Abstract: The Food and Nutrition Service administers the Child Nutrition Act of 1966, as amended (42 U.S.C. 1771, *et seq.*). Section 243(c) of Public Law 106–224, the Agricultural Risk Protection Act of 2000, amended section 17(d)(5) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1766 (d)(5)(E)(i) and (ii)) by requiring the Department of Agriculture to maintain a list of institutions, day care home providers, and individuals that

have been terminated or otherwise disqualified from Child and Adult Care Food Program participation. The law also requires the Department to make the list available to State agencies for their use in reviewing applications to participate in the program and to sponsoring organizations to ensure that they do not employ as principals any persons who are disqualified from the program. Forms FNS–843 Report of Disqualification from Participation—Institutions and Responsible Principals/Individuals and FNS–844 Report of Disqualification from Participation—Individually Disqualified Responsible Principal/Individual or Day Care Home Provider are used to collect and maintain this data via a FNS web-based system constructed to update and maintain the list of disqualified institutions and individuals so that no State agency or sponsoring organization may approve any entity on the National Disqualified List to ensure the integrity of the Program. This statutory mandate has been incorporated into § 226.6(c)(7) of the Program regulations. In addition, the recordkeeping burden associated with maintaining documentation related to institutions and providers terminated for cause at the State agency level is captured under the Information Collection for the CACFP, OMB Control Number 0584–0055 Child and Adult Care Food Program (CACFP), expiration date August 31, 2025. Therefore, there is no recordkeeping burden associated with this collection.

SUPPLEMENTARY INFORMATION:

Advance Notice and Public Comment Procedures

Section 4103 of the John D. Dingell, Jr. Conservation, Management, and Recreation Act of 2019 (Pub. L. 116-9, Title IV (Sportsmen's Access and Related Matters)), hereinafter "the Dingell Act," requires the Forest Service to provide advance notice and opportunity for public comment before temporarily or permanently closing any National Forest System (NFS) lands to hunting, fishing, or recreational shooting. Section 4103 of the Dingell Act applies to the proposed permanent order prohibiting recreational shooting in the northern Canyon Lakes, Sulphur, and southern Clear Creek Ranger Districts of the Arapaho and Roosevelt National Forests and Pawnee National Grassland, and to the proposed permanent order prohibiting recreational shooting in the northern Clear Creek and southern Boulder Ranger Districts of the Arapaho and Roosevelt National Forests and Pawnee National Grassland. The public notice and comment process in section 4103(b)(2) of the Dingell Act requires the Forest Service to publish a notice of intent in the **Federal Register** of the proposed permanent orders in advance of the public comment period for the proposed permanent orders. This notice meets the requirement to publish a notice of intent in the **Federal Register** in advance of the public comment period.

Following the notice of intent, section 4103(b)(2) of the Dingell Act requires an opportunity for public comment on proposed temporary or permanent hunting, fishing, or recreational shooting orders. Because the proposed orders would permanently prohibit recreational shooting in the southern Boulder, northern Canyon Lakes, Sulphur, and Clear Creek Ranger Districts of the Arapaho and Roosevelt National Forests and Pawnee National Grassland, the public comment period must be at least 60 days. Beginning on May 5, 2023, the Forest Service will accept public comments on the proposed permanent orders for 60 days. The notice of opportunity for public comment will be posted on the Arapaho and Roosevelt National Forests and

Pawnee National Grassland's web page at www.fs.usda.gov/goto/arp/recshootingmgt.

Section 4103(b)(2) of the Dingell Act requires the Forest Service to respond to public comments received on the proposed permanent orders before issuing final permanent orders, including an explanation of how any significant issues raised by the comments were resolved and, if applicable, how resolution of those issues affected the proposed permanent orders or the justification for the proposed permanent orders. The final permanent orders, maps, justification for the final permanent orders, and response to comments on the proposed permanent orders will be posted on the Arapaho and Roosevelt National Forests and Pawnee National Grassland's web page at www.fs.usda.gov/goto/arp/recshootingmgt.

Background and Need

The proposed permanent orders would implement applicable land management plan direction in the Arapaho and Roosevelt National Forests and Pawnee National Grassland's 2019 Land and Resource Management Plan amendment (Plan Amendment). Shooting sports are long-standing and appropriate uses of NFS lands. The Plan Amendment direction includes a management goal of providing for recreational shooting opportunities across the Arapaho and Roosevelt National Forests in a manner that addresses public health and safety concerns. The Plan Amendment also identifies NFS lands unsuitable for recreational shooting. Consistent with the Plan Amendment, the proposed permanent orders would prohibit recreational shooting, defined as discharging a firearm, air rifle or gas gun, on 94,900 acres of NFS lands designated as unsuitable for recreational shooting in southern Clear Creek, Jefferson, Park, northern Larimer, and Grand Counties, Colorado, which include the northern Canyon Lakes, Sulphur, and southern Clear Creek Ranger Districts of the Arapaho and Roosevelt National Forests and Pawnee National Grassland, and on 46,195 acres of NFS lands designated as unsuitable for recreational shooting in northern Clear Creek and Gilpin Counties, Colorado, which include the southern Boulder and northern Clear Creek Ranger Districts of the Arapaho and Roosevelt National Forests and Pawnee National Grassland.

Implementation of the proposed permanent orders is consistent with the framework in the decision notice for the Plan Amendment for phasing out
