BILLING CODE 4910–61–P

POSTAL SERVICE
39 CFR Part 111

Mailing Currency

AGENCY: Postal Service™.

ACTION: Final rule.

SUMMARY: The Postal Service is amending Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®) to clarify the standards for mailing currency.

FOR FURTHER INFORMATION CONTACT: Dale Kennedy at (202) 268–6592 or Garry Rodriguez at (202) 268–7281.

SUPPLEMENTARY INFORMATION: On January 23, 2023, the Postal Service published a notice of proposed rulemaking (88 FR 3944–3945) to clarify the standards for mailing currency. The proposed standards required commercial cash deposits over $500.00 be sent using Registered Mail® service. In response to the proposed rule, the Postal Service received comments from nine commenters.

Comment: All commenters, four in part, requested an extension of the effective date, with varying timeframes, stating that they need additional time to make alternate arrangements for their cash deposits.

Response: The Postal Service agrees and believes that extending the effective date from March 1, 2023, to April 30, 2023, is a commercially reasonable amount of time.

Comment: Three commenters requested an increase of the $500.00 threshold for mailing cash deposits with Registered Mail service to $1,000.00 or $2,000.00.

Response: The Postal Service has decided to maintain the $500.00 threshold requiring cash deposits be mailed with Registered Mail service. In March 2022 the OIG recommended that the Postal Service conduct a cost-benefit analysis of the deposit by mail concept. Through this analysis, the Postal Service determined that a $500.00 threshold was appropriate to provide customers with additional security controls while mitigating employee safety and theft risk.

Comment: One commenter included a request to make an exemption for seasonal mailers. When cash deposits by mail do not occur throughout the year, the expense of alternate deposit arrangements is higher, putting these businesses at a competitive disadvantage.

Response: The Postal Service recognizes that some customers may be seasonal, however most customers conduct these types of transactions throughout the year. To issue a seasonal exception, would create operational and processing complexities which could produce security and service risks. This could also pose unintended impacts on the registered mail product.

While not specifically addressed in the comments, there appeared to be some confusion on the term “commercial cash deposits.” As a result, the Postal Service is providing a clarification by stating “commercial cash transactions.”

The Postal Service is revising subsection 503.2.1 to require commercial cash transactions over $500.00 be sent using Registered Mail® service.
In addition, the Postal Service is adding new subsection 601.3.1, Mailing Currency, to provide clarity in the mailing of currency including the requirement to send a commercial cash transaction over $500.00 as Registered Mail.

The DMM requirements in subsection 601.1.3 in the proposed rule provided “mailers must not use any USPS-provided packaging” (i.e., expedited packaging supplies) for commercial cash deposits over $500.00. The Postal Service is extending this requirement to read any commercial cash transaction regardless of amount.

The Postal Service believes this revision will provide customers with a safe and secure service for their mailing needs.

The Postal Service adopts the following changes to Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM), incorporated by reference in the Code of Federal Regulations.

We will publish an appropriate amendment to 39 CFR part 111 to reflect these changes.

List of Subjects in 39 CFR Part 111
Administrative practice and procedure, Postal Service.

Accordingly, 39 CFR part 111 is amended as follows:

PART 111—[AMENDED]

1. The authority citation for 39 CFR part 111 continues to read as follows:

2. Revise the Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM) as follows:

**ENVIRONMENTAL PROTECTION AGENCY**

**40 CFR Part 52**

Air Plan Approval; MO; Restriction of Visible Air Contaminant Emissions

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: The Environmental Protection Agency (EPA) is taking final action to approve revisions to the Missouri State Implementation Plan (SIP) received on November 29, 2016, and March 7, 2019. The revisions were submitted by Missouri in response to a finding of substantial inadequacy and SIP call published on June 12, 2015, for a provision in the Missouri SIP related to excess emissions during startup, shutdown, and malfunction (SSM) events. In the submissions, Missouri requests to revise a regulation related to restriction of emissions of visible air contaminants. The revisions to the rule include removing a statement from the compliance and performance testing provisions that does not meet Clean Air Act (CAA) requirements, adding exemptions for emission units regulated by stricter federal and state regulations or that do not have the capability of exceeding the emission limits of the rule, adding an alternative test method and making other administrative changes. Approval of these revisions will ensure consistency between state and federally approved rules.

DATES: This final rule is effective on April 7, 2023.

ADDRESSES: The EPA has established a docket for this action under Docket ID No. EPA–R07–OAR–2022–0746 to www.regulations.gov. All documents in the docket are listed on the www.regulations.gov website. Although listed in the index, some information is not publicly available, i.e., CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, is not placed on the internet and will be publicly available only in hard copy form. Publicly available docket materials are available through www.regulations.gov or please contact the person identified in the FOR FURTHER INFORMATION CONTACT section for additional information.

FOR FURTHER INFORMATION CONTACT: Ashley Keas, Environmental Protection Agency, Region 7 Office, Air Quality Planning Branch, 11201 Renner Boulevard, Lenexa, Kansas 66219; telephone number: (913) 551–7629; email address: keas.ashley@epa.gov.

SUPPLEMENTARY INFORMATION: Throughout this document “we,” “us,” and “our” refer to the EPA.
