Take notice that on May 5, 2023, Texas Gas Transmission, LLC (Texas Gas) requested that the Federal Energy Regulatory Commission (Commission) grant an extension of time, until June 26, 2025, to abandon certain pipeline facilities, including all related appurtenant and auxiliary facilities, originally authorized in the June 26, 2018 Order Approving Abandonment under section 7 of the Natural Gas Act and part 157 of the Commission’s regulations (June 26, Order).¹ Ordering Paragraph (B) of the June 26 Order provided a deadline of June 26, 2019, to complete abandonment of the facilities.

On June 5, 2019, Texas Gas filed a request for an extension of time, until December 1, 2020, to complete abandonment activities, so as to continue ongoing landowner negotiations and to obtain the necessary environmental permits within the appropriate construction season.
