(Megaa Moda) and NK Marine Exports LLP (NK Marine).¹ The producers/exporters not selected for individual examination are listed in Appendix II.

On March 3, 2023, Commerce published the *Preliminary Results* and invited interested parties to comment.² For a complete description of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.³

Analysis of Comments Received

All issues raised in the case and rebuttal briefs are listed in Appendix I to this notice and addressed in the Issues and Decision Memorandum. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Changes Since the Preliminary Results

Based on the comments received from interested parties, we made no changes to the margin calculations in the *Preliminary Results* for Megaa Moda and NK Marine. However, we did make changes to our calculation of the review-specific average rate assigned to the companies not selected for individual review.⁶

Final Results of the Review

As a result of this review, we determine the following weighted-average dumping margins for the period February 1, 2021, through January 31, 2022:

Exporter/producer	Weighted-average dumping margin (percent)
Megaa Moda Pvt Ltd	7.92
NK Marine Exports LLP	1.43
Companies Not Selected for Individual Review ⁷	3.88

Review-Specific Rate for Companies Not Selected for Individual Review

The exporters or producers not selected for individual review are listed in Appendix II.

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Tariff Act of 1930, as amended, and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate

⁶ For further discussion, see Issues and Decision Memorandum at Comment 5.

⁷ See Appendix II for a full list of these companies.

entries of subject merchandise in accordance with the final results of this review.

Pursuant to 19 CFR 351.212(b)(1), because Megaa Moda and NK Marine reported the entered value for their U.S. sales, we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of the sales for which entered value was reported. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce's "automatic assessment" practice will apply to entries of subject merchandise during the POR produced by Megaa Moda or NK Marine for which the reviewed companies did not know that the merchandise they sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.⁸

For the companies that were not selected for individual review, we assigned an assessment rate based on the review-specific average rate, calculated as noted in the "Final Results of the Review" section, above. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.⁹

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse,

⁸ For a full discussion of this practice, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

⁹ See section 751(a)(2)(C) of the Act.

for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rates for the reviewed companies will be the rates shown above, except if the rate is less than 0.50 percent (*de minimis* within the meaning of 19 CFR 351.106(c)(1)), the cash deposit will be zero; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a previous review, or the less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all-other manufacturers or exporters will continue to be 10.17 percent, the all-others rate established in the LTFV investigation.¹⁰ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

¹⁰ See Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order, 70 FR 5147, 5148 (February 1, 2005).

Notification to Interested Parties

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: August 25, 2023.

A-533-889 and C-533-890: Quartz Surface Products From India

Requestor: Pokarna Engineering Stone Ltd. (Pokarna). Certain sinks and basins produced and exported by Pokarna are not covered by the scope of the antidumping duty (AD) and countervailing duty (CVD) orders based on the plain language that excludes these products from the scope. Certain shower trays produced and exported by Pokarna are covered by the scope of the AD/CVD orders as they correspond to products listed in the plain language of the scope. Certain integrated vanity tops are covered by the scope of the AD/CVD orders because the totality of evidence establishes that the integrated vanity tops have similar physical characteristics, expectations of the ultimate purchaser, ultimate use, and channels of trade to in-scope quartz surface products; June 22, 2023.
