearing shall include the following information: 1. The name, address, and telephone number of the individual, organization, or other entity requesting a hearing; 2. A brief statement of the requesting person's interest in the Regional Administrator's determination and of information that the requesting person intends to submit at such hearing; and 3. The signature of the individual making the request, or, if the request is made on behalf of an organization or other entity, the signature of a responsible official of the organization or other entity.

If EPA Region 9 does not receive a timely request for a hearing or a request for a hearing was denied by the Regional Administrator for being frivolous or insubstantial, and the Regional Administrator does not elect to hold a hearing on their own motion, EPA's approval shall become final and effective on April 3, 2023, and no further public notice will be issued.

ENVIRONMENTAL PROTECTION AGENCY

[FRL-10635-01-R9]

Clean Air Act Operating Permit; Apache County, Arizona; Petition for Objection to State Operating Permit for Springerville Generating Station

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of final action.

SUMMARY: The Environmental Protection Agency (EPA) Administrator signed an Order, dated January 19, 2023, denying the petition to object to a Clean Air Act (CAA) title V operating permit issued to the Tucson Electric Power Company Springerville Generating Station located in Apache County, Arizona. The Order responds to a June 20, 2022 petition submitted by the Sierra Club and the National Parks Conservation Association (the "Petitioners") requesting that the EPA object to the final operating permit No. 65614 issued by the Arizona Department of Environmental Quality (ADEQ). The Order constitutes a final action on the petition addressed therein.

DATES: Pursuant to section 307(b)(1) of the Clean Air Act, 42 U.S.C. 7607(b)(1), judicial review of this final agency action, to the extent it is available, may be sought by filing a petition for review in the United States Court of Appeals for the Ninth Circuit within 60 days of March 3, 2023.

ADDRESSES: Copies of the petitions and Orders are available at <https://www.epa.gov/title-v-operating-permits/title-v-petition-database>. For additional information, please contact the person identified in the **FOR FURTHER INFORMATION CONTACT** section.

FOR FURTHER INFORMATION CONTACT: Lisa Beckham, EPA Region IX, 75 Hawthorne Street (AIR-3-1), San Francisco, California 94105. By phone at (415) 972-3811, or by email at beckham.lisa@epa.gov.

SUPPLEMENTARY INFORMATION: The CAA affords the EPA a 45-day period to review and, as appropriate, the authority to object to operating permits proposed by state and local permitting authorities under title V of the CAA, 42 U.S.C. 7661-7661f. Section 505(b)(2) of the CAA and 40 CFR 70.8(d) authorize any person to petition the EPA

Administrator to object to a title V operating permit within 60 days after the expiration of the EPA's 45-day review period if the EPA has not objected on its own initiative. Petitions must be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided by the permitting authority, unless the petitioner demonstrates that it was impracticable to raise these issues during the comment period or the grounds for the issues arose after the comment period closed.

On June 20, 2022, the Petitioners submitted a petition to the EPA pursuant to section 505(b)(2) of the CAA and 40 CFR 70.8(d). The petition requested that the EPA object to significant permit revision No. 91093 to the CAA title V operating permit issued by the ADEQ for Tucson Electric Power Company Springerville Generating Station (Permit No. 65614) in Apache County, Arizona. On January 19, 2023, the Administrator issued an Order denying the petition.

The Order provides additional information, including a summary of the claims raised and the EPA's bases for denying the claims raised by the Petitioners. Please see the **ADDRESSES** section above to access a copy of the Order.

Dated: February 23, 2023.
Martha Guzman Aceves,
Regional Administrator, Region IX.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Agency for Healthcare Research and Quality

Notice of Meeting

AGENCY: Agency for Healthcare Research and Quality (AHRQ), HHS.

ACTION: Notice.

SUMMARY: The Agency for Healthcare Research and Quality (AHRQ) announces a Special Emphasis Panel (SEP) meeting on "AHRQ National Research Service Award Institutional Research Training Grant (T32) (RFA-HS-22-001)". This SEP meeting will be closed to the public.

DATES: March 9-10th, 2023.

ADDRESSES: Agency for Healthcare Research and Quality, (Video Assisted Review), 5600 Fishers Lane, Rockville, Maryland 20857.

FOR FURTHER INFORMATION CONTACT: Jenny Griffith, Committee Management Officer, Office of Extramural Research, Education and Priority Populations, Agency for Healthcare Research and Quality, (AHRQ), 5600 Fishers Lane, Rockville, Maryland 20857, Telephone: (301) 427-1557.

SUPPLEMENTARY INFORMATION: A Special Emphasis Panel is a group of experts in fields related to health care research who are invited by AHRQ, and agree to be available, to conduct on an as needed basis, scientific reviews of applications for AHRQ support. Individual members

of the Panel do not attend regularly scheduled meetings and do not serve for fixed terms or a long period of time. Rather, they are asked to participate in particular review meetings which require their type of expertise.

The SEP meeting referenced above will be closed to the public in accordance with the provisions set forth in 5 U.S.C. App. 2, section 10(d), 5 U.S.C. 552b(c)(4), and 5 U.S.C. 552b(c)(6). Grant applications for "AHRQ National Research Service Award Institutional Research Training Grant (T32) (RFA-HS-22-001)" are to be reviewed and discussed at this meeting. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Agenda items for this meeting are subject to change as priorities dictate.

Dated: February 27, 2023.

Marquita Cullom,
Associate Director.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Meeting of the Community Preventive Services Task Force (CPSTF)

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice of meeting.

SUMMARY: The Centers for Disease Control and Prevention (CDC), within the Department of Health and Human Services (HHS), announces the next meeting of the Community Preventive Services Task Force (CPSTF) on April 19-20, 2023.

DATES: The meeting will be held on Wednesday, April 19, 2023, from 9 a.m.-5 p.m., EDT, and Thursday, April 20, 2023, from 9 a.m.-5 p.m., EDT.

ADDRESSES: The meeting will be available to the public via web conference.

FOR FURTHER INFORMATION CONTACT: Kenya Turner, Office of Science; Centers for Disease Control and Prevention, 1600 Clifton Road NE, MS H21-10, Atlanta, GA 30329; Telephone: (404) 718-4592; Email: CPSTF@cdc.gov.

SUPPLEMENTARY INFORMATION:

Meeting Accessibility: The CPSTF meeting will be available to the public via web conference.

CDC will send web conference information to registrants upon receipt of their registration. All meeting attendees must register by April 12, 2023, to receive the web conference information for the meeting. CDC will email web conference information from the CPSTF@cdc.gov mailbox.

To register for the meeting, individuals should send an email to CPSTF@cdc.gov and include the following information: name, title, organization name, organization address, phone number, and email.

Public Comment: Individuals who would like to make public comments during the April 2023 meeting must state their desire to do so with their registration and provide their name and organizational affiliation and the topic to be addressed (if known). The requestor will receive instructions for the public comment process for this meeting after the request is received. A public comment period follows the CPSTF's discussion of each systematic review and will be limited to no more than three minutes per person. Public comments will become part of the meeting summary.

Background on the CPSTF: The CPSTF is an independent, nonfederal panel whose members are appointed by the CDC Director. CPSTF members represent a broad range of research, practice, and policy expertise in prevention, wellness, health promotion, and public health. The CPSTF was convened in 1996 by HHS to identify community preventive programs, services, and policies that increase health, longevity, save lives and dollars, and improve Americans' quality of life. CDC is mandated to provide ongoing administrative, research, and technical support for the operations of the CPSTF. During its meetings, the CPSTF considers the findings of systematic reviews of existing research and practice-based evidence and issues recommendations. CPSTF recommendations are not mandates for compliance or spending. Instead, they provide information about evidence-based options that decision makers and affected community members can consider when they are determining what best meets the specific needs, preferences, available resources, and constraints of their jurisdictions and constituents. The CPSTF's recommendations, along with the systematic reviews of the evidence on which they are based, are compiled on
