

focus groups, cognitive laboratory activities, pilot testing, field testing, exploratory interviews, experiments with questionnaire design, and usability testing of electronic data collection instruments. Following standard Office of Management and Budget (OMB) requirements, NIJ will submit an individual request to OMB for every group of data collection activities undertaken under this generic clearance. NIJ will provide OMB with a copy of the individual instruments or questionnaires (if one is used), as well as other materials describing the project.

Overview of This Information Collection

1. *Type of Information Collection:* Extension of a currently approved collection.
2. *The Title of the Form/Collection:* Generic Clearance for Cognitive, Pilot,

and Field Studies for Office of Juvenile Justice and Delinquency Prevention Data Collection Activities.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form numbers are not available for a generic clearance. The applicable components within the Department of Justice are the National Institute of Justice and the Office of Juvenile Justice and Delinquency Prevention, in the Office of Justice Programs.

4. *Affected public who will be asked or required to respond, as well as the obligation to respond:* Affected Public: State, local and tribal governments, individuals or households, Private Sector—businesses for or not for profit institutions. The obligation to respond is voluntary.

5. *An estimate of the total number of respondents and the amount of time*

estimated for an average respondent to respond: It is estimated that approximately 2,500 respondents will be involved in the anticipated cognitive, pilot, and field-testing work over the 3-year clearance period. Specific estimates for the average response time are not known for development work covered under a generic clearance.

6. *An estimate of the total annual burden (in hours) associated with the collection:* The estimated public burden for identified and future projects covered under this generic clearance over the 3-year clearance period is approximately 4,000 hours.

7. *An estimate of the total annual cost burden associated with the collection, if applicable:* The estimated annual cost burden for this collection is \$0.

SUPPLEMENTARY INFORMATION: OWCP must reimburse beneficiaries for travel expenses for covered medical treatment. In order to determine whether amounts requested as travel expenses are appropriate, OWCP must receive certain data elements, including the signature of the physician for medical expenses claimed under the BLBA. Form OWCP–957 is the standard format for the collection of these data elements. The regulations implementing these three statutes allow for the collection of information needed to enable OWCP to determine if reimbursement requests for travel expenses should be paid. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on 06/01/2023 (88 FR 35932).
