DEPARTMENT OF HOMELAND SECURITY**Coast Guard****33 CFR Part 165**

[Docket Number USCG-2023-0354]

RIN 1625-AA00

Safety Zone; Kanawha River, Nitro, WV**AGENCY:** Coast Guard, Department of Homeland Security (DHS).**ACTION:** Temporary final rule.

SUMMARY: The Coast Guard is establishing a safety zone for all navigable waters of the Kanawha River between mile markers 43 and 44. The safety zone is needed to protect personnel, vessels, and the marine environment from the potential hazards created by a fireworks display. Entry of vessels or persons into this zone is prohibited unless specifically authorized by Captain of the Port Marine Safety Unit Huntington.

DATES: This rule is effective from 9 p.m. through 10 p.m. on May 27, 2023.

 DHS Department of Homeland Security
 FR Federal Register
 NPRM Notice of proposed rulemaking
 § Section
 U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the

Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because we must establish the safety zone by May 27, 2023, and lack sufficient time to request public comments and respond to these comments before the safety zone must be established. Waiting for a full comment period to run would inhibit the Coast Guard's ability to keep the public safe from the hazards associated with a fireworks display and the ability to minimize the impact to vessel traffic on the navigable waterway.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because immediate action is needed to respond to the potential safety hazards associated with the Nitro Memorial Day Celebration taking place on the Kanawha River between mile marker 43 and mile marker 44.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Ohio Valley (COTP) has determined that potential hazards associated with Nitro Memorial Day Celebration starting May 27, 2023, will be a safety concern for anyone on the Kanawha River from mile marker 43 to mile marker 44. This rule is needed to protect personnel, vessels, and the marine environment from potential hazards associated with a fireworks display.

IV. Discussion of the Rule

This rule establishes a safety zone from 9 p.m. through 10 p.m. on May 27, 2023. The safety zone will cover all navigable waters between mile markers 43 and 44 on the Kanawha River. The duration of the safety zone is intended to protect personnel, vessels, and the marine environment from potential hazards created by a fireworks display.

No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative. A designated representative is a commissioned, warrant, or petty officer of the U.S. Coast Guard (USCG) assigned to units under the operational control of

the COTP. To seek permission to enter, contact the COTP or a designated representative via VHF-FM channel 16, or through Marine Safety Unit Huntington at 304-563-9084. Persons and vessels permitted to enter the safety zone must comply with all lawful orders or directions issued by the COTP or designated representative. The COTP or a designated representative will inform the public of the effective period for the safety zone as well as any changes in the dates and times of enforcement through Local Notice to Mariners (LNMs), Broadcast Notices to Mariners (BNMs), and/or Marine Safety Information Bulletins (MSIBs), as appropriate.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location, and duration of the safety zone. This safety zone impacts a 1-mile stretch of the Kanawha River for a limited duration of less than 2 hours. Vessel traffic will be informed about the safety zone through local notices to mariners. Moreover, the Coast Guard will issue Broadcast Notices to Mariners via VHF-FM marine channel 16 about the zone and the rule allows vessels to seek permission to transit the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601-612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a

significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes,

or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone lasting one hour that will limit access of the Kanawha River from mile marker 43 to mile marker 44. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3.

■ 2. Add § 165.T08–0354 to read as follows:

§ 165.T08–0354 Safety Zone; Kanawha River, Nitro, WV.

(a) *Regulated area.* The regulations in this section apply to the following area: all navigable waters of the Kanawha River from mile marker 43 to mile marker 44 near Nitro City Park, Park Avenue, Nitro, WV.

(b) *Definitions.* As used in this section:

Designated representative means a Coast Guard Patrol Commander (PATCOM), including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Ohio Valley (COTP) in the enforcement of the regulations in this section.

Participant means all persons and vessels registered with the event sponsor as a participants in the race.

(c) *Regulations.* (1) The Coast Guard may patrol the event area under the direction of a designated Coast Guard Patrol Commander. The Patrol Commander may be contacted on Channel 16 VHF–FM (156.8 MHz) by the call sign “PATCOM.”

(2) All persons and vessels not registered with the sponsor as participants or official patrol vessels are considered spectators. The “official patrol vessels” consist of any Coast Guard, state or local law enforcement, and sponsor provided vessels assigned or approved by the Commander, Eighth Coast Guard District, to patrol the event.

(3) Spectator vessels desiring to transit the regulated area may do so only with prior approval of the Patrol Commander and when so directed by that officer and will be operated at a no wake speed in a manner which will not endanger participants in the event or any other craft.

(4) No spectator shall anchor, block, loiter, or impede the through transit of participants or official patrol vessels in the regulated area during the enforcement period in paragraph (d) of this section, unless cleared for entry by or through an official patrol vessel.

(5) The Patrol Commander may forbid and control the movement of all vessels in the regulated area. When hailed or

signaled by an official patrol vessel, a vessel shall come to an immediate stop and comply with the directions given. Failure to do so may result in expulsion from the area, citation for failure to comply, or both.

(6) Any spectator vessel may anchor outside the regulated area specified in paragraph (a) of this section, but may not anchor in, block, or loiter in a navigable channel.

(7) The Patrol Commander may terminate the event or the operation of any vessel at any time it is deemed necessary for the protection of life or property.

(8) To seek permission to enter, contact the COTP or the COTP's representative by VHF-FM marine radio channel 16 or phone at 1-800-253-7465. Those in the regulated area must comply with all lawful orders or directions given to them by the COTP or the designated representative.

(9) The COTP will provide notice of the regulated area through advanced notice via local notice to mariners and broadcast notice to mariners and by on-scene designated representatives.

(d) *Enforcement period.* The safety zone in paragraph (a) of this section will be enforced from 9 p.m. to 10 p.m. on May 27, 2023.

Dated: May 9, 2023.

H.R. Mattern,

Captain, U.S. Coast Guard, Captain of the Port Ohio Valley.

POSTAL SERVICE

39 CFR Part 111

Commercial Mail Receiving Agencies

AGENCY: Postal Service™.

ACTION: Final rule.

SUMMARY: The Postal Service is revising *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) to update the regulations concerning Commercial Mail Receiving Agencies (CMRAs).

DATES: Effective July 1, 2023.

FOR FURTHER INFORMATION CONTACT: Judi Mummy at (858) 674-3155, Clayton Gerber at (202) 449-8076, or Garry Rodriguez at (202) 268-7281.

SUPPLEMENTARY INFORMATION: On January 12, 2023, the Postal Service published a notice of proposed rulemaking (88 FR 2047-2049) to revise subsection 508.1.8 by reorganizing and revising the subsections in 508.1.8. The proposed rule included changes to

accommodate the development of an electronic database to collect and manage the information collected on PS Form 1583, *Application for Delivery of Mail Through Agent*, which has been collected and maintained as paper records. In this final rule, the Postal Service is adopting the proposed rule with three minor changes described below. As part of the final rule, CMRAs will receive direct notification from the Postal Service informing them how to gain access to the CMRA Customer Registration Database (CRD). Following notification, the CMRA will have a period of approximately 9 months to collect and enter into the CRD new PS Form 1583s for each of their existing Private Mailbox (PMB) customers. PS Form 1583 applications for new PMB customers must be entered into the new CMRA CRD when they are received.

Below are high-level summaries of the changes made to the proposed rule in this final rule:

- DMM section 1.8.2.f will prohibit PMBs from being used for unlawful activity similar to the provisions that apply to P.O. Boxes.
- CMRAs will be permitted to dispose of copies of identification documents after they upload them into the CMRA CRD.
- It is sufficient for a CMRA to maintain a digital copy of each signed PS Form 1583 in lieu of a paper form.

Response to Comments

The Postal Service received 26 responses to the notice of proposed rulemaking, several of which included comments on multiple topics. Commenters included CMRAs, associations, and individual consumers. Comments and Postal Service responses are summarized as follows.

Comment: Several commenters recognized that the new online CMRA CRD will solve the cumbersome and outdated paper-based submission and filing system with the current PS Form 1583—Application for Delivery of Mail Through Agent.

Response: The Postal Service shares this assessment and expects that changes will significantly improve accuracy, security, record keeping, and delivery service.

Comment: Several comments indicating that the changes are not possible because the current PS Form 1583 either contradicts the new DMM changes or does not collect the information articulated in the DMM changes.

Response: These comments assume PS Form 1583 will not be changed; however, the Postal Service has updated the PS Form 1583 to be consistent with

the DMM changes and new CMRA CRD and will be making the new form available in conjunction with this final rule. The revised Form is available to the public at <https://about.usps.com/resources/forms.htm>.

Comment: Several commenters expressed concerns about compliance with privacy laws as well as 18 United States Code 701 relating to the copying of government identification cards. Additionally, we have been asked to limit or clarify what the Postal Service may use the information we collect in the CMRA CRD for.

Response: The final rule is not inconsistent with 18 U.S.C. 701, which provides that copies may be made as “authorized under regulations made pursuant to law.” The CMRA regulations set forth in the DMM are Postal Service regulations and incorporated by reference in the Code of Federal Regulations in accordance with 39 CFR parts 111 and 211. The DMM’s identification photocopying requirement falls within the exception recognized by § 701 for copying that is “authorized under regulations made pursuant to law.”

The Postal Service, as an independent establishment of the Executive Branch, complies with the Privacy Act of 1974. Under the Privacy Act, the Postal Service is permitted to collect Privacy Act protected information, including copies of government identification cards retrievable by individual identifier, in a Privacy Act system of records. Records pertaining to CMRAs fall within the scope of the Postal Service Privacy Act customer systems of records found in USPS SOR 845.000, Commercial Mail Receiving Agency, in Appendix E to USPS Handbook AS-353. Changes to USPS SOR 845.000 were recently published in the **Federal Register** so as to facilitate the changes in practice reflected in this final rule at 87 FR 79005 (<https://www.federalregister.gov/documents/2022/12/23/2022-27992/notice-of-new-system-of-records-response-to-comments>).

Comment: Several commenters asked about the forms of identification that are acceptable to present when opening a PMB at a CMRA, mentioning corporate identifications and utility bills, among other forms.

Response: The Postal Service updated the acceptable forms of identification for its various services in a prior DMM update published in the Postal Bulletin No. 22613 (https://about.usps.com/postal-bulletin/2022/pb22613/html/updt_001.htm). Only those specifically enumerated forms of identification are acceptable. Corporate identification
