

instructions, a template, and a certification form for the proposed 2023 Mandatory Data Collection. See 2023 IPCS Mandatory Data Collection—Proposed Instructions, available for download at <https://www.fcc.gov/document/2023-ipc-mandatory-data-collection-proposed-instructions>. Under WCB/OEA's proposals, IPCS providers would be required to submit the required data using a reporting template that would be filed through the Commission's electronic comment filing system. The proposed template consists of a Word document (Appendix A to the instructions) for responses requiring narrative information and Excel spreadsheets (Appendix B to the instructions) for responses that require specific numbers or information. IPCS providers would also be required to submit an audited financial statement or report for 2022, and a signed certification of truthfulness, accuracy, and completeness. The instructions, template, and certification form would simplify compliance with, and reduce the burden of, this data collection. These proposed documents will be submitted to the Office of Management and Budget as FCC Form 2303(a) and FCC Form 2303(b).

On April 28, 2023, WCB/OEA released a Public Notice seeking comment on all aspects of the proposed instructions, template, and certification form. See Proposed 2023 IPCS Mandatory Data Collection Public Notice, available for download at <https://www.fcc.gov/document/proposed-2023-ipc-mandatory-data-collection-public-notice>. WCB/OEA will consider comments submitted in response to both the Public Notice and this notice in finalizing the proposed data collection prior to submitting the documents to the Office of Management and Budget.
