BILLING CODE 4140-01-P

DEPARTMENT OF HOMELAND SECURITY

U.S. Customs and Border Protection

[Docket No. USCBP-2023-0021]

Commercial Customs Operations Advisory Committee (COAC)

AGENCY: U.S. Customs and Border Protection (CBP), Department of Homeland Security (DHS).

ACTION: Committee Management; Notice of Federal Advisory Committee Meeting.

SUMMARY: U.S. Customs and Border Protection (CBP) is revising the notice published in the **Federal Register** on August 30, 2023, which announced that the next meeting of the Commercial Customs Operations Advisory Committee (COAC) will be held on Wednesday, September 20, 2023. This notice revises the August 30, 2023 notice to reflect the addition of a new working group to the Secure Trade Lanes Subcommittee which will provide proposed recommendations for COAC's consideration at the September 20, 2023 COAC Public Meeting. As a result, CBP is republishing the August 30, 2023 notice, with amendments reflecting the addition of the De Minimis Working

Group. The meeting will be open to the public via webinar only. There is no on-site, in-person option for the public to attend this quarterly meeting.

DATES: The COAC will meet on Wednesday, September 20, 2023, from 1 to 5 p.m. EDT. Please note that the meeting may close early if the committee has completed its business. Comments must be submitted in writing no later than September 15, 2023.

ADDRESSES: The meeting will be open to the public via webinar only. The webinar link and conference number will be posted by 5 p.m. EDT on September 19, 2023, at <https://www.cbp.gov/trade/stakeholder-engagement/coac/coac-public-meetings>. For information or to request special assistance for the meeting, contact Ms. Latoria Martin, Office of Trade Relations, U.S. Customs and Border Protection, at (202) 344-1440 as soon as possible.

Comments may be submitted by one of the following methods:

- **Federal eRulemaking Portal:** <https://www.regulations.gov>. Search for Docket Number USCBP-2023-0021. To submit a comment, click the "Comment" button located on the top left-hand side of the docket page.

- **Email:** tradeevents@cbp.dhs.gov. Include Docket Number USCBP-2023-0021 in the subject line of the message.

Comments must be submitted in writing no later than September 15, 2023, and must be identified by Docket No. USCBP-2023-0021. All submissions received must also include the words "Department of Homeland Security." All comments received will be posted without change to <https://www.cbp.gov/trade/stakeholder-engagement/coac/coac-public-meetings> and www.regulations.gov. Therefore, please refrain from including any personal information you do not wish to be posted. You may wish to view the Privacy and Security Notice, which is available via a link on www.regulations.gov.

FOR FURTHER INFORMATION CONTACT: Ms. Latoria Martin, Office of Trade Relations, U.S. Customs and Border Protection, 1300 Pennsylvania Avenue NW, Room 3.5A, Washington, DC 20229, (202) 344-1440; or Ms. Felicia M. Pullam, Designated Federal Officer, at (202) 344-1440 or via email at tradeevents@cbp.dhs.gov.

SUPPLEMENTARY INFORMATION: On August 30, 2023, U.S. Customs and Border Protection (CBP) published a notice in the **Federal Register** (88 FR 59933), announcing that the Commercial Customs Operations Advisory Committee (COAC) meeting will be held

on Wednesday, September 20, 2023. The August 30, 2023 notice complied with the 15-calendar-day requirement to provide the public with notice of the agenda and topics to be discussed. See section 102–3.150(a) of title 41 of the Code of Federal Regulations (41 CFR 102–3.150(a)). This notice amends the agenda published in the August 30, 2023 notice, to note the addition of a new working group, the De Minimis Working Group, to the Secure Trade Lanes Subcommittee. This notice is published less than 15 calendar days before COAC's public meeting. Pursuant to 41 CFR 102–3.150(b), CBP believes that there are exceptional circumstances warranting less-than-15-days' notice. Due to the recent creation of the De Minimis Working Group it was not clear its work would be developed sufficiently to present it at the public meeting. However, CBP has been informed that the subcommittee will have additional proposed recommendations to offer to COAC at the public meeting based on the work from the new working group. Because CBP considers the working group's activity to be of significant interest to the public and the government, CBP does not want to delay COAC's ability to deliberate publicly upon the additional proposed recommendations.

For ease of reference, CBP is republishing the entirety of the August 30, 2023 notice, with the changes described.

Notice of this meeting is given under the authority of the Federal Advisory Committee Act, Title 5 U.S.C. ch. 10. The Commercial Customs Operations Advisory Committee (COAC) provides advice to the Secretary of the Department of Homeland Security, the Secretary of the Department of the Treasury, and the Commissioner of U.S. Customs and Border Protection (CBP) on matters pertaining to the commercial operations of CBP and related functions within the Department of Homeland Security and the Department of the Treasury.

The COAC is committed to ensuring that all participants have equal access regardless of disability status. If you require a reasonable accommodation due to a disability to fully participate, please contact Ms. Latoria Martin at (202) 344–1440 as soon as possible.

Please feel free to share this information with other interested members of your organization or association.

To facilitate public participation, we are inviting public comment on the issues the committee will consider prior to the formulation of recommendations as listed in the Agenda section below.

There will be multiple public comment periods held during the meeting on September 20, 2023. Speakers are requested to limit their comments to two minutes or less to facilitate greater participation. Please note that the public comment period for speakers may end before the time indicated on the schedule that is posted on the CBP web page: <https://www.cbp.gov/trade/stakeholder-engagement/coac>.

Agenda

The COAC will hear from the current subcommittees on the topics listed below:

1. The Intelligent Enforcement Subcommittee will provide updates on the work completed and topics discussed in its working groups. The Antidumping/Countervailing Duty (AD/CVD) Working Group will provide updates regarding its work and discussions on importer compliance with AD/CVD requirements. The Intellectual Property Rights (IPR) Process Modernization Working Group will report on and anticipates providing proposed recommendations for the committee's consideration relating to, the development of a portal on the CBP IPR web page and other enhancements in communications between CBP, rights holders, and the trade community regarding enforcement actions. The Bond Working Group will report on the ongoing discussions and status updates for eBond requirements. The Forced Labor Working Group (FLWG) has been working on the implementation of recommendations and updates, as well as revisions to its statement of work. The FLWG will also provide updates and anticipates making proposed recommendations for the committee's consideration at the September public meeting.

2. The Next Generation Facilitation Subcommittee will provide updates on its working groups. There will be an update and proposed recommendations for the committee's consideration from the Automated Commercial Environment (ACE) 2.0 Working Group regarding progress on the ACE 2.0 initiative resulting from the working group's recent in-person sessions held to review the CBP ACE 2.0 Concept of Operations processes. The Customs Interagency Industry Working Group (CII) (formerly the One U.S. Government Working Group) will provide an update on the work accomplished this quarter, which includes discussions with Partner Government Agencies and an update on ACE 2.0. The Passenger Air Operations (PAO) Working Group has been focusing its discussions on CBP

security seal processing and access to international aircraft and passengers, landing rights, and elimination of outdated or obsolete forms, and will provide an update on those discussions.

3. The Rapid Response Subcommittee will provide updates from the Broker Modernization Working Group and the United States-Mexico-Canada Agreement (USMCA) Chapter 7 Working Group. The Broker Modernization Working Group currently meets monthly and continues to focus on the 19 CFR part 111 final rules relating to Modernization of the Customs Broker Regulations and Continuing Education for Licensed Customs Brokers, as well as Customs Broker Licensing Exams matters. The subcommittee anticipates the Broker Modernization Working Group will provide one proposed recommendation for the committee's consideration. The USMCA Chapter 7 Working Group meets bi-weekly with the expectation that proposed recommendations will be developed and submitted for consideration at an upcoming COAC public meeting. The current focus of this working group is to review the Chapter 7 articles of the USMCA and identify gaps in implementation between the United States, Mexico, and Canada.

4. The Secure Trade Lanes Subcommittee will provide updates on its six active working groups: the Export Modernization Working Group, the In-Bond Working Group, the Trade Partnership and Engagement Working Group, the Pipeline Working Group, and the Cross-Border Recognition Working Group and the newly formed De Minimis Working Group. The Export Modernization Working Group has continued its work on the electronic export manifest pilot program. The In-Bond Working Group has continued its focus on the implementation of previously submitted recommendations. The Trade Partnership and Engagement Working Group has focused its work on implementing previous recommendations for Customs Trade Partnership Against Terrorism (CTPAT) Trade Compliance partners and is working to update its statement of work to include CTPAT security. The Pipeline Working Group will submit proposed recommendations for the committee's consideration that CBP develop a pilot to use Distributed Ledger Technology to enhance transparency in supply chains for pipeline-borne goods. The De Minimis Working Group held their first meeting on August 22 and the group will submit proposed recommendations for the committee's consideration. Emerging risks have necessitated changes to

operational priorities. Therefore, the De Minimis Working Group met on an aggressive schedule to develop proposed recommendations for the September 20, 2023, COAC meeting. Although the Cross-Border Recognition Working Group did not meet this quarter, it remains an active working group within the subcommittee and will resume meetings next quarter.

Meeting materials will be available by September 11, 2023, at: <https://www.cbp.gov/trade/stakeholder-engagement/coac/coac-public-meetings>.

Felicia M. Pullam,

Executive Director, Office of Trade Relations.

BILLING CODE 9111-14-P

DEPARTMENT OF HOMELAND SECURITY

Information Collection Request to Office of Management and Budget

AGENCY: Science and Technology Directorate (S&T), Department of Homeland Security (DHS).

ACTION: Sixty-Day notice requesting comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the Department of Homeland Security (DHS) Science and Technology Directorate (S&T) intends to submit an Information Collection Request (ICR) to the Office of Management and Budget (OMB), Office of Information and Regulatory Affairs (OIRA), requesting approval for the collection of information. Our ICR describes the information we seek to collect from the public. Before submitting this ICR to OIRA, S&T is inviting comments as described below.

DATES: Comments must reach S&T on or before October 30, 2023.

ADDRESSES: You may submit comments identified by DHS docket number DHS-2023-0031 SAFETY Act to S&T using the Federal eRulemaking Portal at <https://www.regulations.gov>. See the "Public participation and request for comments" portion of the **SUPPLEMENTARY INFORMATION** section for further instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT:

DHS/S&T/COMPONENT: S&T/OIC/SAFETY Act.

Project Manager, Luz Irazabal.

Email Address, luz.irazabal@hq.dhs.gov.

Phone Number: 202-913-4926.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

This notice relies on the authority of the Paperwork Reduction Act of 1995; 44 U.S.C. 3501 *et seq.*, chapter 35, as amended. An ICR is an application to OIRA seeking the approval, extension, or renewal of a S&T collection of information (Collection). The ICR contains information describing the Collection's purpose, the Collection's likely burden on the affected public, an explanation of the necessity of the Collection, and other important information describing the Collection. There is one ICR for each Collection.

S&T invites comments on whether this ICR should be granted based on the Collection being necessary for the proper performance of Departmental functions. In particular, S&T would appreciate comments addressing: (1) The practical utility of the Collection; (2) the accuracy of the estimated burden of the Collection; (3) ways to enhance the quality, utility, and clarity of information subject to the Collection; and (4) ways to minimize the burden of the Collection on respondents, including the use of automated collection techniques or other forms of information technology. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency.

In response to your comments, we may revise this ICR. We will consider all comments and material received during the comment period.

We encourage you to respond to this request by submitting comments and related materials. Comments must contain the OMB Control Number of the ICR and the docket number of this request, DHS-2023-0031 SAFETY Act, and must be received by October 30, 2023.

Submitting Comments

We encourage you to submit comments through the Federal eRulemaking Portal at <https://www.regulations.gov>. If your material cannot be submitted using <https://www.regulations.gov>, contact the person in the **FOR FURTHER INFORMATION CONTACT** section of this document for alternate instructions. Documents mentioned in this notice, and all public comments, are in our online docket at <https://www.regulations.gov> and can be viewed by following that website's instructions. Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted.

We accept anonymous comments. All comments received will be posted without change to <https://www.regulations.gov> and will include any personal information you have provided. For more about privacy and submissions in response to this document, see DHS's eRulemaking System of Records notice (85 FR 14226, March 11, 2020).

Overview of This Information Collection Request

Title: Safety Act.

OMB Control Number: DHS-2023-0031 SAFETY Act.

Type of Information Collection: New.

Agency form number, if any, and the applicable component of the DHS sponsoring the collection: DHS-2023-0031 SAFETY Act, Science and Technology Directorate, Department of Homeland Security.

Respondents: Individuals.

Total Estimated Number of Respondents: An estimated 330 respondents will take the survey.

Total Estimated Burden Time: 18,500 hours.

Frequency: Once.

Obligation to Respond: Voluntary.

Summary: S&T's mission is to deliver effective and innovative insight, methods, and solutions for the critical needs of the Homeland Security Enterprise. As the research and development (R&D) arm of the Department of Homeland Security (DHS), the Science and Technology Directorate (S&T) focuses on providing the tools, technologies, and knowledge products the nation's Homeland Security Enterprise needs today and tomorrow. S&T constantly works to bridge industry and end-user communities around the nation. S&T's R&D focus areas cover DHS's core mission areas and use our network of industry, national laboratory and other partners seek solutions for capability gaps and define topics for future research. In order to work continuously to ensure that our programs are effective and meet our customers' needs, S&T seeks to obtain Office of Management and Budget approval of a generic clearance to collect qualitative feedback on our service delivery. By qualitative feedback, we mean, information that provides useful insights on perceptions and opinions, but are not statistical surveys that yield quantitative results that can be generalized to the population of study. This collection of information is necessary to enable the S&T programs to garner customer and stakeholder feedback in an efficient, timely manner, in accordance with our commitment to improving tools,
