

Eastern Time on the established deadline.

Commerce intends to issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless otherwise extended.¹⁵

Assessment Rates

Upon completion of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries.¹⁶

For each individually examined respondent in this review whose weighted-average dumping margin in the final results of review is not zero or *de minimis* (i.e., less than 0.5 percent), Commerce intends to calculate importer-specific assessment rates for antidumping duties, in accordance with 19 CFR 351.212(b)(1).¹⁷ Where the respondent reported reliable entered values, Commerce intends to calculate importer-specific *ad valorem* assessment rates by aggregating the amount of dumping calculated for all U.S. sales to the importer and dividing this amount by the total entered value of the merchandise sold to the importer.¹⁸ Where the respondent did not report entered values, Commerce will calculate importer-specific per-unit assessment rates by dividing the amount of dumping for reviewed sales to the importer by the total quantity of those sales. In addition, Commerce will calculate an estimated importer-specific *ad valorem* assessment rate to determine whether the per-unit assessment rate is *de minimis*; however, Commerce will use the per-unit assessment rate where entered values were not reported.¹⁹ Where an importer-specific *ad valorem* assessment rate is not zero or *de minimis*, Commerce will instruct CBP to collect the appropriate duties at the time of liquidation. Where either the respondent's weighted average dumping margin is zero or *de minimis*, or an importer-specific *ad valorem* assessment rate is zero or *de minimis*, Commerce will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.²⁰

For the final results, if we continue to treat the C&U Group, C&U Automotive, C&U Metallurgy, Huangshi C&U, and Sichuan C&U as part of China-wide entity, we will instruct CBP to apply an *ad valorem* assessment rate of 92.84 percent to all entries of subject merchandise during the POR that were exported by these companies.

For Jingli, the company that is receiving a separate rate and was not individually examined, its assessment rate will be equal to the weighted-average dumping margin determined in the final results of this review.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) for the exporters listed above that have a separate rate, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this review (except, if the rate is zero or *de minimis*, then a cash deposit rate of zero will be established for that company); (2) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that are currently eligible for a separate rate, the cash deposit rate will continue to be equal to the exporter-specific weighted-average dumping margin published for the most recently completed segment of this proceeding; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the cash deposit rate established for the China-wide entity, 92.84 percent; and (4) for all exporters of subject merchandise that are not located in China and that are not eligible for a separate rate, the cash deposit rate will be the rate applicable to the Chinese exporter(s) that supplied that non-Chinese exporter.

These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: June 29, 2023.

the date of publication of notice of initiation of the requested review. Six companies upon which we initiated a review timely withdrew their review requests and no other interested party requested a review of their entries during the POR. As a result, Commerce is rescinding this review with respect to these six companies (ASI Industries Limited, Divine Surfaces Private Limited, Evetis Stone India Pvt. Ltd., Imperiaal Granimarmo Pvt Ltd., PM Quartz Surfaces Pvt. Ltd., and Shanmukha Exports) in accordance with 19 CFR 351.213(d)(1).

Methodology

Commerce is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). We calculated export price in accordance with section 772 of the Act. We calculated normal value in accordance with section 773 of the Act. For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum. A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). Preliminary Results of the Review

Commerce preliminarily determines the following weighted-average dumping margins exist for the POR:

Producer/exporter	Weighted-average dumping margin (percent)
Pokarna Engineered Stone Limited	0.00
Marudhar Rocks International Pvt. Ltd./Marudhar Quartz Surface Private Limited ⁶	0.00
Non-Selected Companies ⁷	0.00

⁶ We have preliminarily determined to treat Marudhar Rocks International Pvt. Ltd. Marudhar Quartz Surface Private Limited as a single entity for this administrative review. See Memorandum, "Preliminary Affiliation and Collapsing Memorandum," dated concurrently with this notice.

⁷ See Appendix II for a full list of the companies not individually examined in this review.

Disclosure and Public Comment

Commerce intends to disclose the calculations performed in connection with these preliminary results to interested parties within five days after the date of publication of this notice.⁸ Interested parties may submit case briefs no later than 30 days after the date of publication of this notice.⁹ Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the time limit for filing case briefs.¹⁰ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹¹ Executive summaries should be limited to five pages total, including footnotes. Case and rebuttal briefs should be filed using ACCESS.¹² Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹³

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. of review, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

If the weighted-average dumping margin for PESL or Marudhar Rocks is not zero or *de minimis* (*i.e.*, less than 0.5 percent) in the final results of this review, we will calculate importer-specific *ad valorem* assessment rates for the merchandise based on the ratio of the total amount of dumping calculated for the examined sales made during the POR to each importer and the total entered value of those same sales, in accordance with 19 CFR 351.212(b)(1). Where an importer-specific *ad valorem* assessment rate is zero or *de minimis* in the final results of review, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties, in accordance with 19 CFR 351.106(c)(2). If a respondent's weighted-average dumping margin is zero or *de minimis* in the final results of review, we will instruct CBP not to assess duties on any of its entries in accordance with the *Final Modification for Reviews*, *i.e.*, “{w}here the weighted-average margin of dumping for the exporter is determined to be zero or *de minimis*, no antidumping duties will be assessed.”¹⁵ For entries of subject merchandise during the POR produced by PESL or Marudhar Rocks for which the producer did not know its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company (or companies) involved in the transaction.¹⁶

¹⁵ See *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings; Final Modification*, 77 FR 8101, 8102 (February 14, 2012) (*Final Modification for Reviews*).

¹⁶ See *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

For the companies which were not selected for individual examination, we will instruct CBP to assess antidumping duties at a *ad valorem* assessment rate equal to the company-specific weighted-average dumping margin determined in these final results. For the companies for which the administrative review is rescinded, antidumping duties shall be assessed at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for each company listed above will be that established in the final results of this administrative review, except if the rate is less than 0.50 percent, and therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, a prior review, or in the investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be the all-others rate of 1.02 percent, the rate established in the investigation of this proceeding, as adjusted for subsidy offsets.¹⁷ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this

¹⁷ See *Order*, 85 FR at 37423.

requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Certain Non-Refillable Steel Cylinders From India: Postponement of Preliminary Determination in the Countervailing Duty Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable July 7, 2023.

FOR FURTHER INFORMATION CONTACT: Shane Subler or Zachariah Hall, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–6241 or (202) 482–6261, respectively.

SUPPLEMENTARY INFORMATION:

Background

On May 17, 2023, the U.S. Department of Commerce (Commerce) initiated a countervailing duty (CVD) investigation of imports of certain non-refillable steel cylinders (cylinders) from India.¹ Currently, the preliminary determination is due no later than July 21, 2023.

Postponement of Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the

preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On June 26, 2023, the petitioner in this CVD investigation² submitted a timely request that Commerce postpone the preliminary determination.³ The petitioner stated that Commerce needs additional time to collect and analyze questionnaire responses from the Government of India (GOI) and the mandatory respondents in this investigation.⁴ Additionally, the petitioner stated that the additional time will: (1) permit the petitioner to review data submitted by the GOI and the respondents; and (2) allow Commerce to request additional or clarifying information as necessary, as well as determine the extent to which countervailable subsidies have benefited the respondents.⁵

In accordance with 19 CFR 351.205(e), the petitioner has stated the reasons for requesting a postponement of the preliminary determination, and Commerce finds no compelling reason to deny the request. Therefore, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determination to no later than 130 days after the date on which this investigation was initiated, *i.e.*, September 25, 2023.⁶ Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination.

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: June 30, 2023.
