ADMINISTRATION****41 CFR Chapters 101, 102, 105, 300,
301, 302, 303, and 304****48 CFR Chapter 5****Unified Agenda of Federal Regulatory
and Deregulatory Actions****AGENCY:** General Services
Administration (GSA).**ACTION:** Semiannual Regulatory Agenda.

SUMMARY: This agenda announces the proposed regulatory actions that GSA plans for the next 12 months and those that were completed since the fall 2022 edition. This agenda was developed under the guidelines of Executive Orders 12866 “Regulatory Planning and Review,” and 13563 “Improving Regulation and Regulatory Review.” GSA’s purpose in publishing this agenda is to allow interested persons an

opportunity to participate in the rulemaking process. GSA also invites interested persons to recommend existing significant regulations for review to determine whether they should be modified or eliminated. The public may provide comments on rules via <http://www.regulations.gov>.

The Unified Agenda, including previous versions, are available at www.reginfo.gov. Because publication in the **Federal Register** is mandated for the regulatory flexibility agendas required by the Regulatory Flexibility Act (5 U.S.C. 602), GSA’s printed agenda entries include only:

(1) Rules that are in the Agency’s regulatory flexibility agenda, in accordance with the Regulatory Flexibility Act, because they are likely to have a significant economic impact on a substantial number of small entities; and

(2) Any rules that the Agency has identified for periodic review under

section 610 of the Regulatory Flexibility Act.

Printing of these entries is limited to fields that contain information required by the Regulatory Flexibility Act’s Agenda requirements. Additional information on these entries is available in the Unified Agenda. In addition, for fall editions of the Agenda, the entire Regulatory Plan will continue to be printed in the **Federal Register**, as in past years, including GSA’s regulatory plan.

Abstract: The General Services Administration (GSA) is proposing to amend the General Services Administration Acquisition Regulation (GSAR) to streamline and clarify the requirements for use of Federal Supply Schedules by eligible non-Federal entities, such as state and local governments. The rule is intended to

increase understanding of the existing guidance and expand access to GSA sources of supply by eligible non-Federal entities, as authorized by historic statutes including the Federal Supply Schedules Usage Act of 2010. This rule supports underserved communities, promoting equity in the Federal Government.

Abstract: The General Services Administration (GSA) is proposing to amend the General Services Administration Acquisition Regulation (GSAR) to remove the requirement for lease offerors to have an active System for Award Management (SAM) registration when submitting offers and instead allow offers up until the time of award to obtain an active SAM registration. Entities seeking Federal leases differ from the typical entities seeking Federal contracts in that common practice is to form a new entity for every new lease offer. Requiring representations from these entities prior to offer submission restricts competition. In addition, the tools in SAM typically used in the Government's evaluation of offers do not add value when evaluating lease offers.

Abstract: The General Services Administration (GSA) is proposing to amend the General Services Administration Acquisition Regulation (GSAR) to revise internal agency approval procedures to allow the use of an economic price adjustment clause for deregulated electric supplies under fixed-price contracts. This rule will better account for regional variability in prices, portions of which are controlled by the Federal Energy Regulatory Commission under section 205 and 206 of the Federal Power Act and other regulatory bodies.

191. General Services Administration Acquisition Regulation (GSAR); GSAR Case 2021-G530, Extension of Federal Minimum Wage to Lease Acquisitions [3090-AK51]

Legal Authority: 40 U.S.C. 121(c)
Abstract: The General Services Administration (GSA) is proposing to amend the General Services Administration Acquisition Regulation (GSAR) to extend the requirements of Executive Order 14026 (Increasing the Minimum Wage for Federal Contractors) and Department of Labor regulations (29 CFR part 23) to lease acquisitions where the Davis Bacon Act applies by requiring inclusion of the related Federal Acquisition Regulation (FAR) clause. Generally, the FAR does not apply to leasehold acquisitions of real property. However, several FAR clauses have been adopted based on requirements through GSAR part 570. The Federal minimum wage requirements apply to Government lease acquisitions where the Davis Bacon Act applies and extension of the FAR requirements will ensure compliance. The Executive order seeks to increase efficiency and cost savings in the work performed by parties who contract with the Federal Government by increasing to \$15.00 the hourly minimum wage paid to those contractors. This rule promotes economic resilience, and improves the buying power of U.S. citizens.

192. General Services Acquisition Regulation (GSAR); GSAR Case 2022-G517 Single-Use Plastic Packaging Reduction [3090-AK60]

Legal Authority: 40 U.S.C. 121(c)
Abstract: The General Services Administration (GSA) is exploring regulations that will reduce single-use plastic consumption by the agency. Single-use plastic poses an environmental risk that is documented as having the potential to impact biodiversity. To learn more, GSA published an Advanced Notice of Proposed Rulemaking (ANPRM) to ask industry about what a change to the single-use plastics industry would entail. The questions focus on packaging materials with the overall intent of addressing not only the items that the Government intentionally consumes, but those products that the Government unintentionally consumes (such as packaging) that then has to be disposed of once the item is delivered.

Abstract: The General Services Administration (GSA) is amending the General Services Administration Acquisition Regulation (GSAR) to remove the agency supplemental clause

regarding payments for non-commercial fixed price contracts for supplies or services.
