resources and provide the context for decisions about HBCU partnerships, investments, performance goals, priorities, human capital development, and budget planning.

Meeting Agenda: The meeting agenda will include roll call; approval of the January 27, 2023 meeting minutes; an update from the Board Chairperson; a virtual update from the Under Secretary of the U.S. Department of Education; a work session for each of the Board’s subcommittees (Preservation and Growth, Infrastructure, and Career Pathways and Financial Support and Research); a briefing from Braven’s Founder and CEO; a briefing from the Student Freedom Initiative’s Executive Director; and a discussion regarding the Board’s first report to the President. The public comment period will begin immediately following the conclusion of such discussions.

Access to the Meeting: Registration is required to attend the meeting and may be submitted via email, in-person or via the virtual platform sign in page. To submit a registration in advance, please submit an email to the whirsvps@ed.gov mailbox by 11 a.m. on April 3, 2023. Please include in the subject line of the email “Meeting Registration.” The email must include the name(s), title, organization/affiliation (if applicable), mailing address, email address, and telephone number of the person(s) who will be attending the meeting. Upon arrival, pre-registered attendees will be asked to sign in at the meeting room registration table. Members of the public may also register in-person on the day of the meeting by signing in at the meeting room registration table. Those attending remotely will sign in prior to gaining access to the virtual meeting room.

Submission of requests to make an oral comment: Members of the public may email whirsvps@ed.gov to request to provide an oral comment pertaining to the work of the Board or the work of the Department during the public comment period. Written comments must be sent directly to the Members of the Board. Written comments provided by the submission date will be distributed to the Members of the Board during the public comment period and will become part of the official record of the meeting.

Access to Records of the Meeting: The Department will post the official report of the meeting on the Board’s website, https://sites.ed.gov/whhbcu/policy/presidents-board-of-advisors-pba-on-hbcus, no later than 90 days after the meeting. Pursuant to 5 U.S.C. 1009(b), the public may also inspect the meeting materials and other Board records at 400 Maryland Avenue SW, Washington, DC, by emailing oswhi-hbcus@ed.gov or by calling (202) 453–5634 to schedule an appointment.

Reasonable Accommodations: The meeting sites are accessible to individuals with disabilities. If you will need an auxiliary aid or service to participate in the meeting (e.g., interpreting service, assistive listening device, or materials in an alternate format), notify the contact person listed in this notice at least one week before the meeting date. Although we will attempt to meet a request received after that date, we may not be able to make available the requested auxiliary aid or service because of insufficient time to arrange it.

DEPARTMENT OF EDUCATION

Applications for New Awards; Strengthening Institutions Program

AGENCY: Office of Postsecondary Education, Department of Education.

ACTION: Notice.

SUMMARY: The Department of Education (Department) is issuing a notice inviting applications for new awards for fiscal year (FY) 2023 for the Strengthening Institutions Program (SIP), Assistance Listing Number 84.031A. This notice relates to the approved information collection under OMB control number 1840–0114.

DATES:

ADDRESSES: For the addresses for obtaining and submitting an application, please refer to our Common Instructions for Applicants to Department of Education Discretionary Grant Programs, published in the Federal Register on December 7, 2022 (87 FR 75045), and available at https://www.federalregister.gov/d/2022-26354. Please note that these Common Instructions supersede the version published on December 27, 2021.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The SIP Program provides grants to eligible institutions of higher education (IHEs) to help them become self-sufficient and expand their capacity to serve low-income students by providing funds to improve and strengthen the institution’s academic quality, institutional management, and fiscal stability.

Priorities:

This notice contains one competitive preference priority and one invitational priority. The competitive preference priority is from the Secretary’s Supplemental Priorities and Definitions for Discretionary Grants Programs, published in the Federal Register on December 10, 2021 (86 FR 70612) (Supplemental Priorities).

Competitive Preference Priority: For FY 2023, and any subsequent year in which we make awards from the list of unfunded applications from this competition, this priority is a competitive preference priority. Under 34 CFR 75.105(c)(2)(i), we award up to an additional 6 points to an application, depending on how well the application meets the priority.

This priority is: Increasing Postsecondary Education Access, Affordability, Completion, and Post-Enrollment Success (up to 6 points).

Background: Academic disparities for low-income and minority students have been such a longstanding, serious problem that in the 2008 Higher Education Opportunity Act, Congress requested the Department document these gaps in postsecondary education.

Additional significant inequalities in financial, social, and other services for these minority and low-income populations were laid bare during the COVID–19 pandemic. These students, the institutions that serve them, and their communities are still recovering from pandemic disruptions. Data collection and analysis is important to this recovery process, to identify which service areas need strengthening, what services are now necessary and no longer optional, and where funds should be invested for maximum impact. To increase access to and success in higher education by low-income and minority students, and to hasten recovery efforts, the FY 2023 SIP priorities allow applicants to address this goal in any or all of three ways: by improving data gathering; implementing proven, evidence-based strategies and programs; and providing students with a variety of high-quality learning opportunities. The FY 2023 SIP priorities also offer continuity, as recent SIP competitions have included similar priorities.

Priority: Projects that are designed to increase postsecondary access, affordability, completion, and post-enrollment success for underserved students by addressing one or more of the following priority areas:

- Establishing a system of high-quality data collection and analysis, such as data on persistence, retention, completion, and post-college outcomes, for transparency, accountability, and institutional improvement. (up to 2 points)
- Supporting the development and implementation of student success programs that integrate multiple comprehensive and evidence-based services or initiatives, such as academic advising, structured/guided pathways, career services, credit-bearing academic undergraduate courses focused on career, and access to technological devices. (up to 2 points)
- Supporting the development and implementation of high-quality and accessible learning opportunities, including learning opportunities that are accelerated or hybrid online; credit-bearing; work-based; and flexible for working students. (up to 2 points)

Invitational Priority: For FY 2023, and any subsequent year in which we make awards from the list of unfunded applications from this competition, this priority is an invitational priority. Under 34 CFR 75.105(c)(1), we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

This priority is: Projects that propose to implement activities that promote postsecondary completion for students who are no longer enrolled because of challenges they faced during the COVID–19 pandemic or who stopped attending for other reasons. Institutions may opt to supplement or expand evidence-based and data-driven activities to support retention and completion.

Definitions: The following definitions apply to the priorities for this competition. The definition of “underserved students” is from the Supplemental Priorities, and the remainder of the definitions are from 34 CFR 77.1.

Demonstrates a rationale means a key project component included in the project’s logic model is informed by research or evaluation findings that suggest the project component is likely to improve relevant outcomes.

Logic model (also referred to as theory of action) means a framework that identifies key project components of the proposed project (i.e., the active “ingredients” that are hypothesized to be critical to achieving the relevant outcomes) and describes the theoretical and operational relationships among the key project components and relevant outcomes.

Note: In developing logic models, applicants may want to use resources such as the Regional Educational Laboratory Program’s (REL Pacific) Education Logic Model Application User Guide, available at The ELM Application (ed.gov). Other sources include: Logic models: A tool for effective program planning, collaboration, and monitoring (ed.gov).

Logic models: A tool for designing and monitoring program evaluations (ed.gov), and Logic models for program design, implementation, and evaluation: Workshop toolkit (ed.gov).

Project component means an activity, strategy, intervention, process, product, practice, or policy included in a project. Evidence may pertain to an individual project component or to a combination of project components (e.g., training teachers on instructional practices for English learners and follow-on coaching for these teachers).

Relevant outcome means the student outcome(s) or other outcome(s) the key project component is designed to improve, consistent with the specific goals of the program.

Underserved student means a student in one or more of the following subgroups:

- A student who is living in poverty or is served by schools with high concentrations of students living in poverty.
- A student of color.
- A student who is a member of a federally recognized Indian Tribe.
- An English learner.
- A child or student with a disability.

(f) A lesbian, gay, bisexual, transgender, queer or questioning, or intersex (LGBTQI+) student.

(g) A pregnant, parenting, or caregiving student.

(h) A student who is the first in their family to attend postsecondary education.

(i) A student enrolling in or seeking to enroll in postsecondary education for the first time at the age of 20 or older.

(j) A student who is working full-time while enrolled in postsecondary education.

(k) A student who is enrolled in or is seeking to enroll in postsecondary education who is eligible for a Pell Grant.

(l) An adult student in need of improving their basic skills or an adult student with limited English proficiency.

Note: In 2008, the Higher Education Act (HEA) was amended by the Higher Education Opportunity Act of 2008 (HEOA), Public Law 110–315. Please note that the SIP regulations in 34 CFR part 607 have not been updated to reflect these statutory changes. The statute supersedes all other applicable regulations.

Note: Projects will be awarded and must be operated in a manner consistent with the nondiscrimination requirements contained in Federal civil rights laws.

Applicable Regulations: (a) The Education Department General Administrative Regulations in 34 CFR parts 75, 77, 79, 82, 84, 86, 97, 98, and 99.

(b) The Office of Management and Budget Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485.

(c) The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted and amended as regulations of the Department in 2 CFR part 3474.

(d) The regulations for this program in 34 CFR part 607.

(e) The Supplemental Priorities.

II. Award Information

Type of Award: Discretionary grants.

Five-year Individual Development Grants and Cooperative Arrangement Development Grants will be awarded in FY 2023.

Note: A cooperative arrangement is an arrangement to carry out allowable grant activities between an institution eligible to receive a grant under this competition and another eligible or ineligible IHE, under which the resources of the cooperating institutions are combined and shared to better achieve the purposes of this part and avoid costly duplication of effort.

Estimated Available Funds: $36,886,151.

Contingent upon the availability of funds and the quality of applications, we may make additional awards in subsequent years from the list of unfunded applications from this competition.

Individual Development Grants:

Estimated Range of Awards: $400,000–$450,000 per year.

Estimated Average Size of Awards: $425,000 per year.

Maximum Award: We will not make an award exceeding $450,000 for a single 12-month budget period.

Estimated Number of Awards: 70.

Cooperative Arrangement Development Grants:

Estimated Range of Awards: $500,000–$550,000 per year.

Estimated Average Size of Awards: $525,000 per year.

Maximum Award: We will not make an award exceeding $550,000 for a single 12-month budget period.

Estimated Number of Awards: 10.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 60 months.

III. Eligibility Information

1. Eligible Applicants: This program is authorized by title III, part A, of the HEA. To qualify as an eligible institution under any title III, part A program, an institution must—

(a) Be accredited or pre-accredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered;

(b) Be legally authorized by the State in which it is located to be a junior or community college or to provide an educational program for which it awards a bachelor’s degree; and

(c) Be designated as an “eligible institution” by demonstrating that it: (1) has an enrollment of needy students as described in 34 CFR 607.3; and (2) has low average educational and general expenditures per full-time equivalent (FTE) undergraduate student as described in 34 CFR 607.4.

Note: The notice announcing the FY 2023 process for designation of eligible institutions, and inviting applications for waiver of eligibility requirements, was published in the Federal Register on January 20, 2023 (88 FR 1261). Only institutions that the Department determines are eligible, or which are granted a waiver under the process described in the notice, may apply for a grant in this program.

An eligible IHE may only submit one Individual Development Grant application. However, an eligible IHE may submit one application for an Individual Development Grant and a Cooperative Arrangement Development Grant. Both may be awarded in the same fiscal year. A grantee with an Individual Development Grant or a Cooperative Arrangement Development Grant may be a partner in one or more Cooperative Arrangement Development Grants. The lead institution in a Cooperative Arrangement Development Grant must be an eligible institution. Partners are not required to be eligible institutions. Current program grantees who have Individual Development Grants may not apply for another Individual Development Grant in this competition.

Relationship between the Title III, Part A Programs and the Developing Hispanic-Serving Institutions (HSI) Program

A grantee under the HSI program, which is authorized under title V of the HEA, may not receive a grant under any HEA, title III, part A program. 20 U.S.C. 1101d. The title III, part A programs are: SIP; the Tribally Controlled Colleges and Universities program; the Alaska Native and Native Hawaiian-Serving Institutions program; the Asian American and Native American Pacific Islander-Serving Institutions program; the Predominantly Black Institutions program; the Native American-Serving Nontribal Institutions program. Furthermore, a current title III, Part A V program grantee may not give up its grant to receive a grant under SIP, as described in 34 CFR 607.2(1).

An eligible IHE that is not a current grantee under the above-cited programs may apply for a FY 2023 grant under all title III, part A programs for which it is eligible, as well as receive consideration for a grant under the HSI program. However, a successful applicant may receive only one grant, as described in 34 CFR 607.2(1).

2. a. Cost Sharing or Matching: This program does not require cost sharing or matching unless the grantee uses a portion of its grant for establishing or improving an endowment fund. If a grantee uses a portion of its grant for endowment fund purposes, it must match those grant funds with non-Federal funds (20 U.S.C. 1057(d)(1)–(2)).

b. Supplement-Not-Supplant: This program involves supplement-not-supplant funding requirements. Grant funds must be used to supplement and, to the extent practical, increase the funds that would otherwise
be available for the activities to be carried out under the grant and in no case supplant those funds (34 CFR 607.30(b)).

c. Administrative Cost Limitation: This program does not include any program-specific limitation on administrative expenses. All administrative expenses must be reasonable and necessary and conform to Cost Principles described in 2 CFR part 200 subpart E of the Uniform Guidance.

3. Subgrantees: A grantee under this competition may not award subgrants to entities to directly carry out project activities described in its application.

IV. Application and Submission Information

1. Application Submission Instructions: Applicants are required to follow the Common Instructions for Applicants to Department of Education Discretionary Grant Programs, published in the Federal Register on December 7, 2022 (87 FR 75045), and available at https://www.federalregister.gov/d/2022-26554, which contain requirements and information on how to submit an application. Please note that these Common Instructions supersede the version published on December 27, 2021.

2. Intergovernmental Review: This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

3. Funding Restrictions: We specify unallowable costs in 34 CFR 607.10(c). We reference additional regulations outlining funding restrictions in the Applicable Regulations section of this notice.

4. Recommended Page Limit: The application narrative is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. We recommend that you limit the application narrative to no more than 50 pages for Individual Development Grants and no more than 65 pages for Cooperative Arrangement Development Grants. If you are addressing the competitive preference priority, we recommend that you limit your response to no more than an additional five pages total, three additional pages for the competitive preference priority and two additional pages for the invitational priority. Please include a separate heading when responding to one or both priorities. We also recommend that you use the following standards:

- A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides.
- Double-space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions as well as all text in charts, tables, figures, and graphs.
- Use a font that is either 12 point or larger, and no smaller than 10 pitch (characters per inch).
- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial.

The recommended page limit does not apply to the cover sheet; the budget section, including the narrative budget justification; the assurances and certifications; or the one-page abstract. However, the recommended page limit does apply to all of the application narrative.

Note: The Budget Information-Non-Construction Programs Form (ED 524) Sections A–C are not the same as the narrative response to the Budget section of the selection criteria. A detailed budget is required in the Budget selection criterion response.

V. Application Review Information

1. Selection Criteria: The following selection criteria for this competition are from 34 CFR 607.22(a) through (g) and 34 CFR 75.210. Applicants should address each of the following selection criteria separately for each proposed activity. The selection criteria below are worth a total of 100 points; the maximum score for each criterion is noted in parentheses. An applicant that also chooses to address the competitive preference priority can earn up to 106 total points.

(a) Quality of the Applicant’s Comprehensive Development Plan. (Maximum 20 Points) The extent to which—

(1) The strengths, weaknesses, and significant problems of the institution’s academic programs, institutional management, and fiscal stability are clearly and comprehensively analyzed and result from a process that involved major constituencies of the institution;

(2) The goals for the institution’s academic programs, institutional management, and fiscal stability are realistic and based on comprehensive analysis;

(3) The objectives stated in the plan are measurable, related to institutional goals, and if achieved, will contribute to the growth and self-sufficiency of the institution; and

(4) The plan clearly and comprehensively describes the methods and resources the institution will use to institutionalize practice and improvements developed under the proposed project, including, in particular, how operational costs for personnel, maintenance, and upgrades of equipment will be paid with institutional resources.

(b) Quality of the Project Design. (Maximum 15 Points) The Secretary considers the quality of the design of the proposed project. In determining the quality of the design of the proposed project, the Secretary considers the extent to which the proposed project demonstrates a rationale (as defined in this notice).

(c) Quality of Activity Objectives. (Maximum 16 Points) The extent to which the objectives for each activity are—

(1) Realistic and defined in terms of measurable results; and

(2) Directly related to the problems to be solved and to the goals of the comprehensive development plan.

(d) Quality of Implementation Strategy. (Maximum 15 Points) The extent to which—

(1) The implementation strategy for each activity is comprehensive;

(2) The rationale for the implementation strategy for each activity is clearly described and is supported by the results of relevant studies or projects; and

(3) The timetable for each activity is realistic and likely to be attained.

(e) Quality of Key Personnel. (Maximum 8 Points) The extent to which—

(1) The past experience and training of key professional personnel are directly related to the stated activity objectives; and

(2) The time commitment of key personnel is realistic.

(f) Quality of Project Management Plan. (Maximum 10 Points) The extent to which—

(1) Procedures for managing the project are likely to ensure efficient and effective project implementation; and

(2) The project coordinator and activity directors have sufficient authority to conduct the project effectively, including access to the president or chief executive officer.

(g) Quality of Evaluation Plan. (Maximum 10 Points) The extent to which—

(1) The data elements and the data collection procedures are clearly described and appropriate to measure the attainment of activity objectives and to measure the success of the project in achieving the goals of the comprehensive development plan; and
(2) The data analysis procedures are clearly described and are likely to produce formative and summative results on attaining activity objectives and measuring the success of the project on achieving the goals of the comprehensive development plan.

(b) Budget. (Maximum 6 Points) The extent to which the proposed costs are necessary and reasonable in relation to the project’s objectives and scope.

2. Review and Selection Process: We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant’s use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary requires various assurances, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.5, 106.4, 108.8, and 110.25).

A panel of three non-Federal reviewers will review and score each application in accordance with the selection criteria in this notice, as well as the competitive preference priority. A rank order funding slate will be made from this review. Awards will be made in rank order according to the average score received from the peer review.

If a tie-breaker is necessary, under 34 CFR 607.23(b) we award additional points to applications that contain any of the following three elements.

Specifically, we add 1 additional point for each of the following (up to 3 points total) to an application that:

(1) Has an endowment fund of which the current market value, per FTE enrolled student, is less than the average current market value of the endowment funds, per FTE enrolled student, at similar type institutions;

(2) Has expenditures for library materials per FTE enrolled student that are less than the average expenditure for library materials per FTE enrolled student at similar type institutions; or

(3) Proposes to carry out one or more of the following activities—

(i) Faculty development;

(ii) Funds and administrative management;

(iii) Development and improvement of academic programs;

(iv) Acquisition of equipment for use in strengthening management and academic programs;

(v) Joint use of facilities; and

(vi) Student services.

For these funding considerations, we use 2020–2021 data.

If a tie remains after applying the tie-breaker mechanism above, priority will be given to applicants that have the lowest expenditure values per FTE enrolled student.

3. Risk Assessment and Specific Conditions: Consistent with 2 CFR 200.206, before awarding grants under this program the Department conducts a review of the risks posed by applicants. Under 2 CFR 200.208, the Secretary may impose specific conditions and, under 2 CFR 3474.10, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

4. Integrity and Performance System: If you are selected under this competition to receive an award that over the course of the project period may exceed the simplified acquisition threshold (currently $250,000), under 2 CFR 200.206(a)(2) we must make a judgment about your integrity, business ethics, and record of performance under Federal awards—that is, the risk posed by you as an applicant—before we make an award. In doing so, we must consider any information about you that is in the integrity and performance system (currently referred to as the Federal Awardee Performance and Integrity Information System (FAPIIS)), accessible through the System for Award Management. You may review and comment on any information about yourself that a Federal agency previously entered and that is currently in FAPIIS.

Please note that, if the total value of your currently active grants, cooperative agreements, and procurement contracts from the Federal Government exceeds $10,000,000, the reporting requirements in 2 CFR part 200, appendix XII, require you to report certain integrity information to FAPIIS semiannually. Please review the requirements in 2 CFR part 200, appendix XII, if this grant plus all the other Federal funds you receive exceed $10,000,000.

5. In General: In accordance with the Office of Management and Budget’s guidance located at 2 CFR part 200, all applicable Federal laws, and relevant Executive guidance, the Department will review and consider applications for funding pursuant to this notice in accordance with:

(a) Selecting recipients most likely to be successful in delivering results based on the program objectives through an objective process of evaluating Federal award applications (2 CFR 200.205);

(b) Prohibiting the purchase of certain telecommunication and video surveillance services or equipment in alignment with section 889 of the National Defense Authorization Act of 2019 (Pub. L. 115–232) (2 CFR 200.216);

(c) Providing a preference, to the extent permitted by law, to maximize use of goods, products, and materials produced in the United States (2 CFR 200.322); and

(d) Terminating agreements in whole or in part to the greatest extent authorized by law if an award no longer effectuates the program goals or agency priorities (2 CFR 200.340).

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section of this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitment under the grant.

3. Open Licensing Requirements: Unless an exception applies, if you are awarded a grant under this competition, you will be required to openly license to the public grant deliverables created in whole, or in part, with Department grant funds. When the deliverable consists of modifications to pre-existing works, the license extends only to those modifications that can be separately identified and only to the extent that open licensing is permitted under the terms of any licenses or other legal restrictions on the use of pre-existing works. Additionally, a grantee or subgrantee that is awarded competitive grant funds must have a plan to
disseminate these public grant deliverables. This dissemination plan can be developed and submitted after your application has been reviewed and selected for funding. For additional information on the open licensing requirements please refer to 2 CFR 3474.20.

4. Reporting: (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

5. Performance Measures: For purposes of Department reporting under 34 CFR 75.110, the following performance measures will be used in assessing the effectiveness of SIP:

(a) The percentage change, over the 5-year period, of the number of full-time degree-seeking undergraduates enrolled at SIP institutions. Note that this is a long-term measure that will be used to periodically gauge performance.

(b) The percentage of first-time, full-time degree-seeking undergraduate students at 4-year SIP institutions who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same SIP institution.

(c) The percentage of first-time, full-time degree-seeking undergraduate students at 2-year SIP institutions who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same SIP institution.

(d) The percentage of first-time, full-time degree-seeking undergraduate students enrolled at 4-year SIP institutions graduating within 6 years of enrollment.

(e) The percentage of first-time, full-time degree-seeking undergraduate students enrolled at 2-year SIP institutions graduating within 3 years of enrollment.

6. Continuation Awards: In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, whether the grantee has made substantial progress in achieving the performance targets in the grantee’s approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised and continuing collections of information. This helps ED assess the impact of its information collection requirements and minimize the public’s reporting burden. It also helps the public understand ED’s information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. ED is especially interested in public comments addressing the following issues: (1) is
