Agricultural Marketing Service

Title: Tobacco Reports.

OMB Control Number: 0581–0004.

Summary of Collection: The authority for the mandatory collection of information on Form TB–26, Tobacco Stocks Report, is Public Law 661, commonly known as the Tobacco Statistics Act (7 U.S.C. 501–508) enacted in 1929. The Act directs the Department of Agriculture (USDA), to collect statistics on the quantities of leaf tobacco held by dealers and manufacturers in the United States and Puerto Rico.

The Agricultural Marketing Act of 1946 (7 U.S.C. 1621–1627) directs and authorizes USDA to collect, tabulate, and disseminate statistics on marketing agricultural products including market supplies, storage stocks, quantity, quality and condition of such products in various positions in the marketing channel, utilization of sub-products, shipment, and unloads.

Need and Use of the Information: The basic purpose of the information collection is to ascertain the total supply of unmanufactured tobacco available to domestic manufacturers and to calculate the amount consumed in manufactured tobacco products.
