

during this preview, interested applicants may submit questions on the NOFO preview to the following email address: CDBG-PROHousing@hud.gov (see Section VII of the NOFO preview). Interested applicants may also conduct the required registration activities for the System for Award Management (SAM), Unique Entity Identifier (UEI), and [Grants.gov](https://www.grants.gov) (see Section IV.C. of the NOFO preview).

HUD strongly encourages interested applicants to begin working on their application during the preview period as the NOFO requires public participation (see Section VI.E.5.a.iii of the NOFO preview). Please note that while interested applicants may work on their applications and accompanying materials during the preview period, the NOFO requires that no materials to be submitted be signed before the date the NOFO is published on [Grants.gov](https://www.grants.gov).

HUD anticipates that the PRO Housing NOFO will be published on [Grants.gov](https://www.grants.gov) in September 2023. The publication of the PRO Housing NOFO on [Grants.gov](https://www.grants.gov) will signal the opening of the application period. The application period will be open for at least 30 days, with applications due October 30, 2023. Applications must be submitted through [Grants.gov](https://www.grants.gov).

HUD will not accept requests for a waiver of electronic submission requirements during the preview period. Such requests may only be submitted once the NOFO has been published on [Grants.gov](https://www.grants.gov) (see Section IV.A. of the NOFO preview).

Director, Office of Block Grant Assistance.
