###### *B. Submitting Comments*

The NRC encourages electronic comment submission through the Federal rulemaking website (<https://www.regulations.gov>). Please include Docket ID NRC-2023-0060, in your comment submission.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to

the public or entering the comment into ADAMS.

## II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* 10 CFR part 50.55a, Codes and Standards.
2. *OMB approval number:* An OMB control number has not yet been assigned to this proposed information collection.
3. *Type of submission:* New.
4. *The form number, if applicable:* Not applicable.
5. *How often the collection is required or requested:* Reports are submitted on occasion, typically at each refueling outage or when an alternative is requested. Inservice Testing Program Test and Examination Plans must be submitted within 90 days of their implementation for the applicable 120-month IST Program interval.
6. *Who will be required or asked to respond:* Licensees and applicants for or holders of an operating license or construction permit, applicants for a standard design certification under part 52 of this chapter or an applicant for or holder of a standard design approval, or a combined license.
7. *The estimated number of annual responses:* 754 (660 reporting responses plus 94 recordkeepers).
8. *The estimated number of annual respondents:* 94.
9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 336,416 (119,276 reporting + 217,140 recordkeeping).
10. *Abstract:* Part 50.55a of title 10 of the Code of Federal Regulations (10 CFR), "Codes and Standards," specifies technical information and data to be provided to the NRC or maintained by applicants and licensees so that the NRC may take determinations necessary to protect the health and safety of the public, in accordance with the Atomic Energy Act of 1954, as amended. The reporting and recordkeeping requirements contained in 10 CFR part 50.55a are mandatory for the affected licensees and applicants.
