FOR FURTHER INFORMATION CONTACT:

Gabe Neal, Staff Director, Signal, Train Control, and Crossings Division, telephone: 816-516-7168, email: Gabe.Neal@dot.gov.

SUPPLEMENTARY INFORMATION: In general, Title 49 United States Code (U.S.C.) Section 20157(h) requires FRA to certify that a host railroad's PTC system complies with Title 49 Code of Federal Regulations (CFR) part 236, subpart I, before the technology may be operated in revenue service. Before making certain changes to an FRA-certified PTC system or the associated FRA-approved PTCIP, a host railroad must submit, and obtain FRA's approval of, an RFA to its PTCIP under 49 CFR 236.1021.

Under 49 CFR 236.1021(e), FRA's regulations provide that FRA will publish a notice in the **Federal Register** and invite public comment in accordance with 49 CFR part 211, if an RFA includes a request for approval of a discontinuance or material modification of a signal and train control system. Accordingly, this notice informs the public that, on February 22, 2023, SEPTA submitted an RFA to its PTCIP for its Advanced Civil Speed Enforcement System II (ACSES II), and that RFA is available in Docket No. FRA-2010-0036.

Specifically, under 49 CFR 236.1021(c), SEPTA requested approval to retire Walnut Interlocking from service, as Walnut Interlocking is no longer required for service due to the installation of Civic Interlocking and the modifications to Arsenal interlocking and the surrounding infrastructure. Arsenal Interlocking is being upgraded to microprocessor technology, and new Civic Interlocking is being installed with new Microprocessors. Existing Walnut Interlocking is no longer necessary.

As this RFA involves a request for FRA's approval to discontinue or modify a signal system, FRA is publishing this notice and invite public comment on the railroad's request to discontinue or modify a signal system.

Interested parties are invited to comment on SEPTA's RFA to its PTCIP by submitting written comments or data. During FRA's review of this railroad's RFA, FRA will consider any comments or data submitted within the timeline specified in this notice and to the extent practicable, without delaying implementation of valuable or necessary modifications to a PTC system. See 49 CFR 236.1021; *see also* 49 CFR 236.1011(e). Under 49 CFR 236.1021, FRA maintains the authority to approve, approve with conditions, or deny a railroad's RFA to its PTCIP at FRA's sole discretion.

Privacy Act Notice

In accordance with 49 CFR 211.3, FRA solicits comments from the public to better inform its decisions. DOT posts these comments, without edit, including any personal information the commenter provides, to <https://www.regulations.gov>, as described in the system of records notice (DOT/ALL-14 FDMS), which can be reviewed at <https://www.transportation.gov/privacy>. See <https://www.regulations.gov/privacy-notice> for the privacy notice of [regulations.gov](https://www.regulations.gov). To facilitate comment tracking, we encourage commenters to provide their name, or the name of their organization; however, submission of names is completely optional. If you wish to provide comments containing proprietary or confidential information, please contact FRA for alternate submission instructions.

Issued in Washington, DC.

Carolyn R. Hayward-Williams,

Director, Office of Railroad Systems and Technology.
