Final Results of Review

Commerce intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in any briefs, within 120 days of publication of these preliminary results of review in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act, unless extended.

Assessment Rates

Upon completion of this administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹² If Interpipe's weighted-average dumping margin in the final results of this review is not zero or *de minimis* (*i.e.*, greater than or equal to 0.5 percent), we will calculate importer-specific *ad valorem* assessment rates for the merchandise by dividing the total amount of dumping calculated for all reviewed sales to the importer by the total entered value of the merchandise sold to the importer.¹³ Where either Interpipe's *ad valorem* weighted-average dumping margin is zero or *de minimis*, or an importer-specific *ad valorem* assessment rate is zero or *de minimis* in the final results of review, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.¹⁴

In accordance with Commerce's "automatic assessment" practice, we will instruct CBP to liquidate POR entries of subject merchandise which Interpipe produced and sold but did not know was destined for the United States, at the all-others rate (*i.e.*, 23.75 percent)¹⁵ if there is no rate for the intermediate company(ies) involved in the transaction.¹⁶

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be in effect for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the notice of the final results of this administrative review in the **Federal Register**, as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Interpipe will be equal to the weighted-average dumping margin established for Interpipe in the final results of this administrative review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), then the cash deposit rate will be zero; (2) for companies that were previously reviewed or investigated in this proceeding that are not listed above, the cash deposit rate will continue to be the rate assigned to the company in the most recently completed segment of this proceeding in which the company was examined; (3) if the exporter of the subject merchandise does not have a company-specific rate but the producer of the subject merchandise does, then the cash deposit rate will be the rate assigned to the producer of the subject merchandise in the most recently completed segment of this proceeding in which the producer was examined; and (4) the cash deposit rate for all other producers or exporters will continue to be the all-others rate of 23.75 percent that was established in the investigation in this proceeding.¹⁷ These cash deposit

requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213(h)(2) and 351.221(b)(4).

Dated: August 31, 2023.

Lisa W. Wang,

Assistant Secretary for Enforcement and Compliance.
