Organizations that currently have non-voting liaison representatives serving on ACWS are also eligible for nomination or to nominate themselves for consideration.

This information should demonstrate the organization's proven ability to work and communicate with the maternal mental health patient and advocacy community, and other public/private organizations concerned with maternal mental health, including public health agencies at the federal, state, and local levels.

(2) Two to four letters of recommendation that clearly state why the organization is qualified to serve on the ACWS subcommittee on maternal mental health in a non-voting liaison representative position. These letters should be from individuals who are not part of the organization.

(3) A statement that the organization is willing to serve as a non-voting liaison representative of the Subcommittee and will cover expenses for their representative to attend in-person, at a minimum, one ACWS meeting per year in Rockville, MD during the designated term of appointment.

(4) A current financial disclosure statement (or annual report) demonstrating the organization's ability to cover expenses for its selected representative to attend, at a minimum, one ACWS subcommittee meeting per year in Rockville, MD, during the term of appointment.

Submitted nominations must include these critical elements in order for the
