A. Overview of Information Collection

Title of Information Collection: Emergency Housing Voucher and Stability Voucher Data Collection.

OMB Approval Number: OMB: 2577-0297.

Type of Request: Reinstatement of expired data collection.

Form Number: HUD Financial Forms, HUD-52681-B.

Description of the need for the information and proposed use:

This is a reinstatement of emergency PRA 2577-0297 which will then be discontinued. The data collected within this PRA has been absorbed by another collection 2577-0282.

The Housing Choice Voucher (HCV) Program was recently appropriated \$43,439,000 for a new homeless voucher program in the Fiscal Year 2021 appropriation and \$5,000,000,000 for Emergency Housing Vouchers in the American Rescue Plan of 2021. For both of these new voucher types it is necessary to have the ability to monitor and track the expenses and lease-up of these new vouchers to ensure utilization and appropriate program oversight. Without this data collection it will be impossible to recapture and reallocate unused vouchers per congressional mandate.

Overall, the Housing Choice Voucher program has the need to collect leasing and expenditure data from Public Housing Agencies (PHAs) on a monthly basis to determine utilization for these vouchers as well as apply cash management principles for funds accounting. Further, HUD needs to collect this leasing and expenditure information in an expedited manner to ensure that HUD can follow the congressional directive to “revoke and redistribute any unleased vouchers and associated funds, including administrative costs to other public housing agencies.”
