

Vulnerability Index. Information on whether your project qualifies for priority points can be found at the following website: <https://www.rd.usda.gov/priority-points>.

(iii) Climate Impacts (up to 5 points): Priority points may be awarded if the project is located in or serving coal, oil and gas, and power plant communities whose economic well-being ranks in the most distressed tier of the Distressed Communities Index. Information on whether your project qualifies for priority points can be found at the following website: <https://www.rd.usda.gov/priority-points>.

The minimum score requirement for grants awarded under this funding opportunity is 50 points. Final scores are determined by the Agency. The Agency reserves the right to withhold the awarding of funds for applications that fail to meet the minimum required final score. Meeting the minimum scoring requirements and/or receiving priority funding points or discretionary points from the Administrator does not guarantee a funding award.

The Agency will notify all responding entities whether their application has been accepted or rejected and provide appeal rights under 7 CFR part 11, as appropriate.

Joaquin Altoro,

Administrator, Rural Housing Service.

Rural Housing Service

[Docket No. RHS–23–CF–0003]

Community Facilities Technical Assistance and Training Grant Program for Fiscal Year 2023; Correction

AGENCY: Rural Housing Service, USDA.

ACTION: Notice of Funds Availability (NOFA); correction.

SUMMARY: The Rural Housing Service (RHS), a Rural Development agency of the United States Department of Agriculture (USDA), is correcting a notice of funding availability (NOFA) that was published in the **Federal Register** on April 21, 2023, entitled, “Community Facilities Technical Assistance and Training Grant Program for Fiscal Year 2023.” The Notice announced the acceptance of applications under the Community Facilities Technical Assistance and Training (TAT) Grant Program for fiscal year (FY) 2023. The document

contained an incorrect date. The purpose of this notice is to correct the application deadline dates published in the **Federal Register** on April 21, 2023.

DATES: May 4, 2023.

FOR FURTHER INFORMATION CONTACT:

Nathan Chitwood, Asset Risk Management Specialist at email address nathan.chitwood@usda.gov, United States Department of Agriculture, Rural Development, Business Loop 70 West, Suite 235, Columbia, MO 65203; or call; Telephone: 573–876–0965. For further information on submitting program applications under this notice, please contact the USDA RDSO in the state where the applicant’s headquarters is located. A list of RDSO contacts is provided at the following link: <https://www.rd.usda.gov/about-rd/state-offices>.

SUPPLEMENTARY INFORMATION:

Correction

In the **Federal Register** of April 21, 2023, in FR Doc. 2023–08447, on page 24544, in the first column, correct the **DATES** caption to read as follows:

DATES: *Paper submissions:* Paper submissions must be received by the Agency no later than 4:00 p.m. local time on June 20, 2023, to be eligible for funding under this grant opportunity. Late or incomplete applications will not be eligible for funding.

Electronic submissions: Electronic submissions must be received no later than June 15, 2023, to be eligible for funding under this grant opportunity. Late or incomplete applications will not be eligible for funding. Electronic applications must be submitted via <https://www.Grants.gov> by 11:59 p.m. Eastern Time on June 15, 2023.

Joaquin Altoro,

Administrator, Rural Housing Service.

DEPARTMENT OF COMMERCE

International Trade Administration

[A–520–807]

Circular Welded Carbon-Quality Steel Pipe From the United Arab Emirates: Final Results of Antidumping Duty Administrative Review; 2020–2021

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that the producers/exporters subject to this administrative review made sales of subject merchandise at prices less than

normal value during the period of review (POR), December 1, 2020, through November 30, 2021.

DATES: Applicable May 4, 2023.

FOR FURTHER INFORMATION CONTACT:

Benjamin A. Luberdia or Alice Maldonado, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–2185 or (202) 482–4682, respectively.

SUPPLEMENTARY INFORMATION:

Background

This review covers five producers/exporters of the subject merchandise. Commerce selected two mandatory respondents for individual examination: Ajmal Steel Tubes & Pipes Ind. L.L.C./Ajmal Steel Tubes & Pipes Ind. L.L.C.-Branch-1 (collectively, Ajmal)¹ and Universal Tube and Plastic Industries, Ltd./THL Tube and Pipe Industries LLC/KHK Scaffolding and Formwork LLC (collectively, Universal).² The producers/exporters not selected for individual examination are Conares Metal Supply Limited, TSI Metal

¹ We collapsed Ajmal Steel Tubes & Pipes Ind. L.L.C. and Noble Steel Industries L.L.C. (Noble Steel) together in the final results of the 2016–2017 administrative review. See *Circular Welded Carbon-Quality Steel Pipe from the United Arab Emirates: Final Results of Antidumping Duty Administrative Review; 2016–2017*, 84 FR 44845 (August 27, 2019) (CWP from the UAE 2016–2017 Final Results). Because there is no information on the record of this administrative review that would lead us to revisit this determination, we continue to treat these companies as part of a single entity for the purposes of this administrative review. In the final results of the 2019–2020 administrative review, we found that Ajmal Steel Tubes & Pipes Ind., L.L.C.-Branch-1 is the successor-in-interest to Noble Steel. See *Circular Welded Carbon-Quality Steel Pipe from the United Arab Emirates: Final Results of Antidumping Duty Administrative Review; 2019–2020*, 87 FR 41111 (July 11, 2022) (CWP from the UAE 2019–2020 Final Results).

² Commerce previously determined that Universal is a single entity consisting of the following three producers/exporters of subject merchandise: Universal Tube and Plastic Industries, Ltd.; KHK Scaffolding and Formwork LLC; and Universal Tube and Pipe Industries LLC (UTP). See *Circular Welded Carbon-Quality Steel Pipe from the United Arab Emirates: Affirmative Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination*, 81 FR 36882 (June 8, 2016), and accompanying Preliminary Decision Memorandum (PDM), unchanged in *Circular Welded Carbon-Quality Steel Pipe from the United Arab Emirates: Final Determination of Sales at Less Than Fair Value*, 81 FR 75030 (October 28, 2016), and accompanying Issues and Decision Memorandum. Because there is no information on the record of this administrative review that would lead us to revisit this determination, we are continuing to treat these companies as part of a single entity for the purposes of this administrative review. Additionally, we previously determined that THL Tube and Pipe Industries LLC is the successor-in-interest to UTP. See CWP from the UAE 2016–2017 Final Results.
