SUPPLEMENTARY INFORMATION:

Background

On January 10, 2023, Commerce published the preliminary results of this administrative review.¹ For a description of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.²

Scope of the Order

The products covered by the *Order* are solar cells from China.³ For a full description of the scope of the *Order*, see the Issues and Decision Memorandum.

Verification

Pursuant to section 782(i) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.307(b)(v), we conducted verification of the questionnaire responses of Risen Energy Co., Ltd. (Risen).⁴

Changes Since the Preliminary Results

Based on comments received from interested parties and record information, we made certain changes from the *Preliminary Results* regarding the calculations of Risen's and Jinko Solar Import and Export Co., Ltd.'s (Jinko) program rates. These changes are explained in the Issues and Decision Memorandum.

Methodology

Commerce conducted this administrative review in accordance with section 751(a)(1)(A) of the Act. For each subsidy program found to be countervailable, Commerce finds that there is a subsidy, *i.e.*, a financial contribution from a government or public entity that gives rise to a benefit to the recipient, and that the subsidy is specific.⁵ For a description of the methodology underlying all of Commerce's conclusions, including any determination that relied upon the use of adverse facts available pursuant to section 776(a) and (b) of the Act, see the Issues and Decision Memorandum.

Partial Rescission of Administrative Review

It is Commerce's practice to rescind an administrative review of a countervailing duty order, pursuant to 19 CFR 351.213(d)(3), when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁶ Normally, upon completion of an administrative review, the suspended entries are liquidated at the countervailing duty assessment rate calculated for the review period.⁷ Therefore, for an administrative review of a company to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs

⁴ See Memorandum, "Verification of Risen's Questionnaire Responses," dated January 13, 2023.

⁵ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.
