33 CFR Part 165

[Docket Number USCG-2023-0120]

RIN 1625-AA00

Safety Zone; Atlantic Ocean, Cocoa Beach, FL

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on certain waters of the Atlantic Ocean near Cocoa Beach, FL. This action is necessary to provide for the safety of the boating public on navigable waters near

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good

cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it would be impracticable. The Coast Guard lacks sufficient time to provide for a comment period and then consider those comments before issuing the rule since this rule is needed by April 13, 2023. It would be contrary to the public interest since immediate action is necessary to protect the safety of the public, and vessels transiting the waters of the Atlantic Ocean near Cocoa Beach, FL.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable because immediate action is needed to respond to the potential safety hazards associated with the Cocoa Beach airshow.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Jacksonville (COTP) has determined that potential hazards associated with an airshow occurring between April 13 and April 16, 2023, will be a safety concern for anyone within a defined boundary off the shore of Cocoa Beach, FL. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone while the airshow occurs.
