Receipt of Request To Increase the Amount of the Long-Term General Guarantee on the Interest of Secured Notes Issued by the Private Export Funding Corporation (PEFCO)

AGENCY: Export-Import Bank of the United States.

ACTION: Notice.

SUMMARY: This Notice is to inform the public that Export-Import Bank of the United States (“EXIM”) is expected to consider one or more requests to increase the amount of the long-term general guarantee on the interest of Secured Notes issued by the Private Export Funding Corporation (PEFCO). Comments received within the comment period specified below will be presented to the EXIM Board of Directors prior to any final action during the fiscal year ending on September 30, 2023.

SUPPLEMENTARY INFORMATION:

Reference: AP003048AA

Brief Description of Nature and Purpose of the Facility: EXIM may consider one or more general guarantees on the interest of Secured Notes issued by the Private Export Funding Corporation (PEFCO), in accordance with both the Guarantee and Credit Agreement, as Amended, and the Guarantee Agreement between EXIM and PEFCO. The purpose of the guarantees of interest on the Secured Notes is to facilitate private funding from the U.S. capital markets for EXIM-guaranteed export finance transactions.

Total Amount of Guarantees: The exact number is not determinable due to market-determined pricing and uncertainty as to the amount and timing of Secured Notes to be issued; however, it could potentially be in excess of \$100 million for Secured Notes issued during the course of fiscal year 2023.

Reasons for the Facility and Methods of Operation: The general guarantee serves to guarantee interest on PEFCO’s issuance of Secured Notes. The principal amount of the Secured Notes is secured by a collateral pool of U.S. government-risk debt and securities, including EXIM-guaranteed loans. The proceeds from the Secured Notes are used to fund additional EXIM-guaranteed loans and provide a liquid secondary market for EXIM-guaranteed loans.

Party Requesting Guarantee: Private Export Funding Corporation (PEFCO)

Information on Decision: Information on the final decision for this transaction will be available in the “Summary Minutes of Meetings of Board of Directors” on <https://www.exim.gov/news/meeting-minutes>.

General Description of Collection: This collection comprises the reporting requirements associated with 12 CFR part 381.¹ Section 381 implements the resolution planning requirements of section 165(d) of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act),² which require certain financial companies (covered companies) to report periodically to the FDIC and the Board of Governors of the Federal Reserve System (Board) (together, the agencies) their plans for rapid and orderly resolution under the U.S. Bankruptcy Code³ in the event of material financial distress or failure. The goal of the Dodd-Frank Act resolution planning process is to help ensure that a covered company’s failure would not have serious adverse effects on financial stability in the United States. The resolution planning process requires covered companies to demonstrate that they have adequately assessed the challenges that their structures and business activities pose to a rapid and orderly resolution in the event of material financial distress or failure and that they have taken action to address those challenges, including through the development of capabilities appropriate to the covered company’s size and complexity.

There is no change in the method or substance of the collection. The 7,254-hour increase in burden hours is a result of an increase in the number of entities subject to the information collection.
