DEPARTMENT OF HOMELAND SECURITY

Coast Guard

[Docket No. USCG–2023–0244]

Recertification of Prince William Sound Regional Citizens' Advisory Council

AGENCY: Coast Guard, DHS.

ACTION: Notice of recertification.

SUMMARY: The Coast Guard announces the recertification of the Prince William Sound Regional Citizens' Advisory Council (PWSRCAC) as an alternative voluntary advisory group for Prince William Sound, Alaska. This certification allows the PWSRCAC to monitor the activities of terminal facilities and crude oil tankers under an alternative composition, other than prescribed, the Prince William Sound Program established by the Oil Terminal and Oil Tanker Environmental Oversight and Monitoring Act of 1990.

DATES: This recertification is effective for the period from March 1, 2023 through February 29, 2024.

FOR FURTHER INFORMATION CONTACT: For information about this document, call or

email LT Ben Bauman, Seventeenth Coast Guard District (dpi), by phone at (907) 463-2809 or email at Benjamin.A.Bauman@uscg.mil.

SUPPLEMENTARY INFORMATION:

Background and Purpose

The Coast Guard published guidelines on December 31, 1992 (57 FR 62600), to assist groups seeking recertification under the Oil Terminal and Oil Tanker Environmental Oversight and Monitoring Act of 1990 (33 U.S.C. 2732) (the Act). The Coast Guard issued a policy statement on July 7, 1993 (58 FR 36504), to clarify the factors that the Coast Guard would be considering in making its determination as to whether advisory groups should be certified in accordance with the Act, and the procedures which the Coast Guard would follow in meeting its certification responsibilities under the Act. Most recently, on September 16, 2002 (67 FR 58440), the Coast Guard changed its policy on recertification procedures for regional citizen's advisory council by requiring applicants to provide comprehensive information every three years. For each of the two years between the triennial application procedures, applicants submit a letter requesting recertification that includes a description of any substantive changes to the information provided at the previous triennial recertification. Further, public comment is only solicited during the triennial comprehensive review.

The Alyeska Pipeline Service Company pays the PWSRCAC \$3.7 million annually in the form of a long-term contract. In return for this funding, the PWSRCAC must annually show that it "fosters the goals and purposes" of OPA 90 and is "broadly representative of the communities and interests in the vicinity of the terminal facilities and Prince William Sound." The PWSRCAC is an independent, nonprofit organization founded in 1989. Though it receives federal oversight like many independent, nonprofit organizations, it is not a federal agency. The PWSRCAC is a local organization that predates the passage of OPA 90. The existence of the PWSRCAC was specifically recognized in OPA 90 where it is defined as an "alternative voluntary advisory group." Alyeska Pipeline Service Company funds the PWSRCAC, and the Coast Guard ensures the PWSRCAC operates in a fashion that is broadly consistent with OPA 90.

Discussion of Comments

On December 22, 2022, the Coast Guard published a Notice; Request for comments titled "Application for

Recertification of Prince William Sound Regional Citizens' Advisory Council" in the **Federal Register** (87 FR 78701). We received 76 comments, all in support of the PWSRCAC recertification. No public meeting was requested. The comments consistently cited PWSRCAC's collaborative partnerships in furthering the respective communities' interest to promote safety, to maintain effective prevention and response efforts regarding oil pollution, and to protect the sensitive marine environment along Alaska's coastline.

Recertification

By letter dated February 25, 2023, the Commander, Seventeenth Coast Guard District, certified that the PWSRCAC qualifies as an alternative voluntary advisory group under 33 U.S.C. 2732(o). This recertification terminates on February 29, 2024.

Dated: March 6, 2023.

Nathan A. Moore,

Rear Admiral, U.S. Coast Guard, Commander, Seventeenth Coast Guard District.

A. Overview of Information Collection

Title of Information Collection: Evaluation of the Supportive Services Demonstration.

OMB Approval Number: 2528-0321.

Type of Request: Revision.

Form Number: None.

Description of the need for the information and proposed use: The U.S. Department of Housing and Urban Development (HUD) has contracted with Abt Associates Inc. and L&M Policy Research to continue conducting an evaluation of HUD's Supportive Services Demonstration (demonstration, or SSD), which was extended by Congress for an additional two years in the Consolidated Appropriations Act, 2021. The demonstration tests the Integrated Wellness in Supportive Housing (IWISH) model and is designed to learn whether structured health and wellness support can help older adults living in affordable housing successfully age in place. The demonstration funds a full-time Resident Wellness Director and part-time Wellness Nurse to work in HUD-assisted housing developments that either predominantly or exclusively serve households headed by people aged 62 and over. The demonstration is testing whether IWISH will affect unplanned hospitalizations and the use of other types of acute care with high healthcare costs, the use of primary and nonacute care, the length of stay in housing, transitions to long-term care facilities, and mortality.
